Give your child the right foundation.

Kids 'R' Kids will give your child the best start and an advanced educational foundation. Our exclusive and Corporate AdvancED Accredited program is developed by our early childhood educational experts who understand that each child is unique and possesses different attributes. Our curriculum is written to combine all those attributes for the classroom. From reading and writing to math, science, and social integration, each child has the opportunity to authentically experience these topics within a safe and secure environment. It's this expression of learning that will prepare your child to succeed in elementary school and beyond.

THE CLUB AT RIVERSTONE
— Coming Summer 2014 —

WATERPARK • TENNIS COURTS • FITNESS CENTER
COMMUNITY CENTER • SPLASH PAD and MORE!

THE CLUB AT RIVERSTONE and the waterpark are taking shape. Here are recent progress pictures—planned opening this summer!

The Pool Schedule is coming in May!

Look for it in the next 'Reflections' newsletter!

Let's Move!

Have you recently seen all the emerging research behind the health risks of sitting for pro-longed periods of time? Well it's out there, and conversations are happening between employees and employers on ways to help solve this problem. Research shows that the risks include lowered metabolism, slowed

HOA CORNER

New Amenity Cards!

New amenity cards are being implemented in Riverstone over the next several months. Technology has improved and we will also now have cards with resident photos and names on them. We are working to make this a simple process in getting residents set up for access prior to THE CLUB AT RIVERSTONE's grand opening.

Beginning in May, we ask that you come in and get the new amenity access card(s). Already have a card? Bring it with you to get your new one!

The amenity cards will be good for ALL community amenities, as well as those found at THE CLUB AT RIVERSTONE.

Please contact your onsite team at 713-332-4750 or visit the onsite office at 4722 Riverstone Blvd. Suite 150 if you have any questions or concerns. The Board and your FirstService management team strive to provide the best possible service. We thank you in advance for your support!

Once The Club at Riverstone opens this summer, our HOA offices will be moving. Come see us there. We look forward to serving you!

RIVERSTONE Recreation Access Card

blood circulation which can lead to decreased brain function and leg disorders, and increased potential for damage to the lumbar spine. What are some tricks to help break up a sedentary day? Try swapping your desk chair for an exercise ball or a backless stool to help force your core muscles to work, and alternate between standing and sitting throughout the day.

As your lifestyle director, I am planning a full calendar of 'happening' events. Our fitness center is almost open and we're working to add other activities to help keep us moving!

Stay tuned! —Natasha Hakala

Zoning

FBISD Facilities Master Plan recommendations will be presented to the Fort Bend ISD Board of Trustees for approval in April. Once a plan has been approved by the Board of Trustees, the recommendations will be enacted during the coming years. The district has no current plans to rezone for the 2014-2015 school year.

In 2014, our average price YTD
(without custom homes) is \$502,000.

'FRANK TALK'

FRANK HESTER

Local Missouri City update with your
Resident Council Chairman

NEW STREET NAME SIGNS COMING

Many have been asking and those faded red, white and blue street name signs are being replaced. Target date for completion is the end of April, weather permitting.

DRUG "TAKE BACK" DAY—April 26

Missouri City will again partner with the Drug Enforcement Administration to accept unwanted medication free of charge, providing residents the opportunity to safely dispose of their expired, unused or unwanted prescription drugs.

Saturday, April 26 from 10 a.m. to 2 p.m.
Missouri City Police Department,
3849 Cartwright Rd.

As the misuse of prescription medications continues to rise, events such as this provide an easy, anonymous way for residents to dispose of drugs. Residents are cautioned against flushing unwanted medications or putting them in the garbage as both methods pose potential safety and health hazards. Flushing drugs may pollute the water supply and throwing prescriptions in the trash makes them accessible to thieves, pets and wildlife, which could result in accidental poisonings and overdoses.

Approved School Make-Up Days

On January 24 and 28, we experienced inclement weather conditions that prevented us from safely conducting school operations. Texas state law requires school districts to designate two make-up days for bad weather on its Board-approved calendar. At the last Board meeting, the Board approved important changes to the current school calendar as follows:

- The last day of school has been changed to June 6, and it will be an early release day for all students.
- Therefore, the two bad weather days will be made up on June 6 and May 26 (Memorial Day).
- We will not be in school on April 18, the scheduled Good Friday holiday.

Because the Texas Education Agency requires us to make up the two weather days, it is important that students be in attendance on the two make up days. We understand that some FBISD high school graduations are scheduled on Friday, June 6, and that some families have made plans for the May 26 holiday and for June 6. We will work with families to address prescheduled conflicts.
