RIVERSTONE is Number One!

RIVERSTONE REIGNS SUPREME WHEN IT COMES TO NEW HOME STARTS OVER THE PAST YEAR.

That's what the *Houston Business Journal* says about us. Riverstone had 756 home starts from the second quarter of 2013 to the first

quarter of 2014, according to Houston-based *MetroStudy*. We also have another 900 homesites coming this year.

Cinco Ranch ranked second to Riverstone with 733 new home starts for the same timeframe. The Woodlands (641), Aliana (470) and Cross Creek Ranch (465) rounded out the top five for the number of new home starts.

The Greater Houston Partnership estimates 125,000 new single-family homes will be built in the next five years. But as strong as the current housing market is, developers are building half as many homes as they did during the subprime-fueled boom. This is resulting in too few homes and too many buyers—and that is a trend that's going to continue over the next year, experts say.

Welcome new fitness director

Blake Crawford

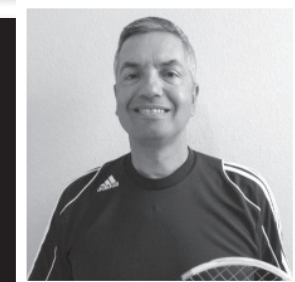

My name is Blake Crawford. I am the Fitness Director & Personal Trainer for the new Riverstone Fitness Center, located in The Club at Riverstone. I achieved my degree in Kinesiology from Sam Houston State University and hold a certification for a CPT (acquired this certification for the National Academy of Sports Medicine).

I firmly believe that fitness is a key factor for living a full, healthy life and that a good foundation of fitness will provide health in a physical sense, and in an emotional sense as well. My passion in life is to help people achieve all of their fitness goals and desires in a safe and timely manner, and to give people the knowledge to maintain a healthy lifestyle.

I look forward to meeting each of you and helping with any personal fitness goals you may have.

Feel free to contact me with any questions about our new fitness center or personal training.

I can be contacted at 713-826-6631; and my email is FitnessDirector@riverstone.com

Welcome new tennis pro

Giorgio Botto

Hi! My name is Giorgio Botto, your new Riverstone Tennis Pro. Tennis is my passion and whether you are a beginner, or quite advanced, I look forward to getting to know you and sharing with you what I know about the game!

Here's a little about me:

- I'm originally from Santiago, Chile and have been married to my wife Maria for 15 years.
- I speak fluent English and Spanish, and graduated Cum Laude at Tyler Junior College with degrees in Business Administration and Recreation Leadership.
- I was previously the assistant Tennis Professional at Royal Oaks Country Club in Houston and was there for almost 4 years.
- I have over 30 years of professional teaching experience, and am certified with the highest rating as a tennis teaching professional by the Professional Tennis Registry.
- I've coached several national ranked junior players abroad and in the U.S.A. with some playing at Division I colleges and at the professional level.
- I've taught tennis for both children and adults from beginners to advanced levels.
- A fun fact about me—I had the privilege to string racquets at the professional level including none other than former #1 in the world, Roger Federer.

I look forward to meeting you soon. We will be hosting a 'tennis meet-and-greet' in mid-September. Check the next issues of Reflections for more details.

My email is TennisPro@Riverstone.com
