HOA CORNER

What do the HOA fees go towards?

Many residents have inquired about this, and it is understandable that anyone would want to be made aware of where their money is being used. For this reason, the Association would like to put to rest the wondering and provide the residents a grand tour to elaborate on that of which the dues are being used.

Generally speaking, these HOA dues are used for the upkeep and beautification of the common areas in Riverstone. However, let us dig into this to be more specific and bring about a closer look. Among the many captivating aspects of Riverstone that require contracted maintenance, landscaping is one of them. Throughout all common areas, you will see plant material, coloring (flowers), various trees, and other greenery. These are maintained and/or replaced through contractors using portions of the HOA dues, along with regular mowing throughout the main thoroughfares.

The fees also go towards the upkeep of the recreational facilities in Riverstone. These include the Riverstone and Creekstone pools, the dog park, the ten tennis courts (eight of them being new), the eight playgrounds including the new Adventure Park, the Splash Pad, The Club at Riverstone, and the new Waterpark that opened last summer.

From the pool pumps to the two fantastic waterslides, if anything breaks and needs repair, needs replacing, or needs cleaning, the Association will get with the appropriate contractor to fix it up again to the proper standards set for the Riverstone community.

In addition to all of that, the association dues go towards the general maintenance of the tunnels and lakes in Riverstone, the fountains in the lakes, the replacement of certain lights when needed, mulch replenishment for trees and shrubbery in common areas, and proper irrigation in the common areas. Lastly, if a brick wall is leaning, missing bricks, or the cement caps have broken off, it is repaired using HOA dues as well.

Since Riverstone is a developing community and is growing at a rapid pace, there is much upkeep to manage. The HOA dues allow the Riverstone community to be maintained so that it may be upheld to a high standard of excellence.

Please contact your onsite team at The Club at Riverstone if you have any questions or concerns, or you can go on to the website at www.riverstone.com to view Association documents and other useful information. Your FirstService Residential management team strives to provide the best possible service. We thank you for your support.

Riverstone Crime Watch

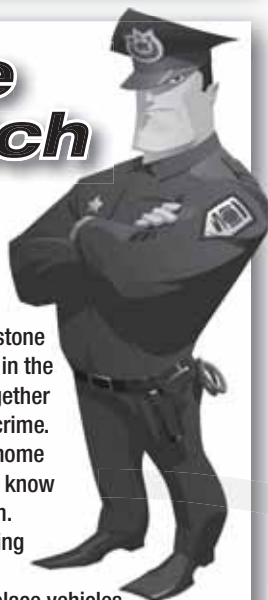

Greetings to the Riverstone Community from Constable Trever Nehls and all of us at the Precinct 4 Constable's Office.

As we head into the 2nd quarter of 2015, I would like to encourage all citizens of Riverstone to be more security conscious and observant in the community. There is much that we can do together to lower the chance of becoming a victim of crime. One of the best ways to lower the chance of home burglaries and property thefts is by getting to know your neighbors and communicating with them. Additionally, locking doors and windows, setting alarms, and keeping garage doors shut when not in use. Be aware of suspicious or out-of-place vehicles in the neighborhood and door-to-door solicitors. You should report anything suspicious to the police. To reduce the chance of becoming the victim of a scam/identity theft is to not give out any personal information and/or money to anyone you don't know and contact law enforcement with any questions or concerns.

Additionally, we thank you for your patience and understanding as we continue to work together navigating the construction zones and four ways stops. Please be cautious and aware of your speed and other vehicles within the Riverstone Community. We are actively reducing accidents and speeders with your cooperation in following the proper protocol. Please be aware that it is a traffic violation to cut through any Riverstone business parking lots to avoid traffic control.

To report an emergency please dial 911 and for non-emergencies please contact the Fort Bend Sheriff's Office at 281-341-4665. If you have any questions feel free to contact us by email at Bryan.Smink@fortbendcountytx.gov and Christina.Resendez@fortbendcountytx.gov. We will be happy to schedule a personal visit if you desire.

FITNESS TIP *of the* MONTH

Muscle Building Basics

Talk to any personal trainer and they'll tell you that there are certain muscle building basics. First, increase your caloric and complete protein intake. Then, when you're in the gym, focus on correct form for every lift. Perform compound movements and train with weights on average of four days a week. Never underestimate the importance of rest. Remember, muscle tissue grows outside of the gym when you're giving your body time to relax and recover following your workout.

Mardi Gras Party

Thank you to the parents and kids who joined us for an afternoon of crafts and games to celebrate Mardi Gras! We had a great time making masks, shakers, necklaces, and decorating cookies.

Couples Chocolate Pairing

Thank you to the couples who joined us in one of the sweetest events of the year! We had an amazing night learning about chocolate, its history, different origins, and pairing them with different types of wines.

Thank you to the residents who cashed in their luck and joined us for a night of fun! We had an exciting Vegas-styled night playing blackjack, craps, poker, and roulette.
