 Bring your kids and get  
**EGGcited for Riverstone's  
 annual Spring Fling!**

Enjoy this family-friendly event featuring a magic show, rock climbing walls, bounce houses, face painters, balloon artists, and over 14,000 eggs for PEEP's sake. This event would not be complete without a special visit from the Easter Bunny himself, who will be hopping around the event greeting everyone, posing for photos, and even looking for some of those eggs.

Grab your baskets and don't be late as the hunt for eggs will be in special age-designated areas with staggered start times. Here is when the egg scrambles are estimated to begin:

Ages 0 to 3 (Parent Assisted).....	10:15am
Ages 4 to 6 .....	10:30am
Ages 7 to 9.....	10:45am
Ages 10 to 12.....	11:00am

Once the hunts are started and eggs collected, all those arriving afterwards will not have another opportunity.

## 'FLIGHT' IN RIVERSTONE APRIL 1-15

Birds unlike any other have settled in Riverstone, at least temporarily, as the award-winning "Flight" artwork will be on display at The Club at Riverstone through April 15.

Sculpted by Dale Rogers of Massachusetts and winner of the 2012 ArtPrize Urban Space Juried Award, "Flight" showcases nine stainless-steel birds with 12-foot wingspans. The 200-pound birds are displayed in a serpentine pattern 12 to 15 feet off of the ground.

The community artwork is part of Houston's Largest Home Tour activities, which is being held in 10 communities of The Johnson Development Corp. during April.

# HOA CORNER

We have had an influx of concerns about soliciting in the Riverstone Community and understand how this can be a nuisance. The Association has been looking into the matter and speaking with local law enforcement. Unfortunately, the Association has no control over soliciting activities since the streets and roadways within the community are public access ways owned by the county and soliciting is not against the law in Fort Bend County. We have been informed that officers can only make contact with the solicitors and ask for identity, if they are able to locate them. They can then ask them to leave the community, but cannot do anything if they don't leave or come back on a different day. Of course, if an individual or individuals are in the process of breaking the law, a law enforcement officer can take immediate action.

Your Association recommends the following actions that every owner can take to discourage unwelcome soliciting in the community.

- Report all suspicious persons to Fort Bend County Precinct 4, 281-341-4665 and request the deputies on duty be made aware of your concerns.
- Refuse to make use of solicitors' offers and refuse to patronize any company being marketed in this manner.
- If you are able to obtain the companies information or address, please notify the Association. We will be happy to send them a letter advising them to discontinue door to door soliciting (we will also remind them of the community newsletter and/or the other avenues for marketing purposes). Please be reminded that this may not discontinue them from coming back.
- Individual homeowners have the ability to place a small (2 x 8" or 3 x 10") "No Trespassing/No Soliciting" sign at the entry to their homes. Should a solicitor continue to leave flyers, the homeowner then has the authority to file charges against the Solicitor/ Company for trespassing on private property.
- Promptly remove flyers that are placed on your front or garage doors.
- Notify the Post Office of all soliciting flyers placed on mailboxes.

## April Lifestyle Merit Program

COMMUNITY CARES!

*The CLUB at RIVERSTONE* Friday, April 10 • 6pm

Giving back is one of the best feelings in the world! It is important to help one another and give back to your own community.

This month please attend the Relay for Life of Sugar Land taking place *Friday, April 10th* from 6:00pm until the following day at 6:00am. The event will be held at Constellation Field and benefits the American Cancer Society. Here you will be able to walk around the course and depending on the time of arrival may be able to hear one of the ceremonies. ## RELAY FOR LIFE of Sugar Land

Friday, April 10th—  
Saturday, April 11th

Join the Riverstone Rock'n'Walkers at Constellation Field anytime between 6:00pm (April 10th) to 6:00am (April 11th). Relay for Life events comprise the signature fundraiser for the American Cancer Society and are meant to honor cancer survivors, remember loved ones lost, and fight back against a disease that has already taken too much. The event is overnight because cancer never sleeps, therefore, teams are encouraged to have at least one participant on the track at all times. For more information regarding this local event or to see what the funds raised support, please visit [relay.acsevents.org](http://relay.acsevents.org). *Hope to see everyone there!*

# TIME TO TOUR RIVERSTONE!

*When is the last time you toured your community? If it's been a while, you just might want to do it again!*

Riverstone has grown tremendously in the last 12 months, opening numerous neighborhoods throughout the development. And that momentum has continued this year, with builders opening eight new model homes so far with another three openings planned this month.

All of the new model homes — and Riverstone's many other models — will be part of something big in April, Houston's Largest Home Tour. This showcase features nearly 500 homes throughout Houston, with many of them right in your own backyard. Hours are 10 a.m. to 5 p.m. Saturdays and noon to 5 p.m. Sundays through April. This free tour is open to everyone, so why not spend the afternoon seeing what's new in your community and being inspired by beautifully appointed model homes?

## FITNESS TIP *of the* MONTH

Only eating three meals a day? Research has shown that may not be enough to attaining weight loss. Eating 5 to 6 smaller meals a day has be proven to accelerate weight loss because the body is constantly processing through the stomach, which in turn is keeping your metabolism running. Keeping your metabolism going is crucial to burning calories throughout the day. To keep your metabolism going at night, try eating a couple of spoonful's of cottage cheese. It has a slower digesting protein called casein in it which slowly goes through the system all night.
