## All About Trees!

Fall is upon us and the weather will soon be cooling down. While the hot summer takes a toll on certain trees and other greenery, the fall and early winter is an ideal time for replanting and maintenance. Here are some tips, guidelines, and reminders to help keep the community well maintained.

Have your trees trimmed and pruned on a regular basis to meet the standards set forth in the Deed Restrictions. We also request that you trim off any landscaping that is growing from your property onto community brick walls. Foliage on the brick walls lessens the life span of the walls overtime. The foliage encourages the breakdown of a wall by holding water that causes freeze thaw, with roots and stems that can expand and create cracks, and by the pure weight that can pull a structure over.

When deciding to replace or add a new tree to your property refer to the preferred plant list, which can be found in the Residential Design Standards for Riverstone, for a list of all acceptable ornamental trees and other landscaping. Please refrain from planting banana trees or bamboo, as these are not permitted.

Remember that approval from the Modifications Committee is required prior to any exterior modification being made to your property, including the removal and replacement of trees. ARC applications may be obtained at our onsite office located at The Club at Riverstone or at [www.riverstone.com](http://www.riverstone.com).

Thank you to all who continue to work hard to uphold community standards! It takes the entire community to keep Riverstone looking beautiful!

**Your FirstService management team strives to provide the best possible service. If you have any questions or concerns, please contact us at 713-332-4750, or you can visit us at our new office location at The Club at Riverstone, 18353 University Blvd., Sugar Land, TX 77479. We thank you for your support!**

**PAINT  
& VINO**

It was a gallery of happy Riverstone residents at the recent Paint & Vino night at The Club at Riverstone!

Each of them created a masterpiece of lilies pads with the instruction of a professional painter every step of the way.

*Thank you to all who joined in on the fun!*

**September  
Lifestyle  
Merit Program**

**ARCHERY!**

Kids ages 5-12 had a chance to practice real life Hunger Games skills with Riverstone's Lifestyle Merit Program ARCHERY!

Archery instructors started off the day with a brief safety talk and then the kids had the opportunity to shoot bows and arrows at different targets.

**Fall Kayak  
on the Lake**

Kayaking in your backyard! That's right! Riverstone residents had the opportunity to test a large selection of kayaks and learn from industry experts. This community event was a new and adventurous way for family, friends and neighbors to connect.

Riverstone is proud to be a Johnson Development community.

Other area Johnson Development communities include

Cross Creek Ranch, Edgewater, Fall Creek, Grand Central Park, Harmony, Harvest Green, Imperial, Riverstone, Sienna Plantation, Tuscan Lakes, Willow Creek Farms, and Woodforest.
