HOA Corner

2016 Assessment Explanation

As a prime planned community in Texas, ever since its start, Riverstone has maintained its living spaces and all related natural resources to coexist at its best, of course only by the support of its esteemed residents. We are greatly proud of our Lakes, pool systems, parks and recreational areas and we continue to maintain all the amenities with the funds collected via HOA fees.

We have always tried to be sensitive to raising the assessment rate and make sure that the rate is fair and appropriate for what the community has to maintain. When a new master planned community is in a developing stage it is expected that HOA dues will continue to increase until development of new sections has ceased. As a matter of reference, we have just a little over 4,000 occupied homes to date and we are planned for over 6,000 at full build-out. We have been developing Riverstone since 2000 and we still have another two to three years left depending on market conditions. We continue to add new HOA areas to the overall community on a monthly basis and those maintenance costs continue to rise based on this increased scope.

The HOA Board has proposed the \$40 base fee increase for 2016 based on the following aspects.

1. Right now we have a basic budget of around \$6,500,000 (this excludes the foundation expenses and revenue which is a wash) and this budget is designed to maintain the community at the level that everyone bought into. We need to continue our planning as every resident expects.
2. If we had the ultimate 6,000 homes that are projected for build out and we charged \$1,000 per year per home in assessments that would generate roughly \$6,000,000. That's a \$500,000 shortfall. We need to look into our future and plan for such shortfalls.
3. While many other communities charge for certain facilities to be used by its residents, Riverstone facilities are free and open to our residents.
4. If we do not apply this slight increase, we may end up reducing the level of some of our services that our residents really enjoy.

The Riverstone HOA Board of Directors has agreed to extend the assessment payment deadline to February 29, 2016.

The HOA Budget has been inserted in the Jan 2016 newsletter for our resident's review.

Have You Received Your Assessment Statement?

The annual Riverstone HOA assessments have been mailed to owners. If you have not received your assessment statement, please contact the Association Office at 713-932-1122 to request a statement. The 2016 assessment is \$1015, with additional assessments for gated neighborhoods and/or waterfront homes. Assessment payments are due January 1, 2016, and are considered delinquent after February 29, 2016. A brochure with payment options and instructions was included in your statement, and information is also available online in Riverstone Intranet at www.riverstone.com/memberlogin.com. Please note that payments are not posted to your account by date received, not postmark date. Be sure to pay your assessments on time to avoid interest charges, payment plan fees, and/or late fees.

Fitness Tip of the Month

Stock Up on These!

While there are heaps of good-for-you foods out there, some key ingredients make it a lot easier to meet your weight-loss goals. Next grocery store run, be sure to place some of science's top three diet-friendly items in your cart: balsamic vinegar (it adds a pop of low-cal flavor to veggies and salads), in-shell nuts (their protein and fiber keep you satiated), and fat-free plain yogurt (a creamy, comforting source of protein). Plus, Greek yogurt also works wonders as a natural low-calorie base for dressings and dips—or as a tangier alternative to sour cream.

- 🏸 Court #2 at The Club at Riverstone has been designated as a teaching court. *(Please make note when reserving court #1 that a high traffic flow and an abundance of tennis balls may be possible due to tennis lessons on adjacent court).*
- 🏸 Please keep in mind that rule #11 prohibits the booking of back to back times on the same court.

Did You Know?

A good way to improve your tennis game is by playing matches. Here are my recommendations:

- 1. 50% of your matches play against someone at your skill level. This way you will work hard, be focused, and have a great workout.*
- 2. 25% of your matches play against someone better than you. This is a great way to learn from their experience and learn where you need work.*
- 3. 25% of your matches play against someone not as good as you. This is where you get to work on a specific weakness that you may have. Remember, if you don't like playing against someone who is not as good as you, then you will have a hard time finding players better than you to play with because they will also refuse to play against you.*

December Lifestyle Recap

Let it snow, let it snow, let it snow...in Riverstone!

Riverstone was filled with holiday cheer at this past Winter Wonderland. Kids had a blast sliding down the Snowzilla Jr. giant inflatable, playing in the 60,000 pounds of fresh snow, enjoying the festive music, and most importantly meeting Santa to let him know what's on their list! This Winter Wonderland was definitely the way to kick off your holidays!

Secret Santa to Seniors

The holidays are all about giving back and the people of Riverstone have been a perfect example of this. This Christmas the Riverstone community participated in Fort Bend Seniors Secret Santa to Seniors program providing gifts to seniors in need. As a whole we adopted 60 seniors and provided them with multiple gifts for this holiday season! A big thank you to all who supported this wonderful effort!

Winners of the Holiday Home Decorating Competition

Thank you to all the residents who showed their holiday spirit and decorated their homes for the Holiday Home Decorating Competition! There were many outstanding homes in the neighborhood this holiday season, but we have the three winners.
