NEIGHBORHOOD NEWS

HOA Corner

Parking

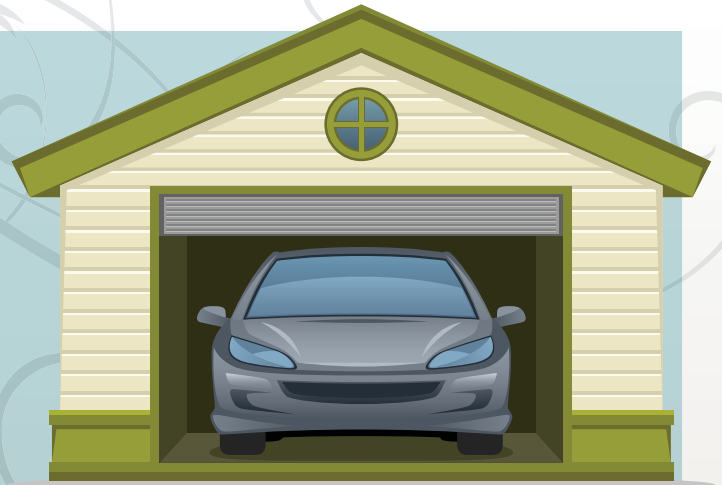

Street and sidewalk parking has become a concern for many Riverstone homeowners. Although the deed restrictions do prohibit street parking, the County allows it. Federal, State, City, and County laws overrule the deed restrictions; therefore the Association is unable to enforce this restriction. If you notice a vehicle that is parked illegally, please contact your local Constable or Sheriff. Furthermore, if you feel that the situation poses as a potential traffic or safety hazard, please contact your local Police Department.

In the event that a car is parked on the sidewalk, residents should be aware that this is illegal and a violation of the deed restrictions. If your car is found as an obstruction on the sidewalk, you could receive a citation from the Constable and a letter from the Association.

We understand that many families may have several vehicles. We do ask, when possible, that you please try to park your cars in your garage and that when additional vehicles are parked on the driveway to pull up far enough to keep from blocking the flow of the sidewalk.

Each person buying into a deed restricted community agrees, by virtue of purchase, to adhere to the deed restrictions. Beyond that, however, the Association would like to encourage everyone to be a good neighbor. Respect for all Riverstone residents is what helps to build community.

Your FirstService management team strives to provide the best possible service. If you have any questions or concerns, please contact us at 713-332-4750, or you can visit our office at The Club at Riverstone, 18353 University Blvd., Sugar Land, TX 77479. We thank you in advance for your support!

IN THE COMMUNITY

Developer Corner

Big Plans for 2016!

Even though Riverstone saw several firsts in 2015, one thing remained constant—our community is again ranked the No. 1 top-selling development in Texas!

Builders sold 609 homes in Riverstone last year, enough to again put the development at the top of the master-planned community list for Texas and to earn Riverstone the No. 5 spot among the nation's best-selling developments.

Even though we've sold more than 4,500 homes since inception—meaning we are 75 percent complete—momentum still continues. Construction started last year on Riverstone's first on-site school, Sullivan Elementary, which will open this August. Plus, in 2015, we opened our first retail center within the Sugar Land ETJ (extra territorial jurisdiction) at the intersection of LJ Parkway and University Boulevard and turned on our first traffic signal. We also marked the 40th anniversary of The Johnson Development Corp.

Looking ahead, 2016 will bring the installation of two more traffic signals along University Boulevard, one at Riverstone Boulevard and the other at Oilfield Road. A second retail center will open along University Boulevard at Winding Waters Lane. We will be constructing a right-turn lane at University Boulevard and Oilfield Road, and LJ Parkway will connect to Commonwealth Boulevard, enhancing mobility throughout Riverstone and the Sugar Land area. Also planned for 2016 is the construction start of Avalon Central Park—stay tuned for details on this new amenity!

Beyond the beautiful homes, exciting amenities and community enhancements, what really sets Riverstone apart is its residents. Thanks to everyone for making Riverstone such a fantastic place to live!

Fitness Tip of the Month

Make Sure Your Workouts Actually Make You Work!

Look for workouts that challenge your body and mind, not workouts where you are comfortable. That does not mean you have to go insanely intense to get results, but make sure you are not just going through the motions with a workout.

Did You Know?

A golden set in tennis is a set which is won without dropping a single point. This means scoring the 24 minimum points required to win a set 6-0, without conceding any points. In professional, top tier tennis, this has been accomplished seven times. In 1910, four time grand slam singles winner Hazel Wightman achieved a golden match by defeating Miss Huiskamp 6-0, 6-0 in which she did not lose a point the entire match.

Volunteer Opportunity

Volunteers needed for Fort Bend Seniors Meals on Wheels: Our meal delivery volunteers usually spend one hour of their time to deliver meals to those who are in dire need of a hot and nutritious lunch. Most volunteers commit to one route a week; however, we are more than flexible to fit within your schedules. Any help is greatly appreciated and we are convinced once you meet the people you are helping, you will fall in love with the gift of giving back.

All volunteers must complete an application, with a background check screening and volunteer orientation. Once orientation is complete, we will schedule you for a ride along with an experienced driver on the route you will be assigned.

Please take a minute to give back to the generation who fought our battles and built our communities. For more information on volunteering, please call 281-633-7051 or visit www.fortbendseniors.org.
