Outdoors Spring Maintenance

Spring has sprung, and the time has come to trade in hot cocoa for iced lemonade and kick off your boots in favor of a pair of sandals. With spring's extra dose of sun comes a new boost of energy, and it is time to shake off the winter blues and get active outdoors again—starting with the exterior of your home.

Pressure Washing—Dirt, mold, mildew, oil, and other contaminants all pose risks and may pose costly, safety, and health issues. Proper washing can protect against the mold intrusion that begins to grow on the shady areas of homes upon weather changes.

Clean Those Gutters—Wearing gloves is recommended to prevent cuts on exposed, jagged metal...and as always, use caution when using a ladder.

Mulching—Mulch stabilizes soil temperature, aids in conserving water, helps prevent weeds, and feeds the soil which makes for healthier plants. To save money and time, use organic or “slow-release fertilizers” for shrubs and/or trees to produce plants with strong root systems and no excessive “top growth”.

Lawn Care—With the summer fast approaching we all know the grass in Texas will flourish. Left unmaintained for more than a week, it can become quite an eye sore. Therefore, we would like to encourage residents to maintain their property on a weekly basis during this time by mowing their lawn, edging their driveways and walkways, and weekend their yard (don't forget about the areas between the concrete slabs).

Your FirstService management team strives to provide the best possible service. If you have any questions or concerns, please contact us at 713.332.4750, or you can visit our office at The Club at Riverstone, 18353 University Blvd., Sugar Land, TX 77479. We thank you in advance for your support!

Fitness Tip of the Month

*Fall in love with
exercise that changes
your mood and life, not
just your body!*

The most harmful misconception about getting into shape is that looking better on the outside is the best part—it's not! Of course getting fit and losing weight are important and huge motivators, but in my experience, mood and energy changes are the most immediate and gratifying part of getting into shape.

Being in shape helps you in every aspect of your life—it helps you sleep better, boosts your energy throughout the day, and puts you in a better mood. *(Endorphins are a beautiful thing).*

MARCH LIFESTYLE RECAP

It was a full house at our latest Paint & Vino event!

Residents uncorked their creativity at The Club at Riverstone as each got to paint their Texas themed canvas. There's always fun when wine, cake and paint are involved. A big thanks to Julie's Cakes for the delicious cake she made for our artistic residents. Thank you to everyone who attended!

Spring Cleaning at its Finest!

It was a great day for Riverstone's semi-annual garage sale last month! More than 80 families had items for sale, which brought out a large crowd of shoppers. There was everything from designer purses and antique furniture to baby clothes and paintings. Free donuts from Southern Maid Donuts in Riverstone sweetened everyone's day and Starbucks coffee kept shoppers energized. Our next Community Garage Sale will take place in the fall. You won't want to miss it. You'll never know what treasures you'll find.
