Home Improvements

The Association would like to send a friendly reminder to submit an ARC application for all exterior modifications, including any replanting of foliage due to the recent freeze. Per the deed restrictions, all exterior modifications require Architectural Review Committee approval prior to any changes being made. Applications can be obtained from the Riverstone Intranet or by visiting the Homeowner's Association on-site office. Additionally, please review the Modification Guidelines (also available on the Intranet) for a wealth of information and guidance involving common ARC requests.

Some common exterior modifications which require ARC approval include, but are not limited to the following: planting or relocating trees, landscape lighting, permanent basketball goals, exterior painting, pergolas, pools, patio expansions and enclosures, outdoor kitchens, property gates, landscape borders, fountains, driveway modifications, storm doors, and solar panels. If you currently have made any exterior modification to your home without ARC approval, an ARC application must be submitted and approved for the existing modification.

Your FirstService management team strives to provide the best possible service. If you have any questions or concerns, please contact us at 713.332.4750, or you can visit our office at The Club at Riverstone, 18353 University Blvd., Sugar Land, TX 77479. We thank you in advance for your support!

Constable Corner

Greetings on behalf of Constable Trever Nehls and the Fort Bend County Precinct 4 Constable's Office. As tax season begins for 2017, I would like to encourage all citizens of Riverstone to be more security conscious and observant in the community. There is much that we can do to lower the chances of becoming a victim of fraud. To reduce the chance of becoming the victim of a scam/identity theft do not give out any personal information and/or money to anyone you do not know and contact law enforcement with any questions or concerns.

Additionally, we would like to remind you about Riverstone's quarterly safety meeting taking place on Wednesday, February 15th, at 6:30pm at The Club at Riverstone. We will have a guest speaker from Fort Bend County Sheriff's Office to give a presentation on fraud, how to prevent becoming a victim, and what to do if you become a victim of fraud.

When observing any suspicious or criminal activities please call the Fort Bend County Sheriff's Office for assistance. For emergencies call 911. For non-emergency situations please call 281.341.4665.

If you have any questions, concerns, or complaints, please feel free to contact Riverstone Sgt. Christina L. Resendez at Christina.Resendez@fortbendcountytx.gov. She will be happy to schedule a personal visit if you desire.

Missouri City Recognizes Volunteer

Missouri City Recognizes Riverstone Resident Volunteer

At their first 2017 meeting on Tuesday, Jan. 3, City Council recognized the finalists for the 2016 MVP Volunteer of the Year Award, including Riverstone resident Dr. Barbara Hayes.

The city said, "Dr. Barbara Hayes, or simply "Dr. Barbara" as we call her, has been an invaluable support to the Development Services Department and the Community Development Block Grant (CDBG) program. Dr. Barbara is participating in the City's volunteer program after working for more than 40 years as a registered pharmacist, professor and dean at Texas Southern University (TSU). Dr. Barbara has performed essential clerical duties such as transcribing, filing, and overall streamlining the massive amounts of paperwork generated through the CDBG program. From day one, Dr. Barbara has looked for and sought after ways to assist Department staff. Dr. Barbara has organized files for all of the grant programs, made address and file labels, stuffed envelopes, sorted through mail, made copies, scanned and recorded documents and assisted in preparing meeting packets for the program's advisory committee."

Thank you for giving back to the local community and all your hard work!

Fitness Tip of the Month— Stock Up on These

While there are heaps of good-for-you foods out there, some key ingredients make it a lot easier to meet your weight-loss goals. Next grocery store run, be sure to place Blake's top three diet-friendly items in your cart: balsamic vinegar (it adds a pop of low-cal flavor to veggies and salads), in-shell nuts (their protein and fiber keep you satiated), and fat-free plain yogurt (a creamy, comforting source of protein). Plus, Greek yogurt also works wonders as a natural low-calorie base for dressings and dips—or as a tangier alternative to sour cream. Talk about a multitasker!
