Home Improvements

Spring is nearly upon us and that usually means nicer weather and spring cleaning. Here are some tips and 'how to's' for sprucing up the exterior of your home and property.

Cleaning the Garage Door

Materials Needed: Pressure Washer, Dish Soap, Multi-Purpose Terry Towels, Bucket, and Water

Now you are ready! Start by putting a little dish soap in the bucket. Using your water hose, fill the bucket with water. Dip the towel in the soapy water and thoroughly wipe down your garage door. After that, use the pressure washer to blast away the soap, dinge, and dirt. Don't forget the trim!

Cleaning the Trash Can(s)

Materials Needed: Dish Soap, Pressure Washer, and Garbage Odor Eliminator

Remove all trash from the can(s). Lay the can(s) on its side. Squirt dish soap in the garbage can. Use the pressure washer to clean and rinse it out. Pour in a garbage odor eliminator and you are finished!

Cleaning Exterior Mold/Mildew

Materials Needed: Pressure Washer, Scrub Brush, White Vinegar, Water, Bucket, and Possibly a Ladder

Pressure washing can be a very good way to clean exterior mold/mildew from your home. Another option is to scrub it by hand by using a durable scrub brush and a 70/30 solution of water and white vinegar. Start from the top and work your way downward. Remember to wear protective rubber gloves when working with vinegar or other solutions, and also take in account the plants below where the solution will be dripping. Just like bleach, vinegar can harm or kill plant life.

Cleaning Out the Gutter

Materials Needed: Water Hose, Garden Gloves, Scooper, and Ladder

First blast water with the hose down the gutter to help you figure out if the spout is clogged or if your gutters are leaky. Once you have verified your gutter is not leaking, you're going to need to get rid of all the leaves, twigs, and other gunk that has made a home in your gutter. Using a scoop may help remove any leaves. If you're doing this by hand, wearing gloves is recommended to help prevent cuts from exposed, jagged metal. Additionally, always use caution when using a ladder!

Help Us to Keep Riverstone Beautiful!

The Association would also like to remind residents not to litter. Please join our efforts to keep Riverstone beautiful and dispose of your trash in the proper waste receptacles.

Fitness Tip of the Month— Rest as Needed

Don't worry about specific rest periods between sets. Instead, rest as you need it—less in your early sets when your muscles are fresh, and more as they become fatigued. You'll cut your workout time between 15 and 20 percent.

Relay for Life of Greater Fort Bend

Relay for Life events are community gatherings where teams and individuals camp out at a school, park, or fairground and take turns walking or running around a track or path. Individuals and teams raise funds and awareness to help the American Cancer Society save more lives from cancer. The event is meant to honor cancer survivors, remember loved ones lost, and fight back against a disease that has already taken too much. The event goes long into the night because cancer never sleeps; therefore, teams are encouraged to have at least one participant on the track at all times.

LIFESTYLE RECAP

Residents cashed in their luck at this year's Casino Night!

Blackjack, craps, poker, roulette and several slot machines filled The Club at Riverstone for the attendee's enjoyment. This exciting evening also featured signature cocktails, delicious hors d'oeuvres, and a stunning ice sculpture that served the cosmopolitans. Let's not forget all the wonderful prizes that residents had a chance to win thanks to our generous builders & local businesses! This adult event was certainly a night to remember!

Unraveling the mystery wasn't as easy as expected at the recent Couples' Murder Mystery Dinner.

Dozens of residents enjoyed an Italian dinner while working through clues to determine who killed our three victims! A lucky few were able to be part of the experience and one resident was even selected as the culprit. Thank you to everyone who attended and we hope to hold another one in 2018!
