HOA Management Moves In-House

After careful review of service level needs, cost-effectiveness and a commitment to ensure Riverstone remains one of the region's premier developments, the Riverstone HOA Board is hiring a dedicated on-site management team. A community manager, **Jaime Villegas**, started in mid-March in preparation for the April 1 transition.

Through this move, the Board believes the HOA will be able to better serve the growing number of members and maintain the high standards and quality of living for which Riverstone is known. Your new team, under the direction of the Board, will strive to provide prompt response to questions, awareness of community issues, attractive landscaping, well-maintained recreational amenities and quality customer service, as well as establish guidelines and regulations to help maintain the high standards and property values of Riverstone.

Jaime and the others are eager to meet residents, so next time at The Club, feel free to say hello!

HOA Staff

Welcome Jaime Villegas New Riverstone HOA Community Manager

Riverstone is bringing in its own HOA management team, and leading that effort is a seasoned residential management professional, Jaime Villegas.

Not only is Jaime familiar with the ins and outs of HOA management, but he is also well versed in what it takes to manage a Johnson Development community after spending 10 years at sister development Sienna Plantation. He is bringing that knowledge—coupled with another 10 years of related experience—to his new role of community manager of the Riverstone Homeowners Association.

A main priority will be delivering top-of-the-line customer service to the residents of Riverstone.

Jaime, who started in mid-March, will have a team of people assisting him. They all will office at The Club at Riverstone, 18353 University Boulevard, and be available to answer questions Monday through Friday, 9:00am-5:00pm, 7:00pm on Wednesday.

And when not in the office, Jaime can most often be found on the field or at the ballpark with his wife and sons, ages 7 and 10. If you haven't already, stop by and introduce yourself!

- 🚶 Spring junior program will begin on January 2nd and end on May 27th.
- 🚶 Session 4 runs from April 3rd–April 29th.

Drop-In Drills

Tennis Court Reminders

- 🚶 Remember, only authorized personnel are allowed to teach at both University Blvd and Riverstone Blvd tennis courts.
- 🚶 Court #2 at The Club at Riverstone has been designated as a teaching court. *(Please make note when reserving court #1 that a high traffic flow and an abundance of tennis balls may be possible due to tennis lessons on adjacent court).*
- 🚶 Please keep in mind that rule #11 prohibits the booking of back to back times on the same court.

Tennis Court Etiquette

- 🚶 Talk quietly when standing near tennis courts that are in use so as not to disrupt players on adjacent courts.
- 🚶 Never walk behind a court when a point is still in play. Wait until the point is over and then cross as fast as possible to get to your own court.
- 🚶 When sending balls back to a neighboring court, roll them on to the back of the court. Never send them back while play is in progress. Also, if one of your balls rolls into an adjacent court, don't run after it, just wait for your neighboring court to return the ball when it's convenient.

Fidos and their humans walked for the cause and then enjoyed a pooch party featuring a performance by the Houston Disc Dogs. See you next year as we take another bite out of cancer!
