## HOA Corner

### *HOA Annual Meeting*

Due to the recent management transition with the Riverstone Homeowners Association, the annual meeting has been rescheduled to a later date. Proper notification will be provided once the date is confirmed.

### *HOA Introductions*

#### **Meet Felecia Alexander, Your New HOA Finance Supervisor**

Crunching the numbers for the HOA team is the responsibility of your new Finance Supervisor, *Felecia Alexander*.

Felecia's responsibilities include planning and directing all financial activities for the Riverstone HOA, the Riverstone Community Service Foundation and Riverstone POA. She brings a wealth of experience to her position—17 years in fact—including experience in fund accounting and financial reporting to board members, as well as financial analysis, accounting, government compliance, project management, auditing, customer service and business operations. She joined us on April 3 and is pleased with the new team.

"I enjoy the commitment that the new staff and the existing community events team has to the improvement and preservation of the Riverstone community," she said.

Outside the office, you will find Felecia cheering on her beloved Dallas Cowboys or planning exciting vacations. She also enjoys spending time with friends and relaxing with her husband and three sons, ages 17, 19 and 20.

#### **Introducing Kayla Barton, Your New Community Relations Coordinator**

As Riverstone pulls its new HOA management team together, you will see a lot of smiling new faces. One of the biggest belongs to your new Community Relations Coordinator, Kayla Barton.

Kayla joins us from our sister community Sienna Plantation, where she has been keeping residents happy by anticipating and resolving their concerns for the past two years. She is eager to bring her skills to Riverstone.

"I am very excited to be part of the new Riverstone HOA team, whose common vision is to provide the residents of Riverstone with exceptional service," she said. "My goal is to make sure that residents are being provided with timely, accurate, easily-accessible information pertaining to the Riverstone HOA projects, amenities and other association-related concerns such as community standards expectations."

Kayla's duties will include coordinating HOA resident communications and overseeing a new, soon-to-be-unveiled, interactive resident website.

When she's not in the office, you will find her dancing with the Collective Sound Cloggers or just hanging out with husband, Mark, and their two children, Alli and Trevor.

If you haven't already, stop by the HOA office at The Club at Riverstone, 18353 University Boulevard, to say hello to Kayla and Felecia. They will be available to answer questions Monday through Friday, 9:00am-5:00pm, except Wednesdays where the office is open until 7:00pm.

# IN THE COMMUNITY

## Constable Corner

*Greetings on behalf of Constable Trever Nehls and the Fort Bend County Precinct 4 Constable's Office.* We want you to be aware that summer time temperatures are here with the daily average reaching in the 80's and 90's. In the first responder world, one call we fear the most is responding to the call of a child or pet left in a vehicle unattended. Although accidents do happen, the results can be catastrophic for everyone involved, from the family, to the first responders and the community. When the temperature outside is 80 to 90 degrees the temperature inside the vehicle can reach 115-120 degrees in twenty minutes and as high as 130 degrees within an hour. If you see a child or pet in a car unattended call 911, find help immediately and ask someone to notify the surrounding businesses.

Below we have added three links you're welcome to follow but please understand the content may not be suitable for some viewers. Two videos contain an interview from the parents of a child whom they've lost through such an event and the third although it seems real is portrayed by actors and "yes" even the child.

When observing any suspicious or criminal activities please call the Fort Bend County Sheriff's Office for assistance. For emergencies call 911. For non-emergency situations please call 281.341.4665.

If you have any questions, concerns, or complaints, please feel free to contact Riverstone Sgt. Christina L. Resendez at [Christina.Resendez@fortbendcountytx.gov](mailto:Christina.Resendez@fortbendcountytx.gov). She will be happy to schedule a personal visit if you desire.

## Fitness Tip of the Month— Strengthen Your Core

Don't be afraid of sit-ups. We've changed our tune on these, and here's why: Sit-ups increase your range of motion, which makes your abdominals work harder and longer. (Doing crunches on a Swiss ball or with a rolled-up towel under your lower back has a similar effect.) Just avoid sit-ups with anchored feet, which can hurt your lower back.

## Tennis Court Etiquette

- 👤 Talk quietly when standing near tennis courts that are in use so as not to disrupt players on adjacent courts.
- 👤 Never walk behind a court when a point is still in play. Wait until the point is over and then cross as fast as possible to get to your own court.
- 👤 When sending balls back to a neighboring court, roll them on to the back of the court. Never send them back while play is in progress. Also, if one of your balls rolls into an adjacent court, don't run after it, just wait for your neighboring court to return the ball when it's convenient.

## Tennis Court Reminders

- 👤 Remember, only authorized personnel are allowed to teach at both University Blvd and Riverstone Blvd tennis courts.
- 👤 Court #2 at The Club at Riverstone has been designated as a teaching court. *(Please make note when reserving court #1 that a high traffic flow and an abundance of tennis balls may be possible due to tennis lessons on adjacent court).*
- 👤 Please keep in mind that rule #11 prohibits the booking of back to back times on the same court.

**Did You Know?** *The French Open tennis tournament begins on Monday, May 22nd. The French Open also known as Roland Garros was named after a French aviator and fighter pilot during World War I. The French Open is the second leg of the four major tournaments known as the Grand Slam, it's the only major played on a clay tennis court.*

## Fairy Godmother Project Drive

*Prom and graduation are two high school traditions that students participate in before entering college or the real world. Unfortunately, some students don't have the means to purchase a dress or tux for these special occasions. Help make a high school student be the belle or prince charming of their prom, graduation or homecoming!*

The Fairy Godmother Project of Houston was founded in 2000 by Ellen Chang, a Houston resident. During the past decade, the non-profit organization has provided attire to thousands of students for free at over a dozen shopping days hosted by local businesses and schools with the assistance of local volunteers and donors throughout the community.

The items most needed include:

- Gently-Used, Dry-Cleaned, Formal and Casual Dresses.
- Suits and Tuxes
- Men's Dress Shirts & Pants
- Dress Shoes
- Evening Purses
- Hair accessories (tiaras, hair extensions or bejeweled hair pins)

Please contact Solomon Delaney, Assistant Lifestyle Director, at [theclub@riverstone.com](mailto:theclub@riverstone.com) with any questions regarding the drive.
