## HOA Corner

### ***Introducing Julie Kveton, Your New Operations Supervisor***

The HOA office is bursting with new faces, all ready to answer questions and meet your needs. This month, we'd like to introduce you to our operations team, headed up by operations supervisor Julie Kveton.

Julie brings 20 years of HOA-industry experience to Riverstone. She honed her skills at Sugar Land master-planned community New Territory, starting out at the 18,000-square-foot amenity center, The Club, and working her way up the ladder to become the community's parks and facilities manager.

She took up her position at Riverstone May 8 and is already looking forward to working with the residents.

"Riverstone is an amazing community and everyone is so nice," she said. "I'm hoping to achieve a more open line of communication between the residents and the HOA office."

The Needville, Texas native enjoys spending time outdoors fishing, going to the beach and showing animals at local fairs with her two children, Mason, 18, and Malorie, 10.

### ***Meet Taren Milazzo, Your New Access Control Coordinator***

Making sure the gates and controls are in proper working condition is the job of Taren Milazzo, who joined us April 10.

Taren will be making the necessary decisions when it comes to repairs and replacement of the gate equipment and will keep you updated if repairs need to be made. He's excited about working for an HOA for the first time.

"I love the people I work with, they are very caring and helpful," he said. "I want every resident to know that I care a lot about what I do and that their issues will always be my first priority."

Previously, Taren worked with security and fire systems as a technician with Design Security Controls in Houston. Before that he served four years with the U.S. Army. Today, he enjoys the company of his wife, Megan, and their two sons, ages two and four. When he isn't hunting or fishing, you will find him on the golf course.

***If you haven't already, stop by the HOA office at The Club at Riverstone, 18353 University Boulevard, to say hello to Julie and Taren. They will be available to answer questions Monday through Friday, 9:00am-5:00pm.***

## Fitness Tip of the Month— Repair Muscles Faster

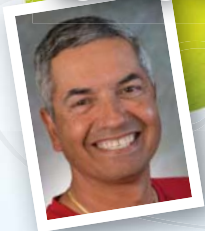

Recover faster from a hard workout by lightly exercising the same muscles the following day. Use a light weight—about 20 percent of the weight you can lift one time—and do two sets of 25 repetitions. This will deliver more blood and nutrients into your muscles so they repair faster.

- Cost is \$68 for four lessons.
- Summer junior tennis program will begin on June 5th and end on August 19th.
- Session 2 runs from July 3rd–July 29th.

## Tennis Court Etiquette

- Talk quietly when standing near tennis courts that are in use so as not to disrupt players on adjacent courts.
- Never walk behind a court when a point is still in play. Wait until the point is over and then cross as fast as possible to get to your own court.
- When sending balls back to a neighboring court, roll them on to the back of the court. Never send them back while play is in progress. Also, if one of your balls rolls into an adjacent court, don't run after it, just wait for your neighboring court to return the ball when it's convenient.

## Tennis Court Reminders

- Remember, only authorized personnel are allowed to teach at both University Blvd and Riverstone Blvd tennis courts.
- Court #2 at The Club at Riverstone has been designated as a teaching court. *(Please make note when reserving court #1 that a high traffic flow and an abundance of tennis balls may be possible due to tennis lessons on adjacent court).*
- Please keep in mind that rule #11 prohibits the booking of back to back times on the same court.
- Courts #7 & 8 at The Club at Riverstone will be used for summer tennis camp Monday–Friday from 9am until 12pm during the summer months.

# LIFESTYLE RECAP

## *Mother's Day started early for some residents at Riverstone!*

Joining together, mothers and their children bonded over a morning of painting and snacks. While mothers painted the mamma owl, the kids painted little owlets which together created a larger masterpiece. This function was a perfect opportunity to create memories between moms and their little ones.

## *The Father's Day Top Golf Trip was once again a big HIT!*

Families joined for an evening of entertainment playing golf and indulging on a fajita buffet. All had a great time trying to swing the elusive hole in one and celebrating dad. This night will be remembered for years to come.
