Reminder...

Please remove all decorations by January 24th.

After this date, letters will go out for deed violations.

Thank You!

LUKE—Your Community Assistant

The Riverstone HOA is excited to announce a new tool that residents can use to report maintenance issues in real time. LUKE is a free app that can be installed by residents on either their Android or Apple mobile devices, and once installed can be used immediately. The app provides a mechanism whereby residents can report a maintenance issue and then follow the resolution process (if they so choose). When a maintenance issue within Riverstone is reported via LUKE that information is sent directly to the HOA Operations Team. Representatives from that department will respond directly to the resident and move forward on a resolution. LUKE also allows residents to see other “activity” around the same geographical location to see if the issue has been previously reported. LUKE is yet another tool for residents (in addition to telephone calls and emails) to communicate directly with the Association staff on community concerns.

Residents can find LUKE in either the Apple App Store or through the Android Playstore. Residents should search for LUKE or LUKE LJA to find the app (the correct app has an emoji with a hard hat). When logging into LUKE for the first time residents will have to set up their own account information. LUKE is designed to report community maintenance or landscape issues; i.e., decorative light outages, landscaping that may need replacing or has been damaged, irrigation issues, etc.

Apply Before You Modify

Did Santa bring a new basketball goal or outdoor playset? Or are you wanting to make an addition to your house or build a new shed or fence in your back yard? Before you break out the miter saw, make sure to get your plans approved by Riverstone Homeowner Association's Architectural Review Committee.

While it may seem arbitrary from an individual homeowner's standpoint, the Architectural Review Committee (ARC) looks out for the entire community. Aside from stopping residents from painting pink polka dots on their houses, the committee's job is to make sure that the size and style of the project, the type of building materials being used, and the overall look of the new structure adhere to the Association's design requirements. Not only does this keep the community looking cohesive, it also helps to keep property values up by preventing individual structures from standing out. It's also important to note that unapproved modifications might legally have to be removed at the owner's expense; so save yourself money and headaches by getting approval first!

Modification application forms can be found online at www.rshoa.org > Community Standards and should be submitted to the HOA office. Any questions can be directed to Nancy Arteaga, Community Standards Coordinator, at nancya@rshoa.org or by calling 281.778.2222. Please note all modifications must go through the approval process and that Association staff will NOT give verbal approval of any modifications.

We appreciate all the hard work residents put in to make their homes and this community beautiful—help us keep this Association looking great by keeping us in the loop of all your building projects.

Have You Checked Riverstone HOA's New Website

In an effort to help all residents stay connected and informed with Association matters, Riverstone HOA launched www.rshoa.org late last year. Residents can access governing documents and guidelines, view annual assessment information, print application forms for modifications, gate changes, and amenity cards, view meeting agendas and minutes, and so much more! This site is still a work in progress, so new information will continue to be added.

IN THE COMMUNITY

Constable Corner

Happy New Year!

On behalf of Constable Trever Nehls and the Fort Bend County Precinct 4 Constable's Office we would like to extend an exciting and safe return back from the holidays to all citizens of the Riverstone Community. As your contract Riverstone deputies, it is our duty and responsibility to provide you information so that you and your families have a great start into the new year.

Things to remember as we get back into our routines:

- Keep your valuables out of plain view in your vehicles.
- Lock your doors vehicle/home.
- Do not leave valuables unattended outside or in an open garage.

When observing any suspicious or criminal activities please call the Fort Bend County Sheriff's Office for assistance. For emergencies call 911. For non-emergency situations please call 281.341.4665.

If I can be of service or answer any questions, please contact me, Riverstone Sgt. Christina L. Resendez, at christina.resendez@fortbendcountytx.gov

Happy New Year from your contract deputies, Sgt. Christina Resendez, Deputies Eric Buenaventura, Ronald DeJohn, Shawn Stillabower, and Long Nguyen!

Landscape Enhancements

At the November Board meeting, the Board approved funding to begin landscape enhancements throughout the community. As a result, you should begin noticing some major improvements community wide. Please keep in mind that with a project this size, all of the improvements will not happen overnight. It will take some time, but we are dedicated to improving the overall aesthetics of the landscaping at neighborhood entrances, along major thoroughfares, and in other common areas.

If everything continues as planned, the majority of the areas will be completed by spring.

When you do reverse crunches and hanging knee raises, round your back by rolling your hips, and pelvis toward your chest, instead of simply raising your legs. Otherwise, you're mainly working your hip flexors—the muscles at the top of your thighs.

Tennis Court Etiquette

- Talk quietly when standing near tennis courts that are in use so as not to disrupt players on adjacent courts.
- Never walk behind a court when a point is still in play. Wait until the point is over and then cross as fast as possible to get to your own court.
- When sending balls back to a neighboring court, roll them on to the back of the court. Never send them back while play is in progress. Also, if one of your balls rolls into an adjacent court, don't run after it, just wait for your neighboring court to return the ball when it's convenient.

Tennis Court Reminders

- Riverstone's Tennis rules and regulations rule #11 prohibits the booking of back to back times on the same court. Second booking will be unreserved by the system administrator.
- Court #6 at The Club at Riverstone and court #1 at Riverstone Blvd are designated as walk on courts.
- Only authorized professionals are allowed to teach at both Riverstone's locations.

This event is a part of the Lifestyle Merit Program (Explorer) and is only open for those registered participants.
