LUKE— YOUR COMMUNITY ASSISTANT

LUKE is a free app that can be installed by residents on either their Android or Apple mobile devices. This resident reporting tool allows you to directly submit maintenance issues such as irrigation, damaged common areas, streetlights that are out, etc. to the HOA Operations Team and then follow the resolution process (if you desire). The Riverstone HOA is happy to provide yet another tool for residents (in addition to telephone calls and emails) to communicate directly with the Association staff on community concerns. Download LUKE today on your mobile phone to get started! (www.getluke311.com)

HAVE YOU CHECKED OUT RIVERSTONE HOA'S WEBSITE?

To help all residents stay connected and informed with Association matters, the Riverstone HOA launched www.rshoa.org late last year. Residents can access governing documents and guidelines, view annual assessment information, print application forms for modifications, gate changes, and amenity cards, view meeting agendas and minutes, and so much more! This site is still a work in progress, so new information will continue to be added as the year progresses.

HOA CORNER

Meet David Ippoliti

Our Busy Community Standards Coordinator

David Ippoliti is a busy man. As our new Community Standards Coordinator, it's his job to work with the other members of our Community Standards team to help residents navigate the Riverstone HOA guidelines, as well as monitor our neighborhoods and commercial drives.

It's a big job because we are a big, beautiful community, but David is more than quali-

fied having served as the community relations director for Nissan Motors. He just joined us in April, but already he is hitting the ground running.

"My experience working with the public on a daily basis will be very helpful," he said. "I'm here to assist the residents with their needs as it relates to their property."

David has been married for 24 years and is the proud father of two boys. One works for the state of Montana and the other is currently attending Sam Houston State University.

Make sure to give David a warm, Riverstone welcome the next time you stop by the HOA office at The Club at Riverstone!

Welcome Miguel Castro

Our Go-to Guy for Maintenance

We're lucky to have such a great maintenance team working to keep Riverstone beautiful, and Miguel Castro is an integral part of it.

Miguel has been with us since October, so you may have seen him around making sure our playgrounds and common areas are picture perfect. He has a lot of experience maintaining properties in tip-top condition because he worked across

the street at Sienna Plantation for 14 years. Miguel says he enjoys his job day in and day out.

"Everyone makes me feel welcome," he said. "The HOA and residents always treat me well. I look forward to helping keep this property looking good for years to come."

When he isn't taking care of the Riverstone family, he is taking care of his own. He has a wife, Maria, and a 12-year-old son, Gabriel, who loves to play basketball. Miguel is more of a soccer guy himself, he says. His other passion is food, including the fajitas his wife makes.

Say "Hi" to Miguel the next time you see him and let him know how much you appreciate his dedication to Riverstone!

YCFC in Riverstone: Foundation Committee Grants

As detailed in last month's newsletter, Foundation Committee funds exist to invest in the future of Riverstone. Funds are used to supplement and complement the functions of the Association and to enhance services and resources to the community through the sponsorship of programs, activities, and events.

Grant guidelines and applications are available online at www.rshoa.org > Foundation.

(Please note that the Association will not incur debt to subsidize grants, and not all submitted applications will be approved.)

NEIGHBORHOOD NEWS

Deed Restriction Reminders

The Community Standards Department would like to remind residents to be cognizant of the exterior appearance of homes. Currently, the three most common deed restriction violations are:

Lawn Care—During the growing season, it may be necessary to mow, edge, and weed landscape beds more often (preferably weekly).

Trash Cans—Store cans out of view on non-trash days.

Tree Maintenance/Stakes—Trim trees that hang over sidewalks and roads. Remove tree stakes if older than 1 year. (Tree stakes hinder root and trunk growth and can be detrimental to the long-term health of the tree.)

Questions? Email communitystandards@rshoa.org or call 281.778.2222 and ask to speak to a member of the Community Standards team.

Street Parking Policy

To help keep streets clear and allow for the unobstructed flow of traffic, the Association's Board of Directors has adopted parking rules and regulations. The policy may viewed in its entirety by visiting the HOA website at www.rshoa.org > Resource Center > RSHOA Policies & Guidelines > Parking Rules and Regulations. Some highlights include:

Non-Gated Neighborhoods

- Registered, operational, non-commercial vehicles may not be parked in the street for more than seven (7) consecutive days. *It is NOT the intent of this provision to permit the regular use of streets as parking areas, and the Association will have the sole discretion in determining whether a vehicle violates the provision.
- Parked vehicles may not obstruct sidewalks or be parked on a curb or grassy area.
 - Parked vehicles may not adversely affect ingress/egress from a driveway on a daily basis.
 - Commercial vehicles may be parked temporarily for the purpose of providing a service, making a delivery, or picking up materials, but only for the time necessary for such purpose.
 - Recreational vehicles (ex. campers, golf carts, boats, etc.) may not be stored on residential lots for more than forty-eight (48) hours unless written request is received and approved by the HOA. Recreational vehicles may be stored on residential lots for longer periods provided they are completely concealed from public view inside a garage or enclosure approved by the HOA.

Gated Neighborhoods

- Parking on roads and alleyways owned by the HOA is prohibited. Vehicles left on HOA property for more than 24 hours may be towed at owner's expense with no prior notice.
- Additional parking restrictions may be set forth in a neighborhood's supplemental declarations.

July 30th–August 3rd | Junkyard Battle Royale | 9:00am–12:00pm | Ages 6+

Now is the time to explore and battle in uncharted territory. In this class, battle-bots evaluate the potential of a rough and dangerous area before moving in permanently. Experts need you to build a variety of very unique robots with an awesome skillset, capable of driving over any junk or obstacle and overcoming any unfamiliar elements or elevation changes in this treacherous junkyard. Use gears, structural integrity, and IR Technology to overcome the unknown. Can your robot not only survive, but thrive in the junkyard?

July 30th–August 3rd | Reverse Engineering I: Forward Thinking | 1:00pm–4:00pm | Ages 6+

Because life doesn't always come with an instruction book, neither will your robots. Do you really need instructions to recreate, duplicate, or make a working model better? What's the big picture? How do all these pieces make it happen? Teams must draw from their deeper understanding of how Legos work together to make a complete enhanced robot. Build to recreate the robots shown...aim to upgrade and improve designs! Let's go forward in thinking by building in reverse.

Tennis Court Etiquette

- 🚶 Talk quietly when standing near tennis courts that are in use so as not to disrupt players on adjacent courts.
- 🚶 Never walk behind a court when a point is still in play. Wait until the point is over and then cross as fast as possible to get to your own court.
- 🚶 When sending balls back to a neighboring court, roll them on to the back of the court. Never send them back while play is in progress. Also, if one of your balls rolls into an adjacent court, don't run after it, just wait for your neighboring court to return the ball when it's convenient.

Tennis Court Reminders

- 🚶 Riverstone's Tennis rules and regulations rule #11 prohibits the booking of back to back times on the same court. Second booking will be unreserved by the system administrator.
- 🚶 Court #6 at The Club at Riverstone and court #1 at Riverstone Blvd are designated as walk on courts.
- 🚶 Only authorized professionals are allowed to teach at both Riverstone's locations.

Did You Know?

According to a Concordia University study, tennis outperforms all other sports in developing positive personality characteristics; thus helping to improve your social skills.

BLAST FROM THE PAST

Shinning the Light on Bark for Life

The heat didn't hold humans and their furry friends from attending this Bark-tastic event! The morning began with a short walk with our canine partners around the lake located behind The Club at Riverstone. Following the walk we had a special performance by the Houston Disc Dogs as they amazed the crowd with high flying jumps and tightrope walks. In addition to these awesome activities we had a friendly peanut butter licking competition between all the dogs. The event was filled with fun, laughter, and plenty of barks!
