This resident reporting tool allows you to directly submit maintenance issues such as irrigation, damaged common areas, streetlights that are out, etc. to the HOA Operations Team and then follow the resolution process (if you desire). The Riverstone HOA is happy to provide yet another tool for residents (in addition to telephone calls and emails) to communicate directly with the Association staff on community concerns. Download LUKE today on your mobile phone to get started! (www.getluke311.com)

HAVE YOU CHECKED OUT RIVERSTONE HOA'S WEBSITE?

Residents can access governing documents and guidelines, view annual assessment information, print application forms for modifications, gate changes, and amenity cards, view meeting agendas and minutes, and so much more! This site is still a work in progress, so new information will continue to be added as the year progresses.

NEIGHBORHOOD NEWS

Riverstone LOAM CSA

**Get Farm Fresh Vegetables
Delivered Each Week**

Residents have the ability to have a box of locally sourced, sustainably grown produce delivered to them for pick up right at The Club at Riverstone. We have partnered with LOAM Agronomics to bring you fresh food from their 288-acre farm located here in Fort Bend.

This is accomplished through the Community Supported Agriculture (CSA) program.

A CSA Membership offers many advantages to you and to the community. Eating locally supports community farmers and provides members with produce grown without harmful pesticides. Best of all, fruits and vegetables don't spend days being transported by trucks. All produce can be on your dinner table within 48 hours of harvest.

You can choose the membership or "share" in the LOAM Agronomics' CSA that works best for you. Each week costs \$30, with recurring weekly payments. Boxes can be picked up at The Club at Riverstone every Wednesday from 3:00pm to 7:00pm. Each box contains 8-10 seasonal varieties of nutritious, delicious produce. You will also receive a members-only newsletter telling you what's in your box, current events at the farm, storage techniques, recipes curated by local chefs and invites to member events on the farm.

If you are going out of town on vacation or can not pick up your box, you can simply login to your account and put your share on hold. It is very flexible and user friendly. Why register? Not only are you providing your family with a nutrient rich, delicious box of produce, but you are also supporting the growing local food movement in our region. Plus, you'll receive the convenience of having the farm share delivered right here to Riverstone!

For more information and to get started with your first box, please visit loamagnomics.com.

- 🏸 Never walk behind a court when a point is still in play. Wait until the point is over and then cross as fast as possible to get to your own court.
- 🏸 When sending balls back to a neighboring court, roll them on to the back of the court. Never send them back while play is in progress. Also, if one of your balls rolls into an adjacent court, don't run after it, just wait for your neighboring court to return the ball when it's convenient.
- 🏸 When reserving courts please be considerate to other residents by cancelling reservation when you know that you will not be using it.

BLAST FROM THE PAST

Thousands of residents had a blast during our annual Red, White & Boom!

Hundreds of families filled the park with blankets and lawn chairs as they enjoyed The Vegas Stars rock the night away and waited for the firework spectacular to begin. This exciting evening also featured some delicious food and drink selections, including gourmet burgers & Deep Eddy's Vodka, several inflatables, and talented face painters. The night ended with an incredible fireworks display choreographed to modern tunes!

Thank you again to all the sponsors who helped make this event possible! These include First Colony Montessori School, Hubert's Lemonade, Deep Eddy Vodka, Austin Eastciders, and Edward Jones.
