LUKE— YOUR COMMUNITY ASSISTANT

LUKE is a free app that can be installed by residents on either their Android or Apple mobile devices. This resident reporting tool allows you to directly submit maintenance issues such as irrigation, damaged common areas, etc. to the HOA Operations Team and then follow the resolution process (if you desire). The Riverstone HOA is happy to provide yet another tool for residents (in addition to telephone calls and emails) to communicate directly with the Association staff on community concerns. Download LUKE today on your mobile phone to get started! (www.getluke311.com)

HAVE YOU CHECKED OUT RIVERSTONE HOA'S WEBSITE?

To help all residents stay connected and informed with Association matters, the Riverstone HOA launched www.rshoa.org late last year. Residents can access governing documents and guidelines, view annual assessment information, print application forms for modifications, gate changes, and amenity cards, view meeting agendas and minutes, and so much more! This site is still a work in progress, so new information will continue to be added as the year progresses.

NEIGHBORHOOD NEWS

New Faces

Meet Shanelle Channell, Newest Member of the Lifestyle Team!

There's a new face with the lifestyle team at Riverstone, Shanelle Channell. Shanelle is a Fort Bend native, living for many years in sister community Sienna Plantation before heading to college at the University of Texas at San Antonio. She has a passion for event planning, whether it be for friends, family or now, Riverstone residents. She realized that she could turn her hobby into a career after college graduation when she went to work as a manager of special events for Minor League Baseball. It was, needless to say, a homerun for her.

Shanelle will be transitioning into the role of Director of Fun. But Nick Deacon will be right there by her side and won't be going very far afterward. Nick and Shanelle

will be collaborating on events and other lifestyle programming for several months before Shanelle takes over and Nick becomes the Area Director for NFC Amenity, overseeing several communities—including Riverstone.

So feel free to introduce yourself to Shanelle during the

next event or stop by The Club at Riverstone to say hello. And make sure to ask Shanelle about her recent getaway to Cabo San Lucas—it was a life-changing trip! (*Hint: She's counting how long she's been married by number of weeks.*) And tell Nick congratulations next time you see him on a job well done and on his promotion.

Welcome Krystal Onuorji, Your New Community Relations Supervisor

You know that Riverstone is a great place to live, but sometimes you have questions. When that happens, we have someone ready and willing to listen, Krystal Onuorji, our new community relations supervisor.

Krystal joined us last month, and you already may have visited her at the HOA office. It's her job to keep you well informed and to talk through any issues or concerns you might have. Her goal is to ensure that we continuously improve our services here at Riverstone.

"I am here to help improve the lines of communication," Krystal said. "I want residents to feel comfortable in expressing their concerns, and I want to be able to resolve them efficiently. I also want to ensure that we are being proactive when it comes down to notifying them of events and unexpected incidents that do occur. I am here to help serve

them to the best of my abilities!"

She has a lot of experience doing just that, having worked for another HOA portfolio management firm. She's also worked in real estate, where listening to what clients need was a big part of her job.

When she isn't in the HOA office, she can be found working out and making smoothies. Health and fitness activities are definitely

what she enjoys, but that doesn't stop her from trying out all kinds of new restaurants.

Krystal is excited to be part of our team-oriented HOA crew and to get to know you better. If you haven't talked to her already, stop by the HOA office at The Club at Riverstone to say hello and welcome her to our family.

HOA CORNER

Architectural Review Committee (ARC) Modification Rush Fee

Due to the high number of modification requests from residents to have their ARC application expedited for review, the ARC Committee and Riverstone HOA Board have approved a new rush fee for ARC modification applications.

Residents who would like to have an application reviewed within a 5-business day time frame will be able to pay a \$75.00 fee to have the application rushed. Applications that are submitted for a rush review must be complete with all necessary/required information before the application can be reviewed.

This fee does not give an automatic approval, only the ability to have the application reviewed by the ARC Committee before the next regularly scheduled meeting.

This new option will be available for residents beginning Monday, September 10th!

Questions? Email communitystandards@rshoa.org or call 281.778.2222 and ask to speak to a member of the Community Standards Team.

IN THE COMMUNITY

Constable Corner

On behalf of Constable Trever Nehls, the Fort Bend County Precinct 4 Constable's Office would like to encourage you to be proactive in crime prevention. Here are some outdoor security tips below to help keep your home from becoming a target of a crime.

Outdoor Security Tips:

- **Shrubs and Bushes**—keep them trimmed so there is no place for someone to hide.
- **Dark and Vulnerable Areas**—walk around your house at night to look for dark or vulnerable spots to be addressed that a prowler could hide in.
- **Outdoor Lighting**—turn on lights in the evening, whether someone is home or not. Another alternative is motion or timed lighting.
- **House Numbers**—make sure your house numbers are clearly displayed so that police and other emergency vehicles can find your house quickly.

When observing any suspicious or criminal activities please call the Fort Bend County Sheriff's Office for assistance. For emergencies call 911. For non-emergency situations please call 281.341.4665.

If I can be of service or answer any questions, please contact me, Riverstone Sgt. Christina L. Resendez, at christina.resendez@fortbendcountytx.gov.

Riverstone LOAM CSA

Get Farm Fresh Vegetables Delivered Each Week

Residents have the ability to have a box of locally sourced, sustainably grown produce delivered to them for pick up right at The Club at Riverstone. We have partnered with LOAM Agronomics to bring you fresh food from their 288-acre farm located here in Fort Bend. This is accomplished through the Community Supported Agriculture (CSA) program.

A CSA Membership offers many advantages to you and to the community. Eating locally supports community farmers and provides members with produce grown without harmful pesticides. Best of all, fruits and vegetables don't spend days being transported by trucks. All produce can be on your dinner table within 48 hours of harvest.

You can choose the membership or "share" in the LOAM Agronomics' CSA that works best for you. Each week costs \$30, with recurring weekly payments. Boxes can be picked up at The Club at Riverstone every Wednesday from 3:00pm to 7:00pm. Each box contains 8-10 seasonal varieties of nutritious, delicious produce. You will also receive a members-only newsletter telling you what's in your box, current events at the farm, storage techniques, recipes curated by local chefs and invites to member events on the farm.

If you are going out of town on vacation or can not pick up your box, you can simply login to your account and put your share on hold. It is very flexible and user friendly. Why register? Not only are you providing your family with a nutrient rich, delicious box of produce, but you are also supporting the growing local food movement in our region. Plus, you'll receive the convenience of having the farm share delivered right here to Riverstone!

For more information and to get started with your first box, please visit loamagronomics.com or visit them at the LOAM CSA "How To" Class on September 6th.

Tennis Court Reminders

- 🎾 Riverstone's Tennis rules and regulations rule #11 prohibits the booking of back to back times on the same court. Second booking will be unreserved by the system administrator.
- 🎾 Court #6 at The Club at Riverstone and court #1 at Riverstone Blvd are designated as walk on courts.
- 🎾 Only authorized professionals are allowed to teach at both Riverstone's locations.

Tennis Court Etiquette

- 🎾 Talk quietly when standing near tennis courts that are in use so as not to disrupt players on adjacent courts.
- 🎾 Never walk behind a court when a point is still in play. Wait until the point is over and then cross as fast as possible to get to your own court.
- 🎾 When sending balls back to a neighboring court, roll them on to the back of the court. Never send them back while play is in progress. Also, if one of your balls rolls into an adjacent court, don't run after it, just wait for your neighboring court to return the ball when it's convenient.
- 🎾 When reserving courts please be considerate to other residents by cancelling reservation when you know that you will not be using it.

Did You Know?

Researchers at Oxford University have concluded that tennis is the most useful sport for human health. According to scientists, playing tennis regularly reduces the risk of premature death in older people by up to 47%, while, for example, swimming reaches up to 28% and riding 15%.

Fishing was an essential source of food in prehistory and became a commercial activity in Antiquity. Deep-sea fishing first emerged in the 15th century, but really took off with the arrival of steam boats in the 19th century. Recreational fishing, reserved for the wealthy classes in the 18th century, became more accessible as technological advances enabled better equipment to be produced at a lower cost.
