## LUKE— YOUR COMMUNITY ASSISTANT

LUKE is a free app that can be installed by residents on either their Android or Apple mobile devices. This resident reporting tool allows you to directly submit maintenance issues such as irrigation, damaged common areas, etc. to the HOA Operations Team and then follow the resolution process (if you desire). The Riverstone HOA is happy to provide yet another tool for residents (in addition to telephone calls and emails) to communicate directly with the Association staff on community concerns. Download LUKE today on your mobile phone to get started! ([www.getluke311.com](http://www.getluke311.com))

## HAVE YOU CHECKED OUT RIVERSTONE HOA'S WEBSITE?

To help all residents stay connected and informed with Association matters, the Riverstone HOA launched [www.rshoa.org](http://www.rshoa.org) late last year. Residents can access governing documents and guidelines, view annual assessment information, print application forms for modifications, gate changes, and amenity cards, view meeting agendas and minutes, and so much more! This site is still a work in progress, so new information will continue to be added as the year progresses.

## New Web Portal

*We have a very exciting new announcement!* Riverstone HOA has recently launched a new web portal that will provide you convenient, real time, 24-hour access to your account. Once logged into the new portal, all homeowners will be able to view and update your homeowner information, view account information and make payments, view compliance violations and architectural requests, and more! You can access the portal from our website at [www.rshoa.org](http://www.rshoa.org) and clicking the Resident Account Portal tab on the left side of your screen.

When you are logging into the web portal for the first time, you will need to select the “Create login” link. Within the next screen, you must enter your account number and email address of your choice. The provided email address will be linked to your login record. If you do not have your Account Number, please contact us at [customercare@rshoa.org](mailto:customercare@rshoa.org). It will also be printed on the 2019 Assessment statement that will be mailed later this month.

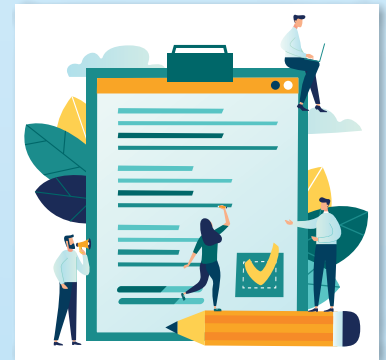

If you are one of multiple owners associated with the provided account number, you are required to select your name from the list provided. If a match is found, you will be sent an email with a link to complete your new account process. The email link will allow you to create a username and password (usernames must be unique). Once saved, you will be able to login into the web portal.

*If you have any questions, please contact us at [customercare@rshoa.org](mailto:customercare@rshoa.org) or 281.778.2222.*

## Modification Application

The Community Standards Department would like to remind residents that if you see your neighbor with a modification or an addition to their property that does not necessarily mean that it has received approval. Sometimes residents have modified their property without approval and are currently in violation of the deed restrictions. Please remember to submit a modification application prior to installing any modifications. Please visit the residential website for more information on the modification approval process.

## Holiday Trash/Recycling Schedule

*Both Missouri City and Sugar Land addresses will receive their normal service (trash or recycling collection) through the holiday season. Missouri City residents serviced by WCA will have garbage pickup on Thursday, December 27th as scheduled and Sugar Land addresses (and residents in Stonebrook) serviced by Best Trash will have garbage pickup on Friday, December 28th as scheduled.*

## 2019 HOA ASSESSMENTS

After careful consideration by the Board of Directors, the 2019 budget has been approved and the general assessment rate set at \$1,080.00. Please know that this 2.86% increase from 2018 comes after a three-month planning and review process considering both Capital, Reserve and Operating expenses.

For 2019, we will continue to have separate budgets for each gated area, as required by the neighborhood supplemental addendums. Each gated area will have income, expenses, and reserves tracked individually. This will allow for each neighborhood to be solely responsible for its own gate and asset maintenance. For 2019, each home in gated neighborhoods will have an additional gate assessment of \$700, an 2.43% increase from 2018. Lake front properties will not see an increase to their Lake assessment of \$60.

For the 2019 Budget, 77% of funds are allocated to the continued landscape maintenance and improvements of the Riverstone community, including common areas, parks and pools, lakes and wetlands, and their associated utilities. 13% of funds are allocated to General and Administrative costs, 4% of funds for Recreation and Fun, including fitness center and tennis court maintenance and 4% to Community Standards for enforcement of deed restrictions. Additionally, RSHOA continues to properly fund the Reserve Account to ensure funds are available to repair or replace assets of Riverstone as it becomes necessary to do so. The remaining 2% of budgeted costs reflect a \$180,849 contribution to the Reserve Fund Account.

The Board of Directors feels this 2019 Budget is a strong, responsible budget necessary to see Riverstone into the future. Should you have any questions about the budget or assessments, please feel free to contact the Association Office or email us at [Finance@rshoa.org](mailto:Finance@rshoa.org) and we will be happy to answer your questions!

## Did You Know?

*Tennis originated in the monastic cloisters in northern France in the 12th century. During that time the ball was struck by the palm of the hand. Tennis rackets came into existence during the 16th century.*

## Tennis Court Reminders

- 🏸 Riverstone's Tennis rules and regulations rule #11 prohibits the booking of back to back times on the same court. Second booking will be unreserved by the system administrator.
- 🏸 Court #6 at The Club at Riverstone and court #1 at Riverstone Blvd are designated as walk on courts.
- 🏸 Only authorized professionals are allowed to teach at both Riverstone's locations.

## Tennis Court Etiquette

- 🏸 Talk quietly when standing near tennis courts that are in use so as not to disrupt players on adjacent courts.
- 🏸 Never walk behind a court when a point is still in play. Wait until the point is over and then cross as fast as possible to get to your own court.
- 🏸 When sending balls back to a neighboring court, roll them on to the back of the court. Never send them back while play is in progress. Also, if one of your balls rolls into an adjacent court, don't run after it, just wait for your neighboring court to return the ball when it's convenient.
- 🏸 When reserving courts please be considerate to other residents by cancelling your reservation when you know that you will not be using it.

*More than 1,000 residents headed to the event lawn at The Club for the annual Trail of Treats.*

It was a warm October evening featuring 38 trail stops being facilitated by local community businesses. Kids and parents alike enjoyed lots of candy, toys, and more! Let's not forget the costumed DJ playing Halloween tunes and the face painters & balloon twisters who assisted in completing everyone's disguise. Thanks to the wonderful vendors who helped make this event possible, we couldn't do it without you!
