LUKE—Your Community Assistant

LUKE is a free app that can be installed by residents on either their Android or Apple mobile devices. This resident reporting tool allows you to directly submit maintenance issues such as irrigation, damaged common areas, etc. to the HOA Operations Team and then follow the resolution process (if you desire). The Riverstone HOA is happy to provide yet another tool for residents (in addition to telephone calls and emails) to communicate directly with the Association staff on community concerns. Download LUKE today on your mobile phone to get started! (www.getluke311.com)

Have You Checked Out Riverstone HOA's Website?

To help all residents stay connected and informed with Association matters, the Riverstone HOA launched <http://www.rshoa.org>. Residents can access governing documents and guidelines, view annual assessment information, print application forms for modifications, gate changes, and amenity cards, view meeting agendas and minutes, and so much more! This site is still a work in progress, so new information will continue to be added as the year progresses.

The Riverstone App is HERE!

We are so excited about the development of our new mobile app! The Riverstone Life App launched last month to make it easier for residents to be involved in everything the community has to offer. Residents should have already received an email from myriverstonelife.com with instructions on how to download the app to your mobile device (Apple/iOS and Android version available). With this app you will be able to find all community events in one place, reserve the tennis courts, sign up for fitness classes, discover community spaces and much more!

Do you want to be “In The Know?” If you did not receive an email with a personalized password to download the app, please email Director of Fun, Shanelle Channell, at DirectorOfFun@riverstone.com.

New Faces

Denise Witte and Mary Privett

SAY HELLO TO DENISE WITTE, YOUR NEW FINANCE ASSISTANT

If you've needed a little help with your resident account, you've probably already said hello to Denise Witte, our new Finance Assistant.

She joined us in December and is the primary point of contact for residents and builders in assisting with their assessments and payments, as well as the fees associated with buying and selling a home in Riverstone. Denise also helps the finance team with various departmental functions.

“My main focus is to provide the residents with outstanding customer service,” Denise said. “I do that by listening, understanding and ensuring that their inquiries and issues are handled and resolved in a courteous and efficient manner.”

Denise’s previous experience has been in the oil, gas and banking industries where her ability to resolve issues and eagerness to take on new responsibilities were an asset. She is enjoying putting those same skills to use here at Riverstone.

“I enjoy assisting the wonderful residents of Riverstone and working with such an amazing, fun and outgoing team,” she said. “I just want to say thank you for the opportunity to be part of the Riverstone family.”

Outside the office, Denise loves spending time with her family. She also enjoys going to musical concerts—including the Houston Symphony. You can also find her dining out, dancing and exercising.

If you haven’t met her already, take a moment to stop by the HOA office and introduce yourself to Denise!

MARY PRIVETT HANDLES IT ALL

Have a question? Mary Privett probably has the answer. If she doesn't, she knows who does. Mary is our new Front Desk Administrator. She started in January, and we're very happy to have her.

Mary keeps the HOA office organized and handles customer information inquires, resident welcome information, amenity cards, incoming/outgoing residential phone communication and office event planning.

“I really handle anything coming in the front door, investigate it and find out who may be able to help the resident if I am not able to help,” Mary said. “I am always here to help and take care of our residents’ needs.”

Mary’s customer service skills are extensive. She worked for Memorial Hermann Orthopedic Hospital in the Case Management Department working in customer relations, social work and durable medical equipment.

Her experience communicating with people from all over the world while working for Southwest Airlines has helped her hit the ground running here at Riverstone.

“I enjoy working for Riverstone tremendously,” Mary said. “The people employed here are phenomenal. It feels like family.”

Mary has a family of her own. She’s a devoted mother to three beautiful children. The youngest attends Bellaire High School. She’s also a native Houstonian who enjoys dancing and swimming. Most of all, she considers herself a “foodie” and loves trying different types of foods.

If you don’t have a question, stop by the HOA office anyway just to say “hi” and give Mary a warm welcome.

Keep Riverstone Beautiful

Trash/Recycle Bins. Leaving your trash/recycle bin in public view on non-trash pick-up days is considered a violation of the deed restrictions. Please remember to remove your trash/recycle bin on non-trash days and place your bins either in your garage or behind your fence (away from public view). This will help keep our community beautiful!

Tree Trimming. It is important to remember to trim your trees to ensure they do not block the sidewalks, hang low over the street, and block the visibility of street/traffic signs. We want to ensure all neighbors are taking these steps for the benefit of both vehicular and pedestrian traffic.

Local Business Spotlight

Lake Olympia Animal Hospital

For 34 years, Missouri City and Sugar Land area pet parents—including those in Riverstone—have relied on Lake Olympia Animal Hospital to provide exemplary care to their fur babies.

Now located at 20413 S University Blvd, the mixed (small and large animal) practice started by veterinarians Michael R. Jacob and Terry J. Dobson in 1985 has grown exponentially to meet the needs of clients.

“Lake Olympia Animal Hospital started out in a shopping center on Highway 6,” said Elisa Ginn, practice manager for Lake Olympia Animal Hospital. “We then moved into a free-standing building on Glenn Lakes Lane. Our move to Riverstone in 2008 was so we could expand our offerings and provide a higher grade of service to pets and their owners.”

Over the years, the practice has added vets and a wide array of medical services to care for all manner of animals from exotic birds to horses.

“Our services are cutting edge,” Ginn said. “We are a certified cat-friendly practice with our own feline specialist. We also provide rehabilitative care, which is a relatively new field.”

In addition to regular services such as well-pet care and immunizations, the on-site animal hospital is equipped with state-of-the-art diagnostic, surgical and medical capabilities. Laboratory and pharmacy services also are available.

Animal owners going on vacation can board their pets at Lake Olympia, secure in the knowledge that dogs will be walked three times a day and any medications will be administered by a veterinary nurse. Grooming services also are available.

While all our pet-owning residents love Lake Olympia, we are especially grateful as the practice has sponsored Bark for Life for the past three years.

Don't settle for less than excellent care for your four-legged family member. New patients are always welcome at Lake Olympia Animal Hospital.

BLAST FROM THE PAST

We let the good time roll . . .

. . . in our Taste of New Orleans Cooking Class! Residents didn't have to visit the Big Easy to enjoy it's legendary Cajun and Creole flavors. Attendees enjoyed a Mardi Gras inspired cooking class at Sur La Table in the Sugar Land Town Square! Attendees were led by professional chefs in a hands-on cooking experience. Each group learned how to make dishes like chicken and andouille sausage gumbo! With Zydeco music blasting and daiquiris being served this was one Mardi Gras party that everyone enjoyed!

Who doesn't love coffee and donuts?!

Parents and Kids alike had a blast at the informative session hosted by the men & women of the Fort Bend County Constable PCT 4. Kids got to "Adopt a Cop" and write thank you letters to the officers in attendance. There was also a photo area and free coffee & donuts! What a great way to get to know our Riverstone deputies!
