LUKE—Your Community Assistant

LUKE is a free app that can be installed by residents on either their Android or Apple mobile devices. This resident reporting tool allows you to directly submit maintenance issues such as irrigation, damaged common areas, etc. to the HOA Operations Team and then follow the resolution process (if you desire). The Riverstone HOA is happy to provide yet another tool for residents (in addition to telephone calls and emails) to communicate directly with the Association staff on community concerns. Download LUKE today on your mobile phone to get started! (www.getluke311.com)

Have You Checked Out Riverstone HOA's Website?

To help all residents stay connected and informed with Association matters, the Riverstone HOA launched <http://www.rshoa.org>. Residents can access governing documents and guidelines, view annual assessment information, print application forms for modifications, gate changes, and amenity cards, view meeting agendas and minutes, and so much more! This site is still a work in progress, so new information will continue to be added as the year progresses.

Local Business Spotlight

Summer and popsicles go together like Texas and triple-digit temperatures, so when the heat is on, our residents turn to Frios Gourmet Pops for fresh frozen fun.

"Fresh. Frozen. Fun." is the Frios motto. The thriving business creates some of the best pops in the country using fresh ingredients to create delectable treats in an astonishing array of flavors such as cherry lime, blueberry cheesecake and sweet tea with lemon.

"We have cultivated outstanding relationships with farmers all over the southeast and continue to grow our network," said Brittany Perilman, area manager for Frios. "By supporting our local communities, we are also helping to grow our local economies. We are strong advocates for small business, mom and pops and the countless 'small timers' that make our country run."

Perilman began working for Frios in 2015 when a franchise opened at 18318 University Boulevard in Sugar Land. From the beginning, people flocked both to the store and the food truck that stops by Riverstone on a regular basis.

"I think people really love how true to taste the pops are and that we use such fresh ingredients," Perilman said.

"I love how excited the residents remain about our pops and the sense of community," she said. "The most popular flavors seem to be the Raspberry Cheesecake or Key Lime Pie!"

Which means when the heat is on, don't settle for artificially flavored popsicles. Seek out and find your favorite flavor at Frios.

All About RSHOA Governing Documents

HOAs use several types of governing documents to guide their operations. Here's what you need to know about each of them:

Articles of Incorporation: Articles of Incorporation essentially establish the HOA as a business, and do not contain much information other than name, location, and purpose of the incorporated community. A homeowners' association must file Articles of Incorporation with the secretary of state; Riverstone's were originally filed on May 30, 2001.

Association Bylaws: The Bylaws establish the rights and responsibilities of the incorporated entity and set the rules for enacting future rules. Simply put, the Bylaws tell the HOA how to do business. It is within adopted bylaws that an association's board procedures are established. Included in the Riverstone bylaws are terms that dictate:

- The number of HOA members permitted on the board and the number of board members necessary to qualify as a quorum necessary to vote on a matter,
- How often elections take place and if there are term limits for board members,
- Who has a right to cast a vote for board members, and
- How board meetings must be conducted and what can be discussed.

Declaration of Covenants, Conditions, and Restrictions (CC&R's): CC&R's are arguably the most important documents of your community. They cover the rights and responsibilities the HOA has to its members, and vice versa. They are the "rules" of the neighborhood and describe:

- Requirements and limitations about what homeowners can do to their property,
- Maintenance obligations for the HOA and homeowners,
- Mechanisms for rule enforcement and dispute resolution, and
- Assessment obligations and penalties

The CC&Rs are said to "run with the land," meaning that the restrictions for the property are in place no matter who owns the property.

Other Rules and Regulations: CC&Rs provide the general guidance for "what", while the rules and regulations of an association provide the details of "how". For example, the CC&R's give the association the ability to offer an assessment payment plan while the Collection and Payment Plan Policy breaks down all the details of the plan. Riverstone has many Rules and Regulations on our website that break-down specific details on topics ranging from solar panels and political signs, to leasing your home and reserving a tennis court.

Financial Documentation Last among the community documents, but certainly worth your attention, is the financial documentation. On our website, you will find two important pieces of information: Budget Summaries for the past 3 years for the HOA and certain neighborhoods, and Financial Statements. These will tell you exactly where your assessment money is budgeted to go, and exactly where it is going so far this year.

All of these documents can be found on our website: www.rshoa.org in the Resource Center under the Community Info tab.

Riverstone "Street Parking" Policy Reminders

To help keep streets clear and allow for the unobstructed flow of traffic, the Association's Board of Directors adopted parking rules and regulations. As a reminder, please see below for some policy highlights:

Non-Gated Neighborhoods

- Registered, operational, non-commercial vehicles may not be parked in the street for more than seven (7) consecutive days. *It is NOT the intent of this provision to permit the regular use of streets as parking areas, and the Association will have the sole discretion in determining whether a vehicle violates the provision.
- Parked vehicles may not obstruct sidewalks or be parked on a curb or grassy area.
- Parked vehicles may not adversely affect ingress/egress from a driveway on a daily basis.

- Commercial vehicles may be parked temporarily for the purpose of providing a service, making a delivery, or picking up materials, but only for the time necessary for such purpose.
- Recreational vehicles (ex. campers, golf carts, boats, etc.) may not be stored on residential lots for more than forty-eight (48) hours unless written request is received and approved by the HOA. Recreational vehicles may be stored on residential lots for longer periods provided they are completely concealed from public view inside a garage or enclosure approved by the HOA.

Gated Neighborhoods

- Parking on roads and alleyways owned by the HOA is prohibited. Vehicles left on HOA property for more than 24 hours may be towed at owner's expense with no prior notice.
- Additional parking restrictions may be set forth in a neighborhood's supplemental declarations.

IN THE COMMUNITY

Constable Corner

Constable Trever Nehls and the Fort Bend County Precinct 4 Constable's Office hope you all had a fun summer. Fort Bend ISD starts school on Wednesday, August 14, 2019 and we would like to remind you that traffic will be a little busy the first week, so please be patient and courteous of others. Expect heavier than usual traffic on University Blvd, LJ Parkway, Winding Waters near Sullivan Elementary, and Oilfield Lane near Elkins High School for the first few weeks of the school year. We recommend planning ahead and beginning your morning routine a little bit earlier. Remember, school zones are meant to keep children safe as they arrive at and leave school, but they only work with everyone's help.

Please be aware of the following:

- Anne Sullivan Elementary school zone hours are 7:15am–8:15am and 3:15pm–4:00pm during school days.
- The speed limit during school zone hours is 20 MPH.
- When Buses are loading or unloading please DO NOT pass.
- Only drop children off at designated drop off zones for their safety.
- When driving in school zones, watch out for student pedestrians and look for children who might dart into the street without looking for traffic.
- Slow down and watch for children congregating near bus stops throughout Riverstone.
- When on inner roads without a median, both directions of traffic MUST STOP when school bus red lights are flashing. Don't proceed until the bus's stop sign is closed and the lights stop flashing.
- When on main roads divided with a median (like University Blvd or LJ Parkway), vehicles in all lanes behind the bus MUST STOP. Vehicles traveling in the opposite directions may proceed, but with caution.
- Texas Law prohibits using a cell phone in an active school zone. Please don't drive distracted.
- Do not block residential driveways while parking or loading. Elkins students are not permitted to park in Stonebrook at any time.

To report a non-emergency/non-life threatening contact the Fort Bend County Sheriff's Office (281) 342-4665 or 9-1-1 in an emergency, or Missouri City Police Department (281) 403-8700 if you live in Missouri City jurisdiction.

Please contact me Sgt. Christina L. Resendez, at Christina.Resendez@fortbendcountytexas.gov if you have any questions and follow us on Facebook: Fort Bend County Pct. 4 Constable's Office, Twitter: @fort_bend_pct_4

The CLUB at RIVERSTONE SUMMER CAMPS

bricks 4 kidz August 5th–August 9th | Movie Making Camp | 9:00am–12:00pm | Ages 5-12

Light, cameras, LEGO® action! Use LEGO® bricks to tell YOUR story, complete with music, special effects and all your favorite LEGO® mini- figure characters! In this unique and creative camp, students will plan, script, stage, shoot, and produce their own mini-movie using Stop Motion Animation. Working as a team, students will use LEGO® components to build the set and props, then shoot their movie using a camera. Teams will use movie-making software to add special effects, titles, credits and more. When the movie is complete, campers will impress friends and family with a screening party on the last day of camp. Don't miss your chance to be a movie producer!

Hero's & Villans | 1:00pm–4:00pm | Ages 5-12

Enter the dark city where a dangerous jokester and other evil villains wreak havoc. Thankfully there is a bat hero who comes out each night to fight against these evil-doers! The good guys will ride into action as campers build motorized models of the bat hero's speedy vehicle and bat girl's sleek Cycle. But keep the bat light searching for the evil jokester's motorized low rider vehicle cruising through the city streets as well. Send the bat hero swinging on his grappling hook technic model from one skyscraper to the next as he fights crime with his trusty super sidekick. Campers will use their imaginations, building skills and crime-fighting passion in this thrilling camp of bat heroes and villains!

Tennis Court Etiquette

- Talk quietly when standing near tennis courts that are in use so as not to disrupt players on adjacent courts.
- Never walk behind a court when a point is still in play. Wait until the point is over and then cross as fast as possible to get to your own court.
- When sending balls back to a neighboring court, roll them on to the back of the court.
- Never send them back while play is in progress. Also, if one of your balls rolls into an adjacent court, don't run after it, just wait for your neighboring court to return the ball when it's convenient.
- When reserving courts please be considerate to other residents by cancelling your reservation when you know that you will not be using it.

Tennis Court Reminders

- Court #6 at The Club at Riverstone and court #9 at Riverstone Blvd are designated as walk on courts.
- Only authorized professionals are allowed to teach at both Riverstone's locations.
- Please remember all tennis court reservations are now available through the Riverstone app only. Appointment Plus is no longer available.

Unauthorized Tennis Lessons

Recently there has been an increase of tennis lessons at Riverstone by unauthorized tennis pros. Please keep in mind that HOA rules prohibits the teaching of tennis lessons by unauthorized persons.

Racket Stringing Services

Riverstone now offers racket stringing through our Tennis Professional Giorgio. Giorgio has strung rackets for world class players including Roger Federer. Cost is \$20 for labor plus strings. Contact TennisPro@riverstone.com for more information.

FALL COMMUNITY GARAGE SALE

Join us at Riverstone's Fall Community Garage Sale on Saturday, October 5th! This is a great opportunity to get rid of clutter, spend time with fellow neighbors, and make some money at the same time. A donation truck will be on hand in the event you choose to donate any unsold items. Please remember garage sales are not allowed at individual homes and this event has limited space available!

Vendor spaces are first come, first served and residents must register online. Keep an eye out for the registration link through the newsletter and community email blasts!

The Club at Riverstone

BLAST FROM THE PAST

Love Was In The Air . . . this past February when Riverstone couples channeled their inner Picasso! What better way to spend time with your sweetheart then by doing a fun activity together?! Imagine an evening with a paint brush in one hand and wine in the other! This event featured a duo painting activity, a special treat for each pair, as well as lots of laughter and fun. This definitely is one event that you don't want to miss next year!

Reading Books Is More Fun With Swatson!

The Sugar Land Skeeters Mascot visited Riverstone loaded with crayons, bookmarks, and books! The kids all had a great time reading with Swatson and completing a coloring activity after the event!

The purpose of the Skeeters Reading Program is to help boost extracurricular reading while also teaching kids valuable life lessons and providing an incentive

to participate. Kids who read 4 books over the course of the Reading Program will earn two free field box tickets to a 2019 Sugar Land Skeeters game!
