## LUKE—Your Community Assistant

LUKE is a free app that can be installed by residents on either their Android or Apple mobile devices. This resident reporting tool allows you to directly submit maintenance issues such as irrigation, damaged common areas, etc. to the HOA Operations Team and then follow the resolution process (if you desire). The Riverstone HOA is happy to provide yet another tool for residents (in addition to telephone calls and emails) to communicate directly with the Association staff on community concerns. Download LUKE today on your mobile phone to get started! ([www.getluke311.com](http://www.getluke311.com))

## Have You Checked Out Riverstone HOA's Website?

To help all residents stay connected and informed with Association matters, the Riverstone HOA launched <http://www.rshoa.org>. Residents can access governing documents and guidelines, view annual assessment information, print application forms for modifications, gate changes, and amenity cards, view meeting agendas and minutes, and so much more! This site is still a work in progress, so new information will continue to be added as the year progresses.

## Property Maintenance Tips from the Compliance Department

### **Power/Pressure Washing Sidewalk or Driveway**

Why is it important to power wash your sidewalk and/or driveway? Over time sidewalks and driveways collect dirt and allow mold and mildew to start growing on the concrete. When this happens and if it continues without intervention, the area may become slippery and could potentially create a hazard. It also detracts from the look of our Community when dirt, stains, and mildew are easily visible from the street. This can also be true near and around pop up drains from pools or French drains that are close to the curb. Power/Pressure washing the sidewalk and driveway areas of your property (including the sidewalk in front of your property and on the side if it is a corner lot) will help to maintain the look of our community.

### **Trash/Recycle Bins**

Trash and recycle bins that are left out in public view on non-trash days are one of the top violations that the Compliance Department

encounters throughout the community. To help keep our community looking its best, we want to remind all residents to remove their trash/recycle bins from public view on non-trash days. This can be achieved by placing the bins in the garage or behind a wooden fence. You may also submit an ARC application to install a storage area for the Trash and Recycle bins and have it reviewed by our ARC committee. You may obtain the ARC application on [www.rshoa.org](http://www.rshoa.org)

### **Lawn Bags**

Lawn clippings that are left in bags at the curb or end of the driveway are also considered a violation of the deed restrictions. All trash, including the lawn clippings, must be placed in an appropriate container and stored out of view on non-trash days. This will help to keep our neighborhoods looking tidy.

Thank you for your cooperation!!

*The Compliance Department*

# IN THE COMMUNITY

## Constable Corner

*On behalf of Constable Trever Nehls and the Fort Bend County Precinct 4 Constable's Office, we would like to wish you a Happy New Year.* Now that you've opened the gifts, burglars know that many households have new, and often times expensive, items in their homes following the December holidays. In too many cases, residents make it easy for burglars to figure out which homes to target by putting boxes that identify their new gifts in plain view with their other garbage. Avoid becoming an easy target for post-holiday burglars. Some burglars actually look inside garbage cans for evidence of holiday gifts. And, of course, if you see someone suspicious casing your area or if you see a burglary in progress, call 911.

- Do not leave boxes for new electronics or any other items in the garbage pick-up locations for several days at a time.
- Break down any boxes you are throwing out, put them in garbage bags and place them inside a trash can.
- Think about keeping broken-down boxes inside in a garage, until the evening before your regular garbage pick-up.

### Take Inventory

After the holidays is a good time to update or create your home inventory. If your home is burglarized, having a detailed inventory can help identify stolen items and make insurance claims easier to file.

- Take photos or make videos of items, and list descriptions and serial numbers.
- Make sure any valuables such as but not limited to tools, jewelry, and electronics are on the list.

If I can be of service or answer any questions, please contact me, Riverstone Sgt. Christina L. Resendez, at [christina.resendez@fortbendcountytx.gov](mailto:christina.resendez@fortbendcountytx.gov).

### Tennis Court Etiquette

- Talk quietly when standing near tennis courts that are in use so as not to disrupt players on adjacent courts.
- Never walk behind a court when a point is still in play. Wait until the point is over and then cross as fast as possible to get to your own court.
- When sending balls back to a neighboring court, roll them on to the back of the court.
- Never send them back while play is in progress. Also, if one of your balls rolls into an adjacent court, don't run after it, just wait for your neighboring court to return the ball when it's convenient.
- When reserving courts please be considerate to other residents by cancelling your reservation when you know that you will not be using it.

### Tennis Court Reminders

- Court #6 at The Club at Riverstone and court #9 at Riverstone Blvd are designated as walk on courts.
- Only authorized professionals are allowed to teach at both Riverstone's locations.
- Please remember all tennis court reservations are now available through the Riverstone app only. Appointment Plus is no longer available.
