LUKE—Your Community Assistant

LUKE is a free app that can be installed by residents on either their Android or Apple mobile devices. This resident reporting tool allows you to directly submit maintenance issues such as irrigation, damaged common areas, etc. to the HOA Operations Team and then follow the resolution process (if you desire). The Riverstone HOA is happy to provide yet another tool for residents (in addition to telephone calls and emails) to communicate directly with the Association staff on community concerns. Download LUKE today on your mobile phone to get started! (www.getluke311.com)

Have You Checked Out Riverstone HOA's Website?

To help all residents stay connected and informed with Association matters, the Riverstone HOA launched <http://www.rshoa.org>. Residents can access governing documents and guidelines, view annual assessment information, print application forms for modifications, gate changes, and amenity cards, view meeting agendas and minutes, and so much more! This site is still a work in progress, so new information will continue to be added as the year progresses.

2020 Annual Assessments

2020 Annual Assessment Rate \$1090

Some homes have additional Neighborhood and/or Lake Assessments in addition to the general Annual Assessment. Contact us at Finance@rshoa.org for more info on Neighborhood or Lake Assessments.

HOA CORNER

Compliance Reminders

The Compliance Department wishes everyone a Happy New Year and would like to remind all residents that holiday decorations should now be removed.

We would also like to remind residents that any modifications to the outside of their property, including the backyard, does require approval from our Architectural Committee. This includes landscaping, play structures, swimming pools, storage sheds, walkways, etc. You can download the ARC application request form from the residential website at www.rshoa.org

Additionally, we encourage all residents to take a few minutes and look over their property for any potential Deed Restriction issues that may result in a violation. Below are a few items to consider:

- Remember to mow, weed, and edge your lawn as needed, which may include on a weekly basis during the summer months.
- Remove weeds from the landscaping beds and tree wells, and treat your yard as needed to control weeds.

- Remove any dirt and/or mildew from property, pressure wash driveways and sidewalks to remove dirt and/or stains.
- Trim trees over sidewalks, roadways and street signs. This will help to not impede pedestrians or vehicles and to not block street signage.
- Trash/Recycle bins need to be placed out of public view on non-trash days. Lawn clippings in bags must be placed out of view on non-trash days.
- All trash must be placed in an appropriate trash container.

If you have any questions, please contact the Compliance Department at compliancedept@rshoa.org.

Thank you for your cooperation!

The Compliance Team

MULCH IN LANDSCAPING BEDS

As the promise of warm weather nears, many residents are anxious to freshen up their landscape beds. While it still might be too early to cut back dead plant material, replacing faded mulch with new mulch is an easy way to quickly improve the appearance of landscaping beds. Not only is new mulch aesthetically pleasing, but it also serves a practical purpose. Mulch helps insulate plant roots from extreme temperatures, helps prevent the growth of weeds, and helps retain water for plant use.

Please note that per the Riverstone Residential Design Standards, RED MULCH is prohibited. The standards may be viewed online at www.rshoa.org, in the "Resource Center", under "RSHOA Governing Documents". Any questions should be directed to the Compliance Department by emailing compliancedept@rshoa.org or by calling 281.778.2222.

Tennis Court Etiquette

- Talk quietly when standing near tennis courts that are in use so as not to disrupt players on adjacent courts.
- Never walk behind a court when a point is still in play. Wait until the point is over and then cross as fast as possible to get to your own court.
- When sending balls back to a neighboring court, roll them on to the back of the court.
- Never send them back while play is in progress. Also, if one of your balls rolls into an adjacent court, don't run after it, just wait for your neighboring court to return the ball when it's convenient.
- When reserving courts please be considerate to other residents by cancelling your reservation when you know that you will not be using it.

Tennis Court Reminders

- Court #6 at The Club at Riverstone and court #9 at Riverstone Blvd are designated as walk on courts.
- Only authorized professionals are allowed to teach at both Riverstone's locations.
- Please remember all tennis court reservations are now available through the Riverstone app only. Appointment Plus is no longer available.

Unauthorized Tennis Lessons

Recently there has been an increase of tennis lessons at Riverstone by unauthorized tennis pros. Please keep in mind that HOA rules prohibits the teaching of tennis lessons by unauthorized persons.
