# NEIGHBORHOOD NEWS

## Constable Corner

*On behalf of Constable Trever Nehls, the Fort Bend County Precinct 4 Constable's Office wants you to be safe as we prepare for the holidays. As the shopping and holiday outings begin, we have provided some safety tips:*

Here are some things to think about when shopping:

- When parking your vehicle to go shopping, remember where you parked. Always park in a well-lit and well-traveled area. Do not park in a remote dark area.
- Do not open your car door to anyone in a parking lot or garage. If you believe you are in danger, call 911 immediately.
- Lock your vehicle and put your windows up while you are driving or even just sitting in vehicle.
- Don't talk on a cell phone when walking to and from your vehicle. Keep your full attention on your surroundings.
- If you are ready to leave the shopping area and feel uneasy about entering the parking lot or garage by yourself, stay inside of the location you are at and ask for a security escort.
- Have your keys in hand when approaching your vehicle. You will be ready to unlock the door and will not be delayed by fumbling and looking for your keys.
- Don't electronically unlock your vehicle until you are within door opening distance. This helps to stop someone from getting into the car and waiting to strike when you least expect it.
- When you return to your vehicle, scan the interior of your car to be sure no one is hiding inside. Check to see if you are being followed. If you believe you are being followed, set off your panic alarm of your vehicle and/or yell for help.
- If you believe you are being followed in your vehicle, drive to your nearest police station and/or call 911 and follow instructions provided by dispatch.
- When storing items purchased at the stores, place them out of sight. The best place is in a locked trunk.
- Do not leave your purse, wallet, or cellular telephone in plain view. (Vehicle/Unattended shopping basket)
- If you go to an automatic teller machine for cash, check for people around and make sure it is well lit and in a safe location.
- Carry only the credit cards you need and avoid carrying large amounts of cash.

Look for suspicious activity and report accordingly while occurring: Emergency 911 and Non-emergency 281.342.4665.

### Tennis Court Etiquette

- Talk quietly when standing near tennis courts that are in use so as not to disrupt players on adjacent courts.
- Never walk behind a court when a point is still in play. Wait until the point is over and then cross as fast as possible to get to your own court.
- When sending balls back to a neighboring court, roll them on to the back of the court.
- Never send them back while play is in progress. Also, if one of your balls rolls into an adjacent court, don't run after it, just wait for your neighboring court to return the ball when it's convenient.
- When reserving courts please be considerate to other residents by cancelling your reservation when you know that you will not be using it.
