STAY CONNECTED TO YOUR COMMUNITY

Our goal is to keep you informed of the latest news, community events and activities. To that end, we have developed multiple ways for you to stay connected:

- Our website, www.rshoa.org, is where you can view our event calendar, local news, and access Riverstone governing documents and deed restrictions, board agendas and meeting minutes, association financial information, commonly used forms such as Architectural Modification Applications, Amenity ID Forms, Gate Access Forms, and more!

- Your Resident Portal, also available on our website, is where you can access important information unique to your home, such as payment history, architectural requests, and more.

-  The LUKE App (Let Us Know Everything!) is your new community assistant. LUKE allows you to directly submit maintenance issues to the HOA at any time of day. Use LUKE to add pictures and locations to help us get issues resolved faster. You'll be able to watch the process from start to completion. Download LUKE for your Apple or Android phone. www.getluke311.com

- Our Riverstone App will keep you up to date on events throughout the community, discover community spaces, and get involved in Riverstone's Tennis and Fitness Programs. Download the App for your Apple or Android phone, click "View as Guest", and click "Request Resident Access."

HOA CORNER

Property Maintenance Tips

from the RSHOA Compliance Department

We understand that the season of giving and gifts is quickly approaching! Adults and children alike may be receiving new gifts and fun additions for the holiday season. As a reminder, please note that residents should submit an ARC Modification Application for basketball goals, playsets, and other items related to the outside of the property. Modification submittals are reviewed by the Architectural Review Committee the first Wednesday of each month. Residents can download the ARC Modification Application on the residential website and email the application to ARCModification@rshoa.org.

The holidays can be a joyous time of family gatherings and cheer. From wreaths, tinsel, and colorful lights to Frosty the Snowman and Santa's reindeer, decorations are a fun and beautiful way to celebrate the season. While the Association enjoys seeing the holiday spirit being displayed as much as anyone else, we would like to send a friendly reminder to all residents to adhere to the deed restrictions when decorating the exterior of your homes. Per the deed restrictions: "Customary seasonal decorations for national holidays are permitted for a maximum of twelve (12) days or thirty (30) days, in the case of Christmas, subject to the right of the Residential ARC to specify a maximum size and other guidelines for decorations". ALL holiday décor must be removed on or before January 25th.

Riverstone Compliance Department also encourages all residents to take a few minutes and look over their property for any potential Deed Restriction issue that may result in a violation.

Even during the colder months weeds and other problems may arise during this time.

- Remember to mow, weed, and edge your lawn as needed.
- Remove weeds from the landscaping beds and tree wells, and treat your yard as needed to control weeds.
- Remove any dirt and/or mildew from property, pressure wash driveways and sidewalks to remove dirt and/or stains and trim trees over sidewalk and roads.
- Trash/Recycle bins need to be placed out of public view on non-trash days.
- All trash must be placed in an appropriate trash container. Please do not place bags alone on the curb.

The Compliance Department would like to wish everyone a Happy Thanksgiving!

IN THE COMMUNITY

Constable Corner

On behalf of Constable Trever Nehls, the Fort Bend County Precinct 4 Constable's Office, would like to encourage Crime Prevention Tips.

Automated Teller Machine (ATM) Safety Tips

The following crime prevention tips can help make the use of ATM's safer for everyone.

Criminals select their victims and targets, focusing on the unaware or unprepared. The attitude and demeanor you convey can have a tremendous effect on potential assailants. There are a number of things you can do to increase your personal security and reduce your risk of becoming an ATM crime victim. Walk purposefully and with confidence. Give the appearance that you are totally aware of your surroundings. Be aware of your total environment and what is going on around you. Criminals tend to avoid people who have this type of demeanor.

ATM Selection Considerations

- Do not select an ATM at the corner of a building. Corners create a blind area in close proximity to the customer's transaction. Select an ATM located near the center of a building. An ATM further from the corner reduces the element of surprise by an assailant and increases effective reaction time by the user;
- Select an ATM that is in a well-lighted location;
- Whenever possible, select an ATM that is monitored or patrolled by a security officer;
- Avoid ATM locations with large perimeter parking lots and numerous ingress and egress points.

Considerations Prior to and During Transactions

- Maintain a small supply of deposit envelopes at home, in your car or office. Prepare all transaction paperwork prior to your arrival at the ATM site. This will minimize the amount of time spent at the ATM;
- Maintain an awareness of your surroundings throughout the entire transaction. Do not become so involved with your transaction that you are not aware of changing conditions around you;
- Do not wear expensive jewelry or take other valuables to the ATM. This is an added incentive to an assailant;
- Be aware of anyone sitting in a parked car in close proximity to or at a distance from the ATM location;
- When leaving an ATM location make sure you are not being followed. If you are being followed, drive immediately to a police, sheriff or fire station, crowded area, well-lighted location or open business. Flash your lights and sound your horn to bring attention to your situation; and
- If you are involved in a confrontation and the attacker is armed with a weapon and demands your money or valuables, COMPLY.

For Emergencies dial 911 and for Non-Emergencies contact your area agency. Fort Bend County Sheriff's Office 281.341.4665, Missouri City Police Department 281.403.8700. Traffic Complaints/ Other Concerns: Direct to Sgt. Jesse Trevino, Jesus.Trevino@fortbendcountytexas.gov

- Never walk behind a court when a point is still in play. Wait until the point is over and then cross as fast as possible to get to your own court.
- When sending balls back to a neighboring court, roll them on to the back of the court.
- Never send them back while play is in progress. Also, if one of your balls rolls into an adjacent court, don't run after it, just wait for your neighboring court to return the ball when it's convenient.
- When reserving courts please be considerate to other residents by cancelling your reservation when you know that you will not be using it.

Unauthorized Tennis Lessons

Recently there has been an increase of tennis lessons at Riverstone by unauthorized tennis pros. Please keep in mind that HOA rules prohibits the teaching of tennis lessons by unauthorized persons.

Tennis Court Reminders

- Court #6 at The Club at Riverstone and court #9 at Riverstone Blvd are designated as walk on courts.
- Only authorized professionals are allowed to teach at both Riverstone's locations.
