YOUR RIVERSTONE HOA

Services the HOA Can Provide Remotely

The HOA office is back open to the public Monday–Friday from 9am–5pm. By popular request, we are also continuing to offer a no-contact amenity card service by emailing information to our customer care email at customercare@rshoa.org.

NEW HOMEOWNERS NEEDING AMENITY CARDS

Welcome to Riverstone! To have amenity cards made for you, please email us the following:

1. Completed amenity card form (found at www.rshoa.org)
2. Deed or closing disclosure
3. Individual headshot pictures of each resident over the age of 5. Please label each photo with their name and date of birth.
4. Proof of identification (State ID, Driver's License, passport, etc) for all residents over the age of 18
5. Anyone over the age of 18 whose name is not listed on the deed will need to provide additional proof of residence. Examples of acceptable Proof of Residency may include car insurance, utility bill, cell phone bill, etc. and must include the resident's name and current home address.

Each account will receive up to 3 adult amenity cards and at no charge. Each additional adult amenity card after the first 3 cards is \$15.00.

REPLACING A LOST AMENITY CARD

The replacement of lost Amenity Cards is available for \$15 each.

If you need a replacement Amenity Card, please complete the credit card form found on our website (www.rshoa.org) and email it to us at customercare@rshoa.org. Please also include your home address and a headshot picture labeled with your name and date of birth.

Printed Amenity Cards are available via no-contact pick up at our office, or can be mailed to your home.

STAY CONNECTED TO YOUR COMMUNITY

Our goal is to keep you informed of the latest news, community events and activities. To that end, we have developed multiple ways for you to stay connected:

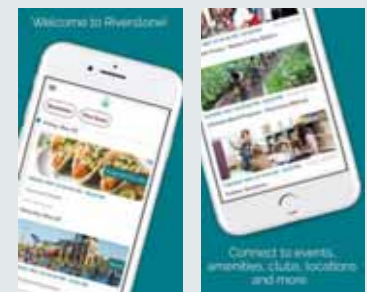

- Our website, www.rshoa.org, is where you can view our event calendar, local news, and access Riverstone governing documents and deed restrictions, board agendas and meeting minutes, association financial information, commonly used forms such as Architectural Modification Applications, Amenity ID Forms, Gate Access Forms, and more!
- Your Resident Portal, also available on our website, is where you can access important information unique to your home, such as payment history, architectural requests, and more.

- The LUKE App (Let Us Know Everything!) is your new community assistant. LUKE allows you to directly submit maintenance issues to the HOA at any time of day. Use LUKE to add pictures and

locations to help us get issues resolved faster. You'll be able to watch the process from start to completion. Download LUKE for your Apple or Android phone. www.getluke311.com

- Our Riverstone App will keep you up to date on events throughout the community, discover community spaces, and get involved in Riverstone's Tennis and Fitness Programs. Download the App for your Apple or Android phone, click "View as Guest", and click "Request Resident Access."

COMPLIANCE CORNER

Before You Make Changes to Your Property

Planning a change to the outside of your property? Please remember that all modifications to the exterior of the property, from a summer refresh to major structural changes, need approval from the Riverstone Architectural Review Committee (ARC). Modification submittals are reviewed by the Committee the first Wednesday of each month with the deadline for submitting an application on the Thursday before the meeting. Residents can download the ARC Modification Application from our website and email the application to ARCModification@rshoa.org. It is important to note that modifications to the property that involve encroaching on any easements or building lines can delay the review process of the application.

In a hurry? Certain types of modification applications are eligible for our Rush Process. For a non-refundable fee of \$125, you can have your application reviewed within 5 business days. Of course, applications

that are more complex or have multiple modifications may not be able to be rushed, and your application must be complete before the 5-day period begins. It is also important to know that the Rush Fee does not guarantee approval for the ARC submittal, it is only to speed up the review of the application before the next monthly ARC meeting.

You can also email us with any questions that you may have regarding a modification at the email address ARCModification@rshoa.org, and we will be happy to assist.

Compliance Info on the Riverstone Website

Did you know the Compliance Department has our own page on the Riverstone website? Visit us at www.riverstone.com/residents-compliance and you'll find a walkthrough of the entire ARC process, including ARC application forms. You'll also find information and examples for different modification types like brick landscaping, gazebos, outdoor lighting and more.

In addition to ARC info, you'll also find quick links to info on many other Compliance Department policies and procedures. Popular topics include parking, solar energy, and political signs.

You are also always welcome to email us at Compliancedept@rshoa.org with questions.

Livin' on a Lake

Many of our subdivisions have homes on lake lots. While these make for beautiful views, it also means slightly different rules for modifications. All modifications to your home or yard that encroach in to the 30 foot drainage easement in the rear will require written approval from both the Levee Improvement District (LID) as well as the Association. Residents on lake lots are also required to maintain all of their property, including the area between a rear fence and the lake.

Riverstone Compliance Department also encourages all residents to take a few minutes and look over their property for any potential Deed Restriction issue that may result in a violation.

- Remember to mow, weed, and edge your lawn as needed, which may include on a weekly basis during the summer months.
- Remove weeds from the landscaping beds and tree wells, and treat your yard as needed to control weeds.
- Remove any dirt and/or mildew from property, pressure wash driveways and sidewalks to remove dirt and/or stains and trim trees over sidewalk and roads.
- Trash/Recycle bins need to be placed out of public view on non-trash days.
- All trash must be placed in an appropriate trash container.

FBISD Calendar

August 4, 6, 9, 10:
Teacher In-Service

August 11:
School Starts

August 30:
FBISD Board of Trustees Meeting

School Starts Wednesday, August 11th

It's finally here! The day all kids look forward to each year: School Starts on Wednesday, August 11th.

This means traffic will be a little busy the first week, so please be patient and courteous of others. Expect heavier than usual traffic on University Blvd, LJ Parkway, Winding Waters near Sullivan Elementary, and Oilfield Lane near Elkins High School for the first few weeks of the school year. We recommend planning ahead and beginning your morning routine a little bit earlier. Remember, school zones are meant to keep children safe as they arrive at and leave school, but they only work with everyone's help.

Please be aware of the following:

- Anne Sullivan Elementary school zone hours are 7:15am–8:15am and 3:15pm–4:00pm during school days.
- The speed limit during school zone hours is 20 MPH.
- When Buses are loading or unloading please DO NOT pass.
- Only drop children off at designated drop off zones for their safety.
- When driving in school zones, watch out for student pedestrians and look for children who might dart into the street without looking for traffic.
- Slow down and watch for children congregating near bus stops throughout Riverstone.
- When on inner roads without a median, both directions of traffic MUST STOP when school bus red lights are flashing. Don't proceed until the bus's stop sign is closed and the lights stop flashing.
- When on main roads divided with a median (like University Blvd or LJ Parkway), vehicles in all lanes behind the bus MUST STOP. Vehicles traveling in the opposite directions may proceed, but with caution.
- Texas Law prohibits using a cell phone in an active school zone. Please don't drive distracted.
- Do not block residential driveways while parking or loading. Elkins students are not permitted to park in Stonebrook at any time.

Let's work together to keep our children safe!

BUSINESS SPOTLIGHT

At Lake Olympia Animal Hospital, we take great pride in providing premier care to our patients. Our pets and their owners are treated with the utmost compassion and respect, and our animal hospital has been equipped with state-of-the-art diagnostic, surgical and medical capabilities. We pride ourselves not only on the quality of our veterinary medicine, but also our healthcare team's commitment to both pets and their families!

Doctors Terry Dobson and Michael Jacob initially established Lake Olympia Animal Hospital in April 1985 in a small shopping center off Highway 6. In 2008, Dr. Glenda Wall joined as a partner of Lake Olympia Animal Hospital, and these doctors, together with a compassionate and dedicated staff, established a new home in Riverstone at 20413 S. University Boulevard. This new practice location provides additional space for clients, increasing availability for more services and improved comfy boarding space for their patients.

Lake Olympia Animal Hospital, thanks to citizens of Missouri City and the Sugar Land area, continues to grow. They pride themselves on the care and commitment each and every staff member brings to their clients and their pet families. The sign from the Glenn Lakes location still hangs in the new building.

Visit us at www.lakeolympiaanimal.com or call 281.499.7242 to find out more about why we're so happy to call Riverstone home!

Tennis Court Etiquette

- Talk quietly when standing near tennis courts that are in use so as not to disrupt players on adjacent courts.
- Never walk behind a court when a point is still in play. Wait until the point is over and then cross as fast as possible to get to your own court.
- When sending balls back to a neighboring court, roll them on to the back of the court.
- Never send them back while play is in progress. Also, if one of your balls rolls into an adjacent court, don't run after it, just wait for your neighboring court to return the ball when it's convenient.
- When reserving courts please be considerate to other residents by cancelling your reservation when you know that you will not be using it.

Unauthorized Tennis Lessons

Recently there has been an increase of tennis lessons at Riverstone by unauthorized tennis pros. Please keep in mind that HOA rules prohibits the teaching of tennis lessons by unauthorized persons.

Tennis Court Reminders

- Court #6 at The Club at Riverstone and court #9 at Riverstone Blvd are designated as walk on courts.
- Only authorized professionals are allowed to teach at both Riverstone's locations.
- Please remember all tennis court reservations are now available through the Riverstone app only.
