Keep an eye on your mailboxes, as you should soon be receiving an election packet with voting instructions on how to cast your vote for the Riverstone Homeowners Association's Resident Director position. Owners may vote in one of four ways as detailed in the election packet: electronically, by mail-in paper ballot, by proxy, or in person at the Association Office. Residents are strongly encouraged to vote electronically, as this will ultimately reduce the election costs incurred.

Annual Assessments

With the end of the year fast approaching, we want to send out a reminder to be on the lookout for the 2022 Annual Assessment information that will be arriving in your mailboxes this month. Full details on the 2022 Assessment and Budget will be discussed at the Annual Meeting and included in the December Newsletter.

If you have any changes to your mailing address, please contact us no later than Friday, November 5th, or log on to your resident portal to update your account.

All Annual Assessments are due on January 1, 2022 and late after January 31, 2022.

What's the easiest way to make your payment? Why, the Resident Portal of course! Visit www.rshoa.org to login and make your pay-

ment electronically from your couch. E-check payments are FREE! There is a small charge for debit card payments (\$5 flat fee) and credit card payments (3% surcharge). If you've never logged in before, you'll find your account number on your statement (it starts with 1004).

If you have not received your statement by Monday, December 6th, or if you have any questions about your 2022 Annual Assessment, please contact Shannon at Finance@rshoa.org or 281-778-2995. We're here to help!

Check Out Your Resident Portal

Did you know that you have access to your HOA account through our Resident Portal? The Resident Portal provides homeowners with convenient, real time, 24-hour access to your account where you will be able to view and update your homeowner information, view account information and make payments, view compliance violations, architectural requests, and more!

You can access the portal from our website at www.rshoa.org by clicking the Resident Account Portal tab on the top of your screen. When you are logging into the web portal for the first time, you will need to select the "Create login" link. You will then enter your account number and email address. If you do

not have your Account Number, please contact us at customercare@rshoa.org. It will also be printed on the 2022 Assessment statement that will be mailed this month. If you are one of multiple owners associated with the provided account number, you are required to select your name from the list provided. If a match is found, you will be sent an email with a link to complete your new account process. The email link will allow you to create a username and password (usernames must be unique). Once saved, you will be able to login into the web portal. If you have any questions, please contact us at customercare@rshoa.org or 281-778-2222.

Compliance Holiday Reminders

We understand that the season of giving, and gifts is quickly approaching! Adults and children alike may be receiving new gifts and fun additions for the holiday season. As a reminder, please note that residents should submit an ARC Modification Application for basketball goals, playsets, and other items related to the outside of the property. Modification submittals are reviewed by the Architectural Review Committee at least monthly. Residents can download the ARC Modification Application from our website at www.rshoa.org and email the application to ARCModification@rshoa.org.

The holidays can be a joyous time of family gatherings and cheer. From wreaths, tinsel, and colorful lights to Frosty the Snowman and Santa's reindeer, decorations are a fun and beautiful way to celebrate the season. While the Association enjoys seeing the holiday spirit

being displayed as much as anyone else, we would like to send a friendly reminder to all residents to adhere the deed restrictions when decorating the exterior of your homes. Per the deed restrictions: "Customary seasonal decorations for national holidays are permitted for a maximum of twelve (12) days or thirty (30) days, in the case of Christmas, subject to the right of the Residential ARC to specify a maximum size and other guidelines for decorations". ALL holiday décor must be removed on or before January 25th.

HOA UPDATES

All About Trees!

Fall is upon us and the weather will soon be cooling down. While the hot summer takes a toll on certain trees and other greenery, the fall and early winter is an ideal time for replanting and maintenance. Here are some tips, guidelines, and reminders to help keep the community well maintained.

Have your trees trimmed and pruned on a regular basis to meet the standards set forth in the Deed Restrictions. We also request that you trim off any landscaping that is growing from your property onto community brick walls. Foliage on the brick walls lessens the life span of the walls overtime. The foliage encourages the breakdown of a wall by holding water that causes freeze thaw, with roots and stems that can expand and create cracks, and by the pure weight that can pull a structure over.

When deciding to replace or add a new tree to your property refer to the preferred plant list, which can be found in the Residential Design Standards for Riverstone, for a list of all acceptable ornamental trees and other landscaping. Please refrain from planting banana trees or bamboo, as these are not permitted.

Remember that approval from the Architectural Review Committee is required prior to any exterior modification being made to your property, including the removal and replacement of trees. Residents can download the ARC Modification Application from our website at www.rshoa.org and email the application to ARCModification@rshoa.org.

Wildlife in Riverstone

Many residents are drawn to the natural beauty of the Riverstone community, which is also home to many of Texas' native animals. Local wildlife may include deer, snakes, armadillos, raccoons, field mice/rats, nutria, alligators, birds of prey, opossums, and wild hogs. While Riverstone HOA cannot control which types of wildlife inhabit or migrate through the community, efforts may be taken to reduce the negative impact that wildlife have on common areas.

We proactively install fencing near common and HOA reserve areas to help keep larger 'nuisance' animals from entering the community. Unfortunately, not all areas are able to be fenced off. Limitations such as neighborhood openings, pipelines/utility easements, undeveloped lots and streets, and public service areas that prohibit fencing potentially allow wildlife access into Riverstone. Riverstone HOA plans to continue to monitor and repair fencing and common areas damaged by wildlife. Through continued efforts with Texas Parks and Wildlife, local entities, and Riverstone residents, our goal is to try to deter 'nuisance' wildlife away from the Riverstone community.

FAQ's

1. What to do when I encounter wild hogs? (TPWD)

- Be calm and move slowly away from the animal. Do not approach or attempt to feed the animal.
- Keep a safe distance and do not corner or provoke the animal (i.e. by using a flash while taking pictures of it).
- If you see adults with young piglets, leave them alone.

2. Why is the Association not setting traps?

For all wild hog traps to be successful, it is critical to pre-bait—that is, to place bait in the trap for at least a week before setting the trap. Trapping without pre-baiting is ineffective. Unfortunately, pre-baiting will also attract animals and accustom them to entering the

trap itself, potentially encouraging more hogs and other animals to enter the neighborhood. (Texas A&M Agri-Life Extension).

Also, the HOA is not able set traps on land it does not own. Further, trapping, including pre-baiting, may have the unintended effect of creating dangerous situations for our residents, their children, and pets who could be injured by the traps. This not only creates major concerns about the safety of our residents, it creates potential liability for everyone involved. If a claim results in a suit against the HOA, a claims history is created thereby resulting in increased premiums which directly impacts the amount of the assessments paid by owners and the HOA's ability to obtain insurance in the future. The HOA must balance the uncertainty of success and potential disadvantages with using traps against the possible risks and liability which is created by their use.

3. What do wild hogs eat? (TPWD)

Wild hogs are omnivorous, meaning they eat both plant and animal matter. They are very opportunistic feeders and much of their diet is based on seasonal availability. Foods include grasses, forbs, roots and tubers, browse, mast (acorns), fruits, bulbs and mushrooms. Animal matter includes invertebrates (insects, snails, earthworms, etc.), reptiles, amphibians, and carrion (dead animals), as well as live mammals and birds if given the opportunity. Wild hogs feed primarily at night and during twilight hours but will also feed during daylight in cold or wet weather.

4. Can I wipe out a hog population through hunting or trapping? (TPWD)

The wild hog has managed to survive, adapt, and increase their numbers despite attempts at population control. While it is possible to keep the population in check with continuous control, it is highly unlikely to eradicate a hog population within an established range.

Tennis Court Etiquette

- Talk quietly when standing near tennis courts that are in use so as not to disrupt players on adjacent courts.
- Never walk behind a court when a point is still in play. Wait until the point is over and then cross as fast as possible to get to your own court.
- When sending balls back to a neighboring court, roll them on to the back of the court.
- Never send them back while play is in progress. Also, if one of your balls rolls into an adjacent court, don't run after it, just wait for your neighboring court to return the ball when it's convenient.
- When reserving courts please be considerate to other residents by cancelling your reservation when you know that you will not be using it.

Unauthorized Tennis Lessons

Recently there has been an increase of tennis lessons at Riverstone by unauthorized tennis pros. Please keep in mind that HOA rules prohibits the teaching of tennis lessons by unauthorized persons.

This year, rather than beating yourself up for indulging in a plethora of feasts, let's shape your mind instead of your waistline and employ healthy eating habits. Join Tiffany Krempel as we discuss how to choose your splurges, tactics to help reduce emotional eating, enjoying seasonal treats guilt-free, and why Grandma's turkey is the best!

Please register for event in the Riverstone app. All participants that join the zoom link, please leave your name and email in the chat box. Everyone who joins the call will be entered to win a \$50 gift certificate!

RIVERSTONE TREE LIGHTING PUTTING THE 'BRIGHT' INTO 'MERRY AND BRIGHT'

The holiday season will officially be merry and bright starting Thursday, November 18th, as we host the 4th Annual Tree Lighting ceremony. Join us for hot cocoa (the first 100 guests), live music and the opportunity to cheer Santa as he lights up our majestic Christmas tree. And as a special thank you for attending, you'll go home with our annual Riverstone ornament! We ho-ho-hope you'll be able to attend!

HOLIDAY MARKET

Holiday shoppers in search of unique gift items will discover plenty at the annual Riverstone Holiday Market! This annual market is a mecca for those searching for artisanal jewelry, clothing, specialty food items and more, with dozens of vendors participating. You're sure to check off your holiday shopping list as well as find a little something for yourself.

Admission is one canned good (although you're welcome to bring more) that will go to Second Mile Mission Center. Your donation also entitles you to sample light hors d'oeuvres, two signature cocktails and a custom shopping bag (while supplies last). This popular event is open to the public, so please bring your family and friends!

PANCAKES WITH THE GRINCH YOU'RE GOING TO FLIP FOR THIS HOLIDAY BREAKFAST

He's as cuddly as a cactus and as charming as an eel—who wouldn't want to have breakfast with Mr. Grinch?

Mr. Grinch will be slinking his way to The Club at Riverstone for a pancake breakfast sure to be so sweet that we predict Mr. Grinch's heart will grow three sizes, which means he'll be more than happy to pose for photos. We'll also have kid-friendly holiday activities to add to the fun.

Registration will be available for one of two time slots – 8:00am to 10:00am and 10:00am to 12:00pm. Each time period is open to 50 children. Cost is \$20 per child with one parent. Each additional child is \$10. Info on registration will soon be available on the Riverstone App.
