Compliance Holiday Reminders

We understand that the season of giving and gifts is quickly approaching! Adults and children alike may be receiving new gifts and fun additions for the holiday season. As a reminder, please note that residents should submit an ARC Modification Application for basketball goals, playsets, and other items related to the outside of the property. Modification submittals are reviewed by the Architectural Review Committee the first Wednesday of each month. Residents can download the ARC Modification Application from our website at www.rshoa.org and email the completed application to ARCModification@riverstone.com.

The holidays can be a joyous time of family gatherings and cheer. From wreaths, tinsel, and colorful lights to Frosty the Snowman and Santa's reindeer, decorations are a fun and beautiful way to celebrate the season. While the Association enjoys seeing the holiday spirit being displayed as much as anyone else, we would like to send a

friendly reminder to all residents to adhere the deed restrictions when decorating the exterior of your homes.

Per the deed restrictions: "Customary seasonal decorations for national holidays are permitted for a maximum of twelve (12) days or thirty (30) days, in the case of Christmas, subject to the right of the Residential ARC to specify a maximum size and other guidelines for decorations." All holiday décor must be removed on or before January 25th.

The Riverstone Compliance Department also encourages all residents to take a few minutes and look over their property for any potential Deed Restriction issue that may result in a violation. Even during the colder months, weeds, mildew, and other problems may arise on your property.

The Compliance Department would like to wish everyone Happy Holidays!!

Riverstone Tennis Leagues

We are excited to share that due to the recent light upgrades at The Club at Riverstone Tennis Courts and the results from our most recent tennis survey, we will begin allowing Tennis/Pickleball League play beginning Spring 2023 (with roster being due to league organizations by December).

Teams for league play are formed and organized by residents. Below are the guidelines/rules for league play:

- Roster and schedule must be submitted to the HOA Office prior to league season starting.
- The minimum number of courts and times required by each respective league for the season will be blocked once schedule has been received by the HOA.
- As we introduce this new element, only one team per league organization (with non-conflicting times) will be accepted.

- Total Riverstone fee must be submitted in one payment to the HOA Office prior to league season starting. Outside of the league organization costs, the fee required by Riverstone is \$10 per each resident on the team and \$25 for each non-resident on the team (per league team/season).
- Team workouts will be available by the authorized Riverstone Tennis Pros only. Fee is expected to be \$25 per player times the number of weeks for 1.5 hours of drills and workouts each week. Total fee must be submitted to Tennis Pro on the first day of workouts.
- No outside Tennis Pro will be permitted for drills and workouts.
- The minimum number of active residents per team is four.

If you have any questions relating to tennis/pickleball leagues, please contact TennisPro@Riverstone.com.

NEIGHBORHOOD NEWS

Riverstone Business Spotlight

What if you could squeeze a big workout into a small part of your day—and have heart-pumping fun while you do it? You can when you sign up for your first fitness class at CycleBar Sugar Land.

CycleBar opened more than two years ago. Tara Joshua, general manager for CycleBar Sugar Land said the company wanted to bring indoor cycling fitness to the neighborhood.

“Cyclebar is basically in the backyard of so many of our members here in Riverstone, and still easily accessible to the surrounding communities,” Joshua said. “We opened with the intent to make it a quick and easy trip to get a high-intensity workout in.”

CycleBar is not your average cycling studio. A multiple number of unique classes are offered throughout the week so there is always something for everyone. The “Classic Ride” mixes strength and endurance work with fun choreography. A “Connect Ride” helps riders unwind by ditching monitors and in-studio screens. For those ready for a greater challenge, the “Empower Ride” focuses on strength.

“Our classes are designed as low-impact but high-intensity workouts that get your heart racing at your own pace,” Joshua said. “With consistency, you feel yourself getting stronger and wanting to push yourself to the next level.”

Joshua said that the welcoming atmosphere is what makes CycleBar different from other fitness studios.

“Everyone is welcome here at CycleBar,” she said. “Everything about the experience, from booking your first class, to entering the studio and taking class is a very welcoming experience for all. Despite your fitness level, age, gender or body type, this workout is for you.”

Beginners are given everything they need to feel successful including complimentary cycling shoes, a fresh sweat towel and answers to any questions.

“Once you arrive, we help customize your bike to your perfect measurements as well as show you all features of the equipment,” Joshua said. “You’ll start your class feeling super prepared and ready for a fun, exhilarating new challenge!”

The benefits of indoor cycling go well beyond burning calories, boosting muscle endurance and increasing your heart health, Joshua said.

“Cycling is a great way to activate endorphins in your brain—the feel-good chemicals that put you in a great mood,” she said. “This workout is gentle on the joints, and since it is a challenging workout, it helps build mental strength. With group exercise such as CycleBar, you also gain a sense of community.”

CycleBar currently employs seven instructors whose job it is to help each rider meet their fitness objectives.

“Our instructors are the heartbeat of the studio,” Joshua said. “They serve as equal parts coach, motivator, DJ, and friend, with a mission to help each rider reach their fitness goals and push themselves to new limits.”

The most important thing any rider can do is show up.

“You don’t need to be the best one in the room, you just need to show up as your best self and let us take it from there,” Joshua said. “Sometimes, showing up can be the hardest part for new or experienced riders. Once you clip your shoes into the bike, our instructor will guide you through an exhilarating, heart-pumping party on a bike! The lights dim low, and the music starts bumping, creating an atmosphere that helps you zone in on you and shut out the outside distractions for 45 minutes. Afterward, you will be so glad you conquered that workout.”

To learn more visit CycleBar online www.cyclebar.com/location/sugar-land or call them at (832) 539-1629.

Fort Bend County Nonprofit Spotlight

The Fort Bend Seniors Meals on Wheels program is a lifeline for seniors in need.

And we're not just talking food.

Launched in 1974 and one of Fort Bend County's oldest non-profit organizations, Fort Bend Seniors provides Meals on Wheels services to about 1,200 seniors each day—68 percent of them are homebound.

One hot meal is delivered Monday through Wednesday, with a hot meal and three frozen meals delivered on Thursday. Meals are specific to the nutritional needs of seniors and include a protein, vegetable, starch, bread, fruit or dessert and milk. Some staff members help deliver meals, but the organization relies heavily on volunteers to serve the growing number of homebound seniors.

"We are in need of more volunteer delivery drivers," said Kristie Phillips, Development Coordinator. "Not only are they delivering much-needed food, but for many of our home-delivered clients, we are the only social interaction they have all day."

She said social and economic factors determine 40 percent of health outcomes, as compared to 20 percent being determined by medical care.

"As 91 percent of our clients live near or below the poverty level, this social interaction is extremely important," she said.

Seniors who are not homebound can visit one of eight congregate centers found throughout Fort Bend and Waller counties. Seniors not only receive a hot meal at the centers, but also can play games and attend art and fitness classes, as well as enjoy other activities. Participants can visit a senior center, but regular visitors are asked to enroll in the program.

Seniors must be 60 years old to receive services from Fort Bend Seniors, which also serves Waller County residents. Needs are then determined by the organization's intake department in compliance with federal and state regulations. Participants in the home-delivered meal program must be unable to physically attend a senior center and unable to safely prepare their own meals.

Phillips said there are about 70 new participants each month in the home-delivered meal program.

"This demand is really straining our budget," she said.

In addition to monetary donations and meal delivery drivers, those wanting to help the organization can participate in the Fort Bend Seniors Secret Santa holiday tradition. Through this initiative, every Fort Bend Seniors client receives a gift—a holiday-themed shopping bag with a new general-neutral towel set and one or more personal items such as a wall calendar, lotion, flashlight, slip-proof socks, large print puzzle book, soap, and shampoo/conditioner (no food items). Gifts should be placed in a large holiday-themed reusable shopping bag and dropped off at 1330 Band Road, Rosenberg from 10:00am to 2:00pm Monday through Friday. You can also purchase gifts from the organization's Holiday AmazonSmile Wishlist. More information can be found on the organization website, www.fortbendseniors.org. The deadline to drop off gifts is Dec. 1.

Your help is needed to help the more than 2,000 seniors in the Fort Bend Seniors program remain independent.

"The ability to remain independent could be impacted due to lack of nutrition and lack of socialization," Phillips said. "Both of these are critical to the independence, health and well-being of our program participants.

Those wanting to learn more or interested in volunteering can visit www.fortbendseniors.org or reach Phillips at kristie@fortbendseniors.org.

1. Clean and trim fresh green beans.
2. Heat a small amount of olive oil in a skillet and add beans, allowing them to slightly char.

5. Serve warm topped with feta cheese and sliced almonds

Healthier Creamy Mashed Potatoes

Potatoes (Russet or Yukon Gold) • Plain Nonfat Greek Yogurt (or Low Fat Sour Cream)* • Skim Milk • Salt & Pepper

Tennis Court Etiquette

- Talk quietly when standing near tennis courts that are in use so as not to disrupt players on adjacent courts.
- Never walk behind a court when a point is still in play. Wait until the point is over and then cross as fast as possible to get to your own court.
- When sending balls back to a neighboring court, roll them on to the back of the court.
- Never send them back while play is in progress. Also, if one of your balls rolls into an adjacent court, don't run after it, just wait for your neighboring court to return the ball when it's convenient.
- When reserving courts please be considerate to other residents by cancelling your reservation when you know that you will not be using it.

Unauthorized Tennis Lessons

Recently there has been an increase of tennis lessons at Riverstone by unauthorized tennis pros. Please keep in mind that HOA rules prohibits the teaching of tennis lessons by unauthorized persons.

Tennis Court Reminders

- Court #6 at The Club at Riverstone and court #9 at Riverstone Blvd are designated as walk on courts.
- Please remember all tennis court reservations are now available through the Riverstone app only.
- Remember that court reservations will be forfeited after 15 minutes of not showing up for scheduled start time.
- Tennis courts are for the use of tennis or pickleball play only. Any other sports or equipment are strictly prohibited. For more information refer to rule #4 at the Resource Center under Community Info.

IT'S A 'WONDER-FUR' LIFE PHOTO CONTEST!

The holidays are our favorite time of the year for so many reasons—we get to decorate our homes, listen to our favorite holiday tunes and watch cheesy movies. Our favorite part of the holidays, however, might be dressing our pets! Pets already look adorable in any kind of clothing, so dressing them up for the holidays is just “purr-fect!”.

We want to invite all of you to join in on the holiday fun, which is why we are hosting our, It's a Wonder-Fur Life Photo Contest! Dress your pet in their holiday best for a chance to win a \$75 gift card! Please only two photos per entry. The contest will start Friday, December 2nd and go through Sunday, December 18th. BLAST FROM THE PAST

Riverstone Homeowners Gathered for the Last Bite Nite Friday of the Year, Fall Edition!

Ending this series with a bang, DJ Mike got everyone off of their feet as the lawn was filled with dancing moves to both famous and spooky tunes. Between line dancing, dancing competitions and games.... the crowd for sure had a great time. Food trucks stationed in front of the clubhouse satisfied residents hunger, while face painters and balloon twisters brought smiles to children's faces. At sundown many grabbed a cool treat and cotton candy and headed to the event lawn to view the movie, Hocus Pocus.

**DO YOU HAVE
MODERATE
TO SEVERE
ATOPIC
DERMATITIS?**

Consider this
clinical research study for
adults age 18-75.

Atopic dermatitis is the most common type of eczema. It makes skin dry and itchy. It usually appears on the face, arms, and legs and can cause rashes, discolored areas, or bumps. There is no cure for atopic dermatitis, though medications can provide some relief.

This clinical research study will evaluate multiple rising doses of an investigational study drug in adults who have moderate to severe atopic dermatitis. Researchers will test the safety and tolerability of the investigational study drug and how the body responds to it compared to a placebo. A placebo looks like a study drug, but it has no active ingredients.

You may qualify for this study if you are 18-75 years old and:

- You have had atopic dermatitis for at least 6 months
- Your atopic dermatitis is at least moderate in severity
- Topical (applied to the skin) treatments have not helped

There are additional criteria that will determine if you qualify for this study.
