NEIGHBORHOOD NEWS

Calling All Volunteers

Annually, the Riverstone HOA Board appoints resident volunteers as members on various committees that have been created specifically geared towards different areas of interest. A few current committees include the Hearing Advisory Committee, the Landscaping Committee, and the Architectural Review Committee.

Architectural Review Committee—This committee is responsible for reviewing applications related to modifications of residential properties and will help develop policies/guidelines for the community.

Hearing Advisory Committee—This committee is responsible for determining if fines or other penalties should be imposed for violations of the Associations' respective dedicatory instruments.

Landscape Committee—Residents serving on this committee shall assist in identifying landscaping-related projects, as needed. They shall coordinate yard of the month and annual holiday decorating contest, as well as, help HOA staff identify areas that may not accurately reflect the pride of this community (i.e., littering) and work with HOA staff to brainstorm and implement ideas that promote taking pride in our community.

Foundation Committee—This committee works alongside the HOA Staff and Board to review grant applications and select projects and programs believed to best reflect the needs and interests of the community. Foundation fees are primarily used to fund community events, health and wellness, technology, education, the environment, and enhancements to infrastructure within the community.

Gated Neighborhood Committees—Responsible for recommending service levels and providing input on reserve projects for their respective Gated Neighborhood (such as gate operations, landscaping, camera systems, etc.). They also provide input on annual Gated Neighborhood Assessment levels and annual budgets.

Finance Committee—This committee will Work alongside the HOA Staff and Board to review short and long-term investments of Riverstone HOA funds, Riverstone's HOA Annual Operating Budget, capital requirements, reserve studies, and insurance coverage.

If you are interested in serving on a committee during 2024 or want to learn more about this opportunity, please contact us by calling our main office at 281.778.2222 or emailing us at customer care@riverstone.com. Riverstone is a wonderful community because we have dedicated and active volunteers—Please join in the fun!

WHAT EVERYONE NEEDS TO KNOW ABOUT FRAUD

What is Fraud?

Fraud is a wrongful or criminal deception intended to result in financial or personal gain at a loss to a victim.

Phone Swindles—When a person calls and impersonates a government entity such as FBI, IRS, or police and asks you for money or to pay a debt you do not owe.

Zelle or Cash App Scams—Scammers will pretend to work for a bank or credit union fraud department. Banks or credit unions will never call you and ask for your personal information.

Romance Scams—The swindle involves social media and dating apps. According to the Federal Trade Commission (FTC) people lost \$547 million to romance scams in 2021, up 80%

Lottery Scams—Involves a scammer calling stating you won the lottery, but need to pay for the taxes. If you truly win, the money for taxes will be taken from the proceeds.

Online Purchase Scams—Scammers selling goods online on marketplace or social media. Do your research before purchasing goods online. Only purchase puppies, cars, jewelry, handbags, or other big-ticket items on social media by verifying the seller is credible.

Family Emergency Scams—Scammers call pretending to be a friend of a family member and state the family member is injured or in jail and needs money. In this instance, ask a question only your family member will know about you.

Staying current on the latest types of scams can help you identify the risks and learn how to avoid them to protect yourself. Here are some tips from the desk of Sheriff Eric Fagan to help avoid scams.

- Do not share personal information such as usernames, passwords, social security numbers, or birthdates.
- Do not send money orders or checks to someone you do not know
- Always mail checks inside a Post Office. Never use the neighborhood Blue Bin (collection box)
- Never purchase expensive items on the internet. You should see the item you're buying.
- Always use credit cards for purchases; Federal law does not protect debit cards.
- Pay for gas inside the gas station, not at the pump (be aware of scanning devices).
- Only give someone your PIN if you trust the person with your bank account.

NEIGHBORHOOD NEWS

Compliance Reminders

Holiday lights and decorations must be removed by January 26th.

Trash/Recycle Bins Trash and recycle bins left out in public view on non-trash days are among the top violations that the Compliance department sees throughout our community. To help keep our community looking its best, we want to remind all residents to remove their trash/recycle bins from public view on non-trash days.

Lawn Bags Lawn clippings that are left in bags at the curb or end of the driveway are also considered a violation of the deed restrictions. All trash, including the lawn clippings, must be placed in an appropriate container and stored out of view on non-trash days.

Topping Trees

Topping can remove 50 to 100 percent of a tree's leaf-bearing crown. Leaves are the food factories of a tree. Removing them can temporarily starve a tree and trigger various survival mechanisms.

- **Leads to Decay**

Correct pruning cuts are made just beyond the branch collar at the point of attachment. However, cuts made along a limb between lateral branches create stubs with wounds that the tree may be unable to close. Causing the exposed wood tissues to begin to decay.

- **Makes Trees Ugly**

The natural branching structure of a tree is a biological wonder. Topping removes the ends of the branches, often leaving ugly stubs. Topping destroys the natural form of a tree.

- **It's Expensive**

Topping can lead to increased maintenance costs, Reduced property value, and increased liability potential.

- **Alternatives to Topping**

Small branches should be removed back to their point of origin. If a larger limb must be shortened, it should be pruned back to a lateral branch large enough (at least one-third the diameter of the limb being removed) to assume the terminal role. This branch reduction method helps preserve the tree's natural form.

Thank you for your help to keep Riverstone beautiful, and Happy New Year from the Compliance Department!

Apply Before You Modify

Did Santa bring a new basketball goal or playset? Or do you want to add to your house, or build a new shed, or fence in your backyard? Before you break out the miter saw, make sure you get your plans approved by Riverstone Homeowners Association's Architectural Review Committee.

While it may seem arbitrary from an individual homeowners' standpoint, the Architectural Review Committee (ARC) looks out for the entire community. Aside from stopping residents from painting pink polka dots on their houses, the committee's job is to make sure that the size and style of the project, the type of building materials being used, and the overall look of the new structure adhere to the Association's design requirements. Not only does this keep the community looking cohesive, it also helps to keep property values up by preventing individual structures from standing out. It's also important to note that unapproved modifications might legally have to be removed at the owner's expense, so save yourself money and headaches by getting it approved first!

Modification application forms can be found online at www.riverstone.com> Compliance Department and should be submitted to the HOA office. Any questions can be submitted directly to Erica Aguirre, Compliance Administrative Assistant, at ericaa@riverstone.com or by calling 281.778.2222. Please note all modifications must go through an approval process and that the Association staff will NOT give verbal approval of any modifications. We appreciate all the hard work residents put in to make their homes and this community beautiful—help us keep this Association looking great by keeping us in the loop of all your building projects.

Riverstone Business Spotlight

Finding high-quality educational toys for kids isn't always easy. Which is why Riverstone residents Lynn Gao and Shenglan Fu founded Monster Kids, a toy store dedicated to helping parents find the right toys for their children.

Gao and Fu are best friends who were constantly seeking new and exciting ways to engage and educate their children. According to Gao, some brands impressed them, but others left them disappointed.

"In late 2019, we decided to take matters into our own hands," Gao said. "This is when we initiated our online store with a distinct focus—curating our collection of toys. We were determined to make this collection stand out by ensuring it offered high-quality, educational and enjoyable play experiences while maintaining reasonable prices."

Their online business proved successful leading them to acquire their first warehouse in 2021 followed by a brick-and-mortar store which opened at the beginning of 2023.

The name is an affectionate reference to their children.

"It often feels like we're wrangling four little monsters, albeit in the most endearing way," Gao said. "It's this delightful chaos that inspired us to name our business Monster Kids, as we playfully view all these little ones as our own little monsters."

Gao feels that the name encapsulates the spirit of fun, imagination, and boundless energy that childhood represents.

At Monster Kids, parents and children can choose from a wide array of toys and games for babies, toddlers and children ages 6 and up. New toys are tested by Gao and Fu's own children to ensure they are fun to play with and provide long-lasting entertainment. Quality, safety and price are important.

"Quality and safety are our top priorities, so every product we select must meet

MONSTER KIDS

our stringent standards," Gao said. "Reasonable price is also important to us. We strive to offer toys and gifts that provide great value for the price, ensuring they are accessible to all."

Parents can conveniently shop Monster Kids online, but Gao believes physical stores are important.

"I firmly believe in the importance of the shopping experience," she said. "In today's world of convenient online shopping for parents, we often overlook the joy of shopping with our children. At Monster Kids, we aim to bring back that delight by offering an array of display toys that allow kids to try and feel the products before making a choice."

Gao and Fu enjoy helping their customers choose just the right toy, considering the recipient's age, preferences and budget. To make things easier, they offer free gift wrapping for purchases over \$25.

"We've had the joy of serving customers who drop by, select a toy, and have it beautifully wrapped" Gao said. "They can head directly to birthday parties on three consecutive weekends. It's moments like these that truly make our work fulfilling."

A locally owned business, Gao and Fu make a point of giving back to the community. They sponsor events at Sullivan and Bhuchar elementary schools, as well as participating in Riverstone events such as the Holiday Market and back-to-school events. They look forward to seeing families at events and at the store.

"We hope everyone in the neighborhood becomes familiar with your local toy store," Gao said. "Whenever you're in search of new toys or gifts, don't forget to drop by and explore our store in person."

Monster Kids is located at 4821 LJ Parkway in Sugar Land. For more information, visit <https://monsterkidsus.com> or phone them at 832.539.6144.

Tennis Court Etiquette

- Talk quietly when standing near tennis courts that are in use so as not to disrupt players on adjacent courts.
- Never walk behind a court when a point is still in play. Wait until the point is over and then cross as fast as possible to get to your own court.
- When sending balls back to a neighboring court, roll them on to the back of the court.
- Never send them back while play is in progress. Also, if one of your balls rolls into an adjacent court, don't run after it, just wait for your neighboring court to return the ball when it's convenient.
- When reserving courts please be considerate to other residents by cancelling your reservation when you know that you will not be using it.

Tennis Court Reminders

- Court #6 at The Club at Riverstone and court #9 at Riverstone Blvd are designated as walk on courts. They are available for walk-on play during tennis court hours. Please be mindful when using the courts for walk-on play and limit your time to a maximum of 2 hours.
- Please remember all tennis court reservations are now available through the Riverstone app only.
- Remember that court reservations will be forfeited after 15 minutes of not showing up for scheduled start time.
- Tennis courts are for the use of tennis or pickleball play only. Any other sports or equipment are strictly prohibited. For more information refer to rule #4 at the Resource Center under Community Info.
- Parking for use of Tennis Courts 9 & 10 is at the Riverstone Blvd Recreation Center. Please refrain from parking within the Parkside neighborhood.

Unauthorized Tennis Lessons

There has been tennis lessons at Riverstone by unauthorized tennis pros. Please keep in mind that HOA rules prohibits the teaching of tennis lessons by unauthorized persons.

BLAST FROM THE PAST

Holiday Market

Riverstone kicked off the holiday season with our annual holiday market! Guests gathered to enjoy an evening of dancing, shopping, and sipping craft cocktails, such as the market's signature gingerbread martini.

Second Mile Mission Center would like to extend a big THANK YOU! to Riverstone for the thousands of canned food items donated.

The Riverstone Team would like to thank all the vendors who participated in this community favorite event and everyone who donated a canned good.
