## Riverstone Community App Mobile Access Update

### ACCESS AMENITIES WITH THE RIVERSTONE APP

Unlock amenities using the Riverstone app.

#### LOGIN TO THE RIVERSTONE APP

Login to the Riverstone app and navigate to the Home Feed.

#### SHAKE YOUR PHONE

Shake your phone within three feet of the reader. The door will unlock.

#### POP UP NOTIFICATION

A pop up will appear stating that your credentials are being sent. If you do not receive this pop up, shake the phone again.

*Riverstone residents can now access amenities and gated neighborhoods with the Riverstone Community App.*

We are excited to introduce a new feature to the Riverstone App! Residents may now open access points with the Riverstone app instead of their key cards!

Do you ever lose or forget your key card and cannot access the amenities or gates in Riverstone? You no longer need to stress about that as long as you have the Riverstone app! A mobile credential was added to all Riverstone Residents' accounts, and you can now unlock all access points where you use your card with your app.

Unlocking the doors/gates and checking in with your community app is simple.

Open the Riverstone App and find the Mobile Access Control page on the main menu for instructions on using your credential. Ensure your app is updated, and you can instantly access amenities by shaking your phone near the access reader. Additionally, Riverstone residents with a home in a gated neighborhood can access their gates by shaking their smartphone.

Join other residents, and start using your mobile access today!

## Recreation News and Updates

### *New Amenities and Features*

*The summer months are perfect for families to spend a day at a Riverstone community pool.* You may notice new features and amenities at The Waterpark and Creekstone Village Pool during your next visit. The Riverstone Recreation Team has worked hard to breathe new life into our pool facilities and create an even more exciting and interactive environment. We are excited to share the new elements and updates with our residents!

Kick off your shoes and get ready for the ultimate lounging

experience! Our newest addition to The Waterpark at Riverstone will make you feel like you've been transported to your favorite poolside oasis. Prepare to relax with the family under one of our new resort-style cabanas! These cabanas are the perfect location for a pool party or just spending an afternoon with a few friends. For more information on the cabana rental process, please visit [www.facilitron.com/rha77479](http://www.facilitron.com/rha77479).

If cabanas are not your style, but you're still looking for shade, don't worry—we have you covered! Grab a deck chair and find a cool spot under the newly installed cantilever umbrellas. Additionally, to enhance our resident's pool experience, we have a new snack and drink vending machine that offers a variety of treats.

The Creekstone Village Pool will open on Memorial Day weekend, but we wanted to share a sneak peek of the exciting developments. The Creekstone facility is currently undergoing a facelift; the most notable are renovations, including the repairs to the parking lot and playground, rehabilitation of the pool and pool deck, colorful new shade structures, a new water fountain, and a new play feature that is sure to be a splash with kiddos.

## Metal Fence Maintenance

*Metal fences require proper maintenance to keep them looking their best and functioning properly. Here are some easy tips to help you keep your fence looking great!*

### Regular Cleaning

One of the most important aspects of metal fence maintenance is regular cleaning. Over time, dirt, grime, and other debris can accumulate on the surface of your fence, causing it to lose its shine and beauty. To keep your fence looking its best, clean it at least once a year using mild detergent and water. You can use a soft-bristled brush or a pressure washer to remove any built-up dirt and grime.

### Inspect for Damage

Inspecting your metal fence regularly for signs of damage, such as rust or bent sections, is essential. Rust can weaken the metal and cause it to deteriorate, while bent sections can compromise the fence's structural integrity. If you notice any damage, it is crucial to address it promptly to prevent it from worsening. Small areas of rust can be sanded and painted over, while larger sizes may require professional repair or replacement.

### Lubricate Hinges and Latches

If your metal fence has hinges or latches, it is essential to lubricate them regularly to prevent rust and ensure they continue to function correctly.

### Paint Metal Fence

To help protect your metal fence from the elements and keep it looking its best, it is recommended to paint the fence to prevent rust, fading, and other forms of damage.

### Trim Plants and Shrubs

Plants and shrubs growing near your metal fence can cause damage over time. The roots of plants and shrubs can push up against the fence, causing it to bend or break. Additionally, plants and shrubs can trap moisture against the fence, which can cause rust to form. To prevent this, regularly trim plants and shrubs growing near your fence.

Metal fence maintenance is crucial to ensure that your fence lasts for years to come and continues to look its best. Following these tips can help prevent damage and keep your fence in excellent condition. Regular cleaning, inspecting for damage, lubricating hinges and latches, applying new paint, and trimming plants and shrubs are all simple steps you can do to maintain your metal fence.

We appreciate your cooperation.

## Riverstone Business Spotlight

*New Strength Pilates is not your average Pilates studio. Every session is personalized to fit their clients' unique needs so they achieve the best possible result.*

The studio has been working with clients to improve flexibility and strength for 18 years. Five years ago, they moved into a small studio in Riverstone. Two years ago, they needed more space and moved into a larger facility.

"We wanted a private location that was warm and inviting," said Beth Posa, owner of New Strength Pilates. "This building is only two years old and built with the intention of being a Pilates studio. Our clients have access with a coded door with their privacy and safety as our main concern. The studio is brand new and wonderful."

All instructors are certified in the rigorous Stott Pilates method, a contemporary approach to traditional Pilates based on modern principles of exercise science and rehabilitation.

"Our training is considered of the highest quality, internationally," Posa said. "We are certified on all equipment and in all levels, including training in special populations. We are constantly educating to stay current and up-to-date so we can offer our clients the best training possible."

Posa has 18 years of experience and is an Instructor Trainer for Stott Pilates. The studio also employs a personal trainer that directs and teaches weightlifting classes for clients with osteoporosis.

Instructors work with many different types of people, including those with osteoporosis, elite athletes, those with breast cancer, desk workers, bionic clients, people with arthritis, those who have suffered a stroke, people with a back injury and others. Because each client is unique, Posa said instruction must be personalized.

"We don't start on equipment such as the reformer," she said. "We give instruction on how to do Pilates from the beginning, one-on-one. As you are unique, so is your training session. The equipment utilized is hand-picked for you and what you are working on."

The studio is fully equipped with state-of-the-art reformers, stability chairs, every barrel, cadillac, fuse ladder, edges, rollers and more.

"We make our clients' workouts as efficient as possible with the use of props and tools for good alignment, support and challenges," Posa said.

Pilates, Posa said, is beneficial to everyone.

"Pilates lets you discover how you move with stability of joints throughout your body with a major emphasis on core strength—and that does not mean sit ups," she said. "Pilates nourishes your body and teaches you to become a very intelligent mover."

New Strength Pilates is located at 4718 Riverstone Boulevard in Missouri City. Clients can choose group classes, private sessions or online classes. All classes are by reservation. To get started, visit [Newstrengthpilates.com](http://Newstrengthpilates.com) or phone 281.216.6726.

## Fort Bend County Nonprofit Spotlight

*First responders dedicate their lives to helping others. When they need help, they turn to Behind the Badge Charities, a non-profit organization that provides support and assistance to first responders working in Fort Bend County.*

Founded in 2011 after the death of Fort Bend County Sheriff's Office Deputy J.D. Norsworthy from injuries sustained in the line of duty, Behind the Badge Charities assists first responders when their income and/or benefits are insufficient to meet their needs and the needs of their families as the result of illness, injury or death.

"Deputies at the Fort Bend County Sheriff's Office recognized in 2010 that there was no local charitable organization to assist financially in cases of injury or illness," said Ben Simpson, Board President for Behind the Badge Charities. "These colleagues began the process to create Behind the Badge Charities."

On December 27, 2010, Deputy Norsworthy suffered severe injuries from an on-duty car crash while responding to a call and died on January 4, 2011. The very next day, the State of Texas officially recognized Behind the Badge Charities' formation under its original name of the Fort Bend County Sheriff's Employees Charitable Foundation.

"The name was soon changed to Behind the Badge Charities," Simpson said. "They wanted to make it clear to all Fort Bend County first responders that the charity was not only formed to support Sheriff's Office employees."

Today, the organization provides financial assistance to all public safety professionals, including peace officers, fire fighters, local correctional officers, emergency medical technicians, probation officers and 9-1-1 emergency communications professionals serving with local governmental or volunteer emergency services organizations within Fort Bend County.

BEHIND *the* BADGE

EST ★ 2011

C H A R I T I E S

Behind the Badge Charities operates a "10-33" Responder Assistance Fund that provides need-based grants to individual first responders who have suffered injury, serious illness or another disaster that traditional insurance or other assistance has not covered.

"We currently serve 25 to 30 first responders and/or their families annually and have the ability to serve up to 50 annually," Simpson said.

The non-profit has also provided more than 400 college scholarships to the children of current or retired first responders.

Donations and volunteers fuel Behind the Badge Charities and make it possible for them to operate these much-needed programs. Volunteers are always welcome.

"Behind the Badge Charities is most in need of volunteers preparing for and hosting our annual gala that falls on the Saturday before Valentine's Day each year," Simpson said. "However, we also need assistance for outreach to make our Fort Bend County first responders more aware of the support we provide to them."

The success of Behind the Badge Charities depends on the greater Fort Bend County community.

"Behind the Badge Charities needs the voice of the public to share the mission of our charity so we can reach as many first responders and their families that need support during times of financial crisis due to illness, injury or death," Simpson said.

To learn more about Behind the Badge Charities and to donate, visit [www.behindthebadgecharities.org](http://www.behindthebadgecharities.org).

## Tennis Court Etiquette

- Talk quietly when standing near tennis courts that are in use so as not to disrupt players on adjacent courts.
- Never walk behind a court when a point is still in play. Wait until the point is over and then cross as fast as possible to get to your own court.
- When sending balls back to a neighboring court, roll them on to the back of the court.
- Never send them back while play is in progress. Also, if one of your balls rolls into an adjacent court, don't run after it, just wait for your neighboring court to return the ball when it's convenient.
- When reserving courts please be considerate to other residents by cancelling your reservation when you know that you will not be using it.

## Unauthorized Tennis Lessons

Recently there has been an increase of tennis lessons at Riverstone by unauthorized tennis pros. Please keep in mind that HOA rules prohibits the teaching of tennis lessons by unauthorized persons.

## Tennis Court Reminders

- Court #6 at The Club at Riverstone and court #9 at Riverstone Blvd are designated as walk on courts.
- Please remember all tennis court reservations are now available through the Riverstone app only.
- Remember that court reservations will be forfeited after 15 minutes of not showing up for scheduled start time.
- Tennis courts are for the use of tennis or pickleball play only. Any other sports or equipment are strictly prohibited. For more information refer to rule #4 at the Resource Center under Community Info.
- Parking for use of Tennis Courts 9 & 10 is at the Riverstone Blvd Recreation Center. Please refrain from parking within the Parkside neighborhood.

## RIVERSTONE COOKING CLUB

*Do you have a passion for cooking? Are you open to expanding your pallet and exploring cuisines from around the world? Are you interested in connecting with fellow Riverstone neighbors? Then we have the perfect club for you!*

The Riverstone Cooking Club will meet once a month at a hosting club member's home to share recipes, collaborate on dishes, and enjoy a delicious, culturally rich meal.

The Riverstone Cooking Club is intended for adults and will be scheduled on a weeknight unless otherwise specified. This club is designed for residents only. Therefore, only guests that are residents of Riverstone will be permitted.

# BLAST FROM THE PAST

## *We Were Reeling in the Fun at our Kid's Fishing Tournament!*

*Riverstone kiddos gathered around The Club at Riverstone Lake for our annual Kids Fishing Tournament. With great anticipation, the goal was to catch the longest fish for each age group. (4-6, 7-10, 11-14). The longest fish caught that day was 26 inches! Winners for each age group took home a prize and a memory they would never forget. Congratulations to all the winners, and thank you to The Greater Sugar Land of CCA for assisting us during this event.*
