This stunning 1 story Hawthorne plan maximizes square footage with a truly unique open-concept layout. Crafted to impress with double 8' front doors and a sophisticated rotunda which offer a grandiose entrance. The family room is designed to be the hub all activity revolves around. The kitchen island faces the family room so the designated cook can make a meal and stay connected. The island includes ample space for sitting, chatting and quick meals. There's also a formal dining right off the kitchen! And since you can never have enough kitchen counter and storage space, there's also a walk-in pantry. Master bedroom features an additional room which can be used as a sunroom, study or perhaps a workout room. Take your entertaining outside! There's nothing like enjoying the outdoors from the comfort of your covered patio outdoor living area. This home offers privacy as it is located on a cul de sac homesite with no rear neighbors!
