Please provide a brief biography of yourself, including why you are interested in serving as a member of the Board of Directors, and why you are uniquely qualified to do so.

It would be an honor to serve in a capacity which protects the aspirations of Riverstone. As an elected Board Member, it is my desire to uphold the values of the residents of Riverstone through the representation of a community voice.

I currently serve the residents of Fort Bend County as a Sheriff Deputy. I actively provide service to the community by protecting families, family interests and their values through professional community policing.

I have owned several businesses during a 16-year span and can identify with the business minded individual. I am a proud husband and father of two and realize the importance of family and community.

With my Master's Degree in Divinity and Bachelor's Degree in Science, along with my knowledge of community policing, I am prepared to service the rich multicultural diversity of Riverstone and ultimately bridge the gap between the residents and the Board of Directors.
