I have been an active volunteer at my children's schools. Over the past 2 years, I was part of the Sociables committee, which promotes fundraising activities that both raises money and also strengthens the community. I have been a member of NCL (National Charity League) since 2018. This organization allows for mothers and daughters to volunteer together. I have been an active member and over the past 3.5 years we have volunteered with various local organizations. I am currently Recording Secretary for our chapter's Board of Directors and philanthropy liaison for Keep Sugarland Beautiful.

Please provide a brief biography of yourself, including why you are interested in serving as a member of the Board of Directors, and why you are uniquely qualified to do so.

My name is Sabina Vizinat, my husband, our 2 children and I have been living in Riverstone for the past 9 years. I have a diverse professional background from public accounting, Montessori educator and a family real estate business. I am active in the community and have volunteered at several local charities and our children's schools. I am passionate about our environment; it is one of the great draws to our community outside of our schools and amenities. I would like to be considered for the Riverstone Board as I love our community and want to see it continue to be one of the best places to live for years to come.
