I am an active member of Neighborhood Watch and considered "Team Mom" on our street. My husband and I are members of CERT (Community Emergency Response Team), and used this training to assist residents in Shadow Glen, The Orchard, and Millwood during the recent flooding and subsequent demolition. I am currently on the board of New Hope Friendship, a non-profit organization that assists Southern Texas communities. I have served on church leadership and worship teams for many years. I am a regular blood donor (7 gallons) and helped organize a health fair for a struggling nearby Fort Bend County community.

Please provide a brief biography of yourself, including why you are interested in serving as a member of the Board of Directors and why you are uniquely qualified to do so. You may also include personal data, education, etc. (Limit to 150 words).

My husband and I moved from northern California to Sugar Land in 2014 and intentionally chose to have our house built in Riverstone. We made it our mission to get to know and unite all the neighbors on our street to provide an atmosphere of open communication and security. Recently, several of our subdivisions have experienced hog and flood damage, resulting in nuisance, safety and property value concerns. I would appreciate the opportunity to serve on the Board to add value as a resident in the policy making and oversight of operations as well as strategic planning to maintain and enhance the value and safekeeping of our beautiful homes and community as we rebuild to continue to make Riverstone the most desirable community to call home. I have a medical laboratory background, ran my own medical transcription business for 9 years, and enjoy walking our two dogs around the neighborhood.

I hereby submit my name for consideration for election to the RIVERSTONE HOA Board of Directors.
