Being a resident of Riverstone and working from home for the majority of professional time, I get to understand needs of the community from a resident prespective. As a small business owner in service industry, I see the difference between the prespective of resident paying \$1000+ fees and running a NP Organization to serve 5000+ homes and therefore I feel that I can build a strong relationship between residents and HOA.

I hereby submit my name for consideration for election to the RIVERSTONE HOA Board of Directors.
