LUKE—Your Community Assistant

LUKE is a free app that can be installed by residents on either their Android or Apple mobile devices. This resident reporting tool allows you to directly submit maintenance issues such as irrigation, damaged common areas, etc. to the HOA Operations Team and then follow the resolution process (if you desire). The Riverstone HOA is happy to provide yet another tool for residents (in addition to telephone calls and emails) to communicate directly with the Association staff on community concerns. Download LUKE today on your mobile phone to get started! *(www.getluke311.com)*

Have You Checked Out Riverstone HOA's Website?

To help all residents stay connected and informed with Association matters, the Riverstone HOA launched http://www.rshoa.org. Residents can access governing documents and guidelines, view annual assessment information, print application forms for modifications, gate changes, and amenity cards, view meeting agendas and minutes, and so much more! This site is still a work in progress, so new information will continue to be added as the year progresses.

HOA Reserve Account:

What are HOA Reserve Accounts?

Reserve accounts (also referred to as "reserve funds" or simply "reserves") are funds set aside by the Homeowners' Association to pay for the replacement or repair of community property. Reserves are intended to prevent the need for special assessments if/when the HOA encounters a large or unexpected expense. For example, repairs to HOA common areas after Hurricane Harvey were paid out of the Reserve Account as they were both large and unexpected (thus, un-budgeted). Without this "savings account", the HOA would need to create a Special Assessment charged to all homeowners in the middle of the year to cover these unexpected expenses. As the years go by, and our assets age, their repair and/or replacement is inevitable, and the Reserve Account is designed to cover those costs.

How Is It Funded and How Much Money Should Be in the HOA Reserve Account?

Riverstone's HOA Reserve Account is funded in two ways: First, the majority of the funds are collected at the resale of every property. Every homeowner pays into the Reserves when they buy their home as a one-time fee. This Reserve Account Payment is equal to 100% of the Annual Regular Assessment. Secondly, a small portion of your Annual Regular Assessment is also deposited into the Reserve Account.

Just as you might have a formula for maintaining a certain amount in your personal savings account (three to six months' worth of your salary, for example), the HOA must determine an appropriate amount to put in its reserve account. An HOA commonly has an outside Reserve Specialist prepare a "reserve study," which sets out a long-term schedule of likely costs and repairs. The reserve study will, in most cases, estimate the cost and timing of the repairs and replacements to the common areas that will likely be needed over

the next 20 to 30 years. For example, if the reserve study anticipates that the clubhouse will need

will

a new roof in ten

years, the study's

spread out the

estimated cost of

the repairs over

the ten-year pe-

schedule

and How Is It Funded

What It Is, Why We Need It,

riod, and advise that the HOA collect enough in periodic dues to set an apportioned amount into the reserve account in each of those ten years.

UPDATED HOA HOURS

In order to better suit our resident's needs we

will now be opening an hour earlier on Wednesdays, from 8:00am to 6:00pm. All other hours the rest of the week will stay the same at 9:00am to 5:00pm.

Holiday Lights Decoration Contest

Riverstone Compliance Team: "Hot Topics"

The Compliance staff meets regularly to review community compliance issues that arise throughout the course of the year. Riverstone reminds residents of the following Deed Restriction guidelines:

Pets: Riverstone is happy to be a pet friendly community, even offering a dog park for our furry friends to play in! Pet owners are reminded that dogs should be on a leash at all times when out walking within the community. Additionally, residents are asked to be respectful of their neighbors when walking their dogs and to pick up after them. Take a baggie with you to pick up your pet's waste and be sure to dispose of it properly. Nothing "stinks" worse than stepping in a surprise in your yard or on the sidewalk. By simply cleaning up after your pet, you can contribute to the beautification of our wonderful community!

Trash Cans: Other than on trash collection days, trash cans should not be visible from the street or by adjacent neighbors. Residents may place trash cans (and recycle bins) curbside the evening prior to collection. Following trash pick-up cans must be put away and out of public view.

Landscaping: February is a good time to apply a turf fertilization with a pre & post-emergent herbicide to help control weeds in your lawn. This is also a good time for trimming trees and shrubs for the Spring.

Mulch in Landscaping Beds

As the promise of warm weather nears, many residents are anxious to freshen up their landscape beds. While it still might be too early to cut back dead plant material, replacing faded mulch with new mulch is an easy way to quickly improve the appearance of landscaping beds. Not only is new mulch aesthetically pleasing, but it also serves a practical purpose. Mulch helps insulate plant roots from extreme temperatures, helps prevent the growth of weeds, and helps retain water for plant use.

Please note that per the Riverstone Residential Design Standards, RED MULCH is prohibited. The standards may be viewed online at www. rshoa.org, in the "Resource Center", under "RSHOA Governing Documents". Any questions should be directed to the Riverstone Compliance Department by emailing compliancedept@rshoa.org or by calling 281.778.2222.

BE ON THE LOOKOUT

On Sunday, February 3rd The USA Fit Marathon and Fort Bend Kia Half Marathon will be running though the Riverstone community. Roads will be closed to one lane and drivers should be aware of runners on the road. Lanes on University Blvd from LJ Parkway to 59 will be closed until 1pm. If you would like to see the course and route, please visit the following website: http://usafitmarathon.com/marathon/course/. You can also visit the marathon webpage for more information: http://usafitmarathon.com.

Riverstone LOAM CSA

Get Farm Fresh Vegetables Delivered Each Week!

Residents have the ability to have a box of locally sourced, sustainably grown produce delivered to them for pick up right at The Club at Riverstone. We have partnered with LOAM Agronomics to bring you fresh food from their 288-acre farm located here in Fort Bend. This is accomplished through the Community Supported Agriculture (CSA) program.

A CSA Membership offers many advantages to you and to the community. Eating locally supports community farmers and provides members with produce grown without harmful pesticides. Best of all, fruits and vegetables don't spend days being transported by trucks. All produce can be on your dinner table within 48 hours of harvest.

You can choose the membership or "share" in the LOAM Agronomics' CSA that works best for you. Each week costs \$30, with recurring weekly payments. Boxes can be picked up at The Club at Riverstone every Wednesday from 3:00pm to 7:00pm. Each box contains 8-10 seasonal varieties of nutritious, delicious produce. You will also receive a members-only newsletter telling you what's in your box, current events at the farm, storage techniques, recipes curated by local chefs and invites to member events on the farm.

• If you believe you are or could possibly become a victim, contact your local law enforcement.

When observing any suspicious or criminal activities please call the Fort Bend County Sheriff's Office for assistance. For emergencies call 911. For non-emergency situations please call 281.341.4665.

If I can be of service or answer any questions, please contact me, Riverstone Sgt. Christina L. Resendez, at christina.resendez@fortbendcountytx.gov.

If you are going out of town on vacation or cannot pick up your box, you can simply login to your account and put your share on hold. It is very flexible and user friendly. Why register? Not only are you providing your family with a nutrient rich, delicious box of produce, but you are also supporting the growing local food

Fitness Tip of the Month

Be aware of your triggers. Does an argument with your spouse or loved one typically send you to the fridge late at night? Or how about a stressful day at work triggering you to hit up the drive-through on the way home? Being aware of your triggers can cause you to recognize when they may occur and prevent bad choices.

Gym Walkthrough

Have you never stepped foot into a gym?

Have you come to the gym and felt totally out of your element. Set up an appointment with Blake Crawford to get a guided tour of the gym. Blake will go through each machine and show you how it works, and what body part it works. At the end of the tour, you will receive a beginner's workout to follow in order to get more comfortable using the gym. Coming to the gym shouldn't be a scary thing for anybody, so set up your tour today!

Tennis Court Reminders

- Riverstone's Tennis rules and regulations rule #11 prohibits the booking of back to back times on the same court. Second booking will be unreserved by the system administrator.
- Court #6 at The Club at Riverstone and court #1 at Riverstone Blvd are designated as walk on courts.
- Only authorized professionals are allowed to teach at both Riverstone's locations.

Tennis Court Etiquette

- Talk quietly when standing near tennis courts that are in use so as not to disrupt players on adjacent courts.
- Never walk behind a court when a point is still in play. Wait until the point is over and then cross as fast as possible to get to your own court.
- When sending balls back to a neighboring court, roll them on to the back of the court.
- Never send them back while play is in progress. Also, if one of your balls rolls into an adjacent court, don't run after it, just wait for your neighboring court to return the ball when it's convenient.
- When reserving courts please be considerate to other residents by cancelling your reservation when you know that you will not be using it.

Ladies League Practice

League season is approaching us soon. We will be offering Team Practice every Tuesday starting on February 5th from 9:00am–10:30am. If interested or would like more information please contact Giorgio at TennisPro@riverstone.com.

Did You Know?

Having your tennis racquet strung more often will increase the playability of your game. A rule of thumb is to restring your racket about every 50 hours of playing time.

BLAST FROM THE PAST

Winter Wonderland was SNOW much fun!

This year we had a GREAT turnout of residents who came together for an evening of cold weather fun! Kids and adults alike had a blast going down the large three lane snow slide and getting to play in tons of snow. Not to mention exploring the petting zoo, eating some delicious food, jumping and sliding down inflatables and most importantly . . . meeting Santa. Thank you to everyone who joined us!
