LUKE—Your Community Assistant

LUKE is a free app that can be installed by residents on either their Android or Apple mobile devices. This resident reporting tool allows you to directly submit maintenance issues such as irrigation, damaged common areas, etc. to the HOA Operations Team and then follow the resolution process (if you desire). The Riverstone HOA is happy to provide yet another tool for residents (in addition to telephone calls and emails) to communicate directly with the Association staff on community concerns. Download LUKE today on your mobile phone to get started! (www.getluke311.com)

Have You Checked Out Riverstone HOA's Website?

To help all residents stay connected and informed with Association matters, the Riverstone HOA launched http://www.rshoa.org. Residents can access governing documents and guidelines, view annual assessment information, print application forms for modifications, gate changes, and amenity cards, view meeting agendas and minutes, and so much more! This site is still a work in progress, so new information will continue to be added as the year progresses.

Constable Corner

On behalf of Constable Trever Nehls, the Fort Bend County Precinct 4 Constable's Office wants you to be aware that summer time temperatures are here. The average daily temperature has been reaching well within the 80's and 90's. One call we fear the most, is someone reporting a child or pet left in a vehicle unattended. Although accidents do happen the results can be catastrophic for everyone involved, from the family, to the first responders and the community. When the temperature outside is 80 to 90 degrees or higher, the temperature inside the vehicle can reach 115-120 degrees in twenty minutes and as high as 130 degrees within an hour. If you see an unattended child or pet in a car, call 911 immediately.

To report an emergency please dial 911 and for Non-emergencies contact the Fort Bend County Sheriff's Office 281.342.665, or Missouri City Police Department 281.403.8700.

If I can be of service or answer any questions, please contact me, Riverstone Sgt. Christina L. Resendez, at Christina.Resendez@fortbendcountytx.gov Follow us on Facebook: Fort Bend County Pct. 4 Constable's Office, Twitter: @fort bend pct 4

HOA CORNER

LID vs MUD

Who does what?

Levee District responsibilities: Your LID is responsible for protecting and maintaining the levees, managing the wetlands surrounding some of the water retainment, and coordinating storm-related issues with neighboring LIDs and MUDs. LID 15 and LID 19 operate and improve parks inside their district through an agreement with the Riverstone HOA to manage. Their boards meet monthly to discuss these

matters. In its purest form, your LID is responsible for controlling storm water inside the district and maintaining facilities in order to properly and efficiently drain storm water out of the district. Please visit www.RiverstoneLIDS.com for more information.

Municipal Utility District responsibilities: The Riverstone community is comprised of four Municipal Utility Districts (MUDs): Fort Bend MUD nos. 115, 128, 129 and 149. Generally, MUDs are created to bring essential services, such as water, sewer, garbage and fire protection, to residents outside of a city structure who may not otherwise have these services readily available. MUDs consist of five board members who meet monthly to discuss the financing, building, and execution of specific projects or infrastructure initiatives to maintain and improve the district. MUDs can also take on other projects to enhance resident experiences. Some MUDs have added the building and maintenance of parks under their purview or have added additional security measures during critical times of the year. These activities are at the discretion of their board.

As outlined in this brief review above, each entity (LIDs, MUDs, and the Riverstone HOA) has its own significant set of responsibilities that ultimately work interdependently to ensure the highest level of safety and comfort for all residents within the Riverstone community. Throughout the year, representatives of these groups periodically attend each other's meetings to provide consistent communications between these entities. Please visit the following websites for more information: http://www.fbmud128.com, http://www.fbmud129.com, and http://www.fbmud149.com.

FENCING FROM LID 15

The LID has stepped in to help mitigate hog-related damage and protect our levees. For the past several months, the board of LID 15 discussed different ways to approach the issue due to the potentially harmful damage to their federally mandated wetlands sites. During the November meeting, the LID 15 board approved \$88,790 to place hog fencing in key areas around the LID boundaries, particularly along the Brazos River where they typically migrate. [Riverstone HOA has also installed 2 major sections of hog fencing: one along Lake Riverstone between Meridian Park and Kensington, and the other along Steep Bank Creek near The Crossing and Crossing Cove.] The area around the LID has openings, such as roads, which makes it impossible to completely rule out another infiltration, but this type of fencing has proven effective in other areas to make an intrusion more difficult. Hog fencing is designed to withstand hog destruction and force them to find food sources elsewhere. A reminder... It is critical that residents do not attempt to trap the animals. Some have buried corn as a lure to trap the animals. Unfortunately, while you may trap one or two animals, you will actually be making more hogs aware of a potential meal source, compounding the problem. For those that wish to learn about feral hogs and the issues they pose throughout Texas, please visit https://tpwd.texas.gov/huntwild/wild/nuisance/feral_hogs/

Helpful Reminders

The Riverstone Compliance Department encourages all residents to take a few minutes and look over their property for any potential Deed Restriction issues that may result in a violation.

Here are some helpful reminders:

- Please trim trees over the sidewalk and street so that it does not impact pedestrians, vehicles or block street signs.
- During the summer months yards may need to be mowed and edged every 7 to 10 days. Remember to remove weeds from your landscaping beds and tree wells.

- Keep your trash and recycle bin out of public view on non-trash days. This includes any trash bags.
- Remove any dirt and/or mildew on the outside of the house.
- Portable basketball goals are not permitted in the front yard. They are permitted in the back yard of non-view lots, but must receive ARC approval.
- Please pick up after your pets.

For More information on Compliance please visit our website at www.rshoa.org

Tennis Court Etiquette

- Talk quietly when standing near tennis courts that are in use so as not to disrupt players on adjacent courts.
- Never walk behind a court when a point is still in play. Wait until the point is over and then cross as fast as possible to get to your own court.
- When sending balls back to a neighboring court, roll them on to the back of the court.
- Never send them back while play is in progress. Also, if one of your balls rolls into an adjacent court, don't run after it, just wait for your neighboring court to return the ball when it's convenient.
- When reserving courts please be considerate to other residents by cancelling your reservation when you know that you will not be using it.

Tennis Court Reminders

- Court #6 at The Club at Riverstone and court #9 at Riverstone Blvd are designated as walk on courts.
- Only authorized professionals are allowed to teach at both Riverstone's locations.
- Please remember all tennis court reservations are now available through the Riverstone app only. Appointment Plus is no longer available.

Aloha! Limbo your way down to The Waterpark for the Summer Luau! Hang loose, take your shoes off and go for a swim while we take you on a voyage to the Islands of Hawaii. Your tropical journey begins with soothing island music, traditional games, and complimentary Bahama Bucks (while supplies last). The Big Island Luau Show will begin promptly at 8:00pm featuring story telling through dance by hula maidens and a breath-taking Samoan fire knife dance. Your paradise awaits.

Please note, this is a RESIDENT ONLY event. No guests will be allowed into the water park during the Summer Luau, EVEN WITH A GUEST CARD! A resident amenity card will be required for everyone

in your group for entry. If you do not have your amenity card with you at the gate, the lifeguards will not let you inside. If you would like to obtain your amenity card prior to the event, please visit the HOA office during business hours (M,T, TH, F: 9:00am–5:00pm and Wed: 8:00am–6:00pm). *Thank you for understanding!*

ROCK & ROLL BINGO

Quite simply, BINGO with music...

- Here's how it works: Instead of numbers being called out like in a normal game of BINGO, we've replaced
 them with 15–20 seconds bursts of the most toe tappin', bum wiggilin' sing along songs from the past
 and present!
- Replace the numbers on the BINGO card with the name of an artist and song.
- With your bingo card in hand and your dabber on standby, listen out for the songs being played and mark them off as you would in a normal game of BINGO.

The Best Part: Winners will receive prizes like a basketball signed by Houston Rockets players, gift cards to your favorite restaurant or passes to the Typhoon Texas water park. Be there or be square!

This event has been designed for residents & their guests 21 years and older. Light snacks and soft drinks will be available and feel free to BYOB. Admission is \$5 per person and will require a reservation as space is limited. Be on the lookout for sign up information in the coming weeks!

BLAST FROM THE PAST

Such a Bark-tastic event!

Humans and their furry friends had a blast attending Riverstones very own dog friendly event, *Bark For Life!* The morning began with a short walk with our canine partners around the lake located behind The Club at Riverstone. Following the walk we had a special performance by the Houston Disc Dogs as they amazed the crowd with high flying jumps and tightrope walks. In addition to these awesome activities we had a friendly peanut butter licking competition between all the dogs and even a canine photographer on site! This event was definitely filled with fun, laughter, and plenty of barks!
