COMPLIANCE REMINDERS

The Importance of Maintaining Your Landscaping and Lawn

As members of our community, we all take pride in maintaining a neighborhood that is welcoming, beautiful, and enjoyable for everyone. One of the most important aspects of this is proper lawn and landscaping maintenance. Keeping our yards neat and well-kept not only enhances curb appeal but also benefits the entire community in several key ways.

- 1. Preserving Property Values**—A well-maintained neighborhood contributes to higher property values for all homeowners. When each property is properly cared for, it enhances the overall aesthetic of the community, making it more desirable to current and prospective homeowners.
- 2. Enhancing Curb Appeal**—A lush, green lawn and well-manicured landscaping make a significant impact on the appearance of our neighborhood. Whether it's mowing regularly, trimming overgrown bushes, or planting seasonal flowers, small efforts can make a big difference in how our community looks and feels.
- 3. Preventing Pest**—Overgrown lawns and unkempt landscapes can attract unwanted pests such as rodents, mosquitoes, and other insects.
- 4. Promoting a Sense of Community**—When everyone takes the time to maintain their property, it fosters a sense of pride and unity within the neighborhood. A well-kept community encourages residents to engage with one another, spend more time outdoors, and take an active role in keeping our neighborhood a pleasant place to live.
- 5. Compliance with HOA Guidelines**—Our HOA has landscaping and lawn maintenance guidelines in place to ensure consistency and uphold the quality of our community. By adhering to these standards, we all contribute to a clean and attractive environment that benefits everyone.

Helpful Lawn Maintenance Tips:

March—October Mowing season begins. Lawns may need to be mowed every 7-to 10 days. Weed landscaping beds and expansion joints on sidewalk and driveways.

April—October Shrubs and other landscaping should be kept trimmed and shaped at all times. Landscaping and trees should be trimmed to not obstruct walkways, traffic in road, street signs, or address plaque.

July–October—Treat for chinch bugs as needed. Apply fungicide as needed to control diseases.

Let's continue to work together to keep our neighborhood looking its best! If you need assistance or have questions about landscaping guidelines, feel free to reach out to the Compliance Team for guidance.

Thank you for your commitment to maintaining our beautiful community!

The Importance of Picking Up After Your Pet

Dog ownership comes with many responsibilities, and one of the most important is picking up after your pet. While it may seem like a small act, leaving pet waste behind can have a serious impact for our community.

Nobody enjoys stepping in dog poop or seeing it littering sidewalks, parks, or green spaces. It creates an unpleasant environment and can damage grass, making public spaces less enjoyable for everyone. Cleaning up after your dog demonstrates consideration for your neighbors and helps keep the community clean and inviting.

Tips for Responsible Pet Waste Disposal

- ✓ Always carry waste bags when walking your dog.
- ✓ Use pet waste stations in parks or dispose of waste in trash bins.
- ✓ Consider eco-friendly bags that decompose faster than plastic.
- ✓ Encourage others to do the same—lead by example!

By taking a few extra seconds to pick up after your dog, you contribute to a healthier, cleaner, and more enjoyable environment for everyone. It's a small effort that makes a big

Tree Topping

Many people think that you can shorten a tree by cutting off the top. What they don't realize is that topping permanently disfigures and damages the tree and may even kill it. How does topping hurt trees? Topping damages trees by removing much of the leaf surface area needed to produce food and food storage reserves. It leaves large wounds that are slow to heal and become entry points for insects and disease organisms. Finally, it allows strong sunlight to enter the central parts of the tree, resulting in sunscald, cracks, and peeling bark. Tree topping is not the proper way to maintain trees and, therefore, is considered a violation of the Riverstone restrictions. Please note that you may be required to replace trees that have been topped

Tree-Mendously Fun Earth Day/Arbor Day Celebration!

Get ready to roll up your sleeves and dig in as we celebrate Earth Day and Arbor Day with a special "Plant a Tree with Us" event! Mark your calendars for Tuesday, April 22nd, at 5:30 PM at The Club at Riverstone. This is a fantastic opportunity to connect with nature and learn some essential gardening skills!

Experts from Texas Landscape Group and the Riverstone Compliance and Operations Departments will be on hand to guide you through the tree-planting process. Discover the proper techniques for plant-

ing a tree, applying mulch, and setting up irrigation to keep your new leafy friends thriving.

But that's not all! We'll have door prizes and a variety of fun activities for kids. Bring the whole family along for an evening of education and enjoyment as we contribute to the health of our environment, one tree at a time.

Don't miss out on this fantastic chance to cultivate a greener future! We can't wait to see you there—let's make a positive impact together!

THRILLS AWAIT:

Big Adventure Park is Back in Action

After a brief closure for enhancements, we are thrilled to announce the completion of the pour-in-place surface upgrade at Big Adventure Park. After weeks of dedicated work, the park is reopen to the community just in time for spring adventures.

REVVING UP FUN:

Career on Wheels Day!

Anne Sullivan Elementary recently transformed into a bustling hub of excitement for Career on Wheels Day! Students had the chance to meet local professionals, explore cool careers, and get up close and personal with an array of amazing vehicles.

The Riverstone team, brought their A-game, showcasing their impressive rides and sharing fun insights about what they do. However, the star of the show was undoubtedly the ranger vehicle, which sent a wave of excitement through the crowd of eager kiddos!

With eyes wide and smiles beaming, students explored the vehicles and envisioned their future careers. The event was packed with laughter, learning, and a dash of adventure, making it a memorable day for everyone involved.

DIVE INTO SUMMER FUN:

Lifeguard Opportunities with A-Beautiful Pools!

A-Beautiful Pools, our swimming pool management company, is now hiring lifeguards in and around our community. This is a great opportunity for area teens and young adults to make money, learn valuable skills, and fill their time this summer! As an added bonus your teen/young adult has the opportunity to staff the pool and give back to the community. The hours are flexible and accommodating for teens who are involved during the school year, but have free time over the summer. ABP handles all hiring and training for Lifeguard Positions, all you need to do is apply online at www.a-beautifulpools.com. They can also be reached at office@a-beautifulpools.com or 281.376.6510 if you have any questions.

BUSINESS SPOTLIGHT

Riverstone Memory Center, a cutting-edge senior living community, will soon open its doors in our community promising a new standard in senior memory care.

While the center is not yet open for resident move-ins, the care center's team invites Riverstone residents to visit for tours and to meet the dedicated staff.

"It has been a pleasure over the past year getting to know everyone in the Riverstone community," said Stacy Allen, Executive Director for Riverstone Memory Center. "We look forward to cultivating lifelong relationships. Our staff are experts in the Senior Care industry, so even if we are not what you need, we are always available to guide and freely give recommendations on where to turn. Our goal is to open our doors for residents to move-in within the next couple months."

According to Allen, the guiding philosophy is to lead with H.E.A.R.T.—Honor, Empathy, Appreciation, Respect, and Treasure. This philosophy drives the team to deliver exceptional care and improve the lives of the seniors they serve.

"Our mission at Riverstone Memory Center is to provide a place where our residents can truly thrive," Allen said. "We understand that every individual is unique, and our approach honors where each person is on their path, aiming to give them a sense of purpose and belonging."

Riverstone Memory Center is not just another assisted living facility; it's a vibrant community designed specifically for residents with dementia, Alzheimer's, and other memory impairments. With a focus on socialization, the center aims to combat the loneliness that many seniors face, which can significantly impact health outcomes.

"We've designed our entire community to foster socialization and interaction," Allen said. "Our goal is to not only meet the basic needs of our residents but also to enhance their quality of life through personalized care and engaging activities."

The center offers a wide array of services, including restaurant-style dining, personalized recreation programs, and comprehensive medical care. Every aspect of the center is designed to support the unique needs of its residents, ensuring their safety and well-being.

"Quality of life means different things to different people, which is why we focus on the individual," Allen said. "We take the time to learn about who our residents were before their diagnosis and tailor our care to fit them."

All staff members at Riverstone Memory Center are highly qualified and undergo continuous training to stay at the forefront of dementia care. This dedication ensures that residents receive the best possible support and care.

RIVERSTONE MEMORY CENTER SENIOR LIVING COMMUNITY

"Families can expect a warm, supportive community when partnering with Riverstone Memory Center," Allen said. "We're here to relieve the burden of caregiving from families, allowing them to focus on cherishing moments with their loved ones. Our team is committed to making this transition as smooth as possible."

For more information about Riverstone Memory Center or to schedule a tour, visit their website <https://riverstonemc.com/>.

Tennis Court Etiquette

- Talk quietly when standing near tennis courts that are in use so as not to disrupt players on adjacent courts.
- Never walk behind a court when a point is still in play. Wait until the point is over and then cross as fast as possible to get to your own court.
- When sending balls back to a neighboring court, roll them on to the back of the court.
- Never send them back while play is in progress. Also, if one of your balls rolls into an adjacent court, don't run after it, just wait for your neighboring court to return the ball when it's convenient.
- When reserving courts please be considerate to other residents by cancelling your reservation when you know that you will not be using it.

Tennis Court Reminders

- Please remember all tennis court reservations are now available through the Riverstone app only.
- Remember that court reservations will be forfeited after 15 minutes of not showing up for scheduled start time.
- Tennis courts are for the use of tennis or pickleball play only. Any other sports or equipment are strictly prohibited. For more information refer to rule #4 at the Resource Center under Community Info.
- Parking for use of Tennis Courts 9 & 10 is at the Riverstone Blvd Recreation Center. Please refrain from parking within the Parkside neighborhood.

Unauthorized Tennis Lessons

There has been tennis lessons at Riverstone by unauthorized tennis pros. Please keep in mind that HOA rules prohibits the teaching of tennis lessons by unauthorized persons.
