## STREET PARKING ON PUBLIC ROADS

### *Important Guidelines for Homeowners*

*As a valued member of our community, it is essential to be aware of the regulations and best practices concerning street parking on public roads within our neighborhood.* While public streets are typically maintained by the city and/or county, there are key regulations and community considerations that all homeowners should observe.

#### **HOA Parking Regulations**

The Riverstone Homeowner's Association does have a parking policy in place.

Below are some highlights from the Riverstone Parking Policy:

1. **Vehicle Condition:** Vehicles with expired registration or in non-operable condition may not be parked or stored in the street or driveway. This measure ensures clear roads and an unobstructed flow of traffic.
2. **Obstruction Prevention:** Vehicles may not block or obstruct sidewalks, be parked on curbs, or be positioned on grassy areas.

3. **Vehicle Repairs:** Streets and driveways should not be used for vehicle repairs, repainting, or extensive maintenance work.
4. **Sidewalk and Common Areas:** Vehicles may not be driven or parked on sidewalks or unpaved areas within the subdivision without prior approval from the HOA.
5. **Common Area Storage:** No vehicle may be stored on any common area within the subdivision. The Riverstone Board of Directors retains the discretion to determine whether a vehicle is being stored or properly parked within these areas.
6. **Driveway Access:** Vehicles should not be parked in a manner that inhibits or adversely affects ingress or egress from a driveway on a daily basis.

#### **Additional Provisions for Gated Communities**

For gated neighborhoods, where roads are privately owned by the association, the above guidelines apply along with additional regulations:

1. **Time Restrictions:** Vehicles left on the street for more than 48 hours may be towed at the owner's expense without prior notice.

2. **Optional Notice:** The association may provide notice by placing a sticker or warning on the vehicle before towing, but this is not a requirement.

#### **Texas Street Parking Laws**

Public roads in Texas are governed by state and local regulations, generally permitting parking unless restricted by posted signs or specific ordinances. Key parking rules include:

1. No parking within 15 feet of a fire hydrant.
2. No parking within 20 feet of a crosswalk or intersection.
3. No parking in front of driveways or obstructing access to mailboxes.

4. No parking against the flow of traffic.
5. No parking in designated fire lanes.

Violations of these rules or ordinances are a matter for law enforcement to address.

#### **Community Considerations**

To promote a harmonious neighborhood, all residents are encouraged to:

1. Be considerate of neighbors by avoiding long-term parking in front of other homes.
2. Minimize overnight street parking to help reduce congestion.
3. Utilize driveways and garages whenever possible to maintain an orderly neighborhood appearance.

By adhering to these regulations and guidelines, we can help ensure a pleasant living environment for everyone. If you have any questions or concerns, please contact the Riverstone Association office for further information.

Thank you for being considerate and understanding to your Riverstone neighbors!

## GET TO KNOW ALE GARCIA

### *Riverstone's New Compliance Coordinator*

*We're excited to introduce Ale Garcia, our newest HOA Compliance Coordinator at Riverstone, who started her journey with us in February. Ale brings a wealth of experience and a passion for community engagement, making her an excellent addition to the Riverstone team.*

In her exciting role as Deed Restriction Coordinator, Ale is the guardian of our community guidelines, ensuring that our neighborhood properties

comply with all regulations. Additionally, after major home renovations, Ale takes on the important task of inspecting the updates to confirm that everything aligns with the master plan.

When residents are ready to put their homes on the market, she conducts Certificate of Compliance inspections. Ale helps keep our charming community looking its best, ensuring every home shines like a gem.

Before joining Riverstone, Ale spent nearly four years at Sienna HOA as a Modification Coordinator. This experience has equipped her with a deep understanding of how homeowners' associations oper-

ate and the teamwork necessary to foster a thriving community. Ale appreciates the collaborative spirit at Riverstone and treasures being part of a dedicated team that strives to create a welcoming environment for all residents.

When asked what she enjoys most about her position, Ale highlighted the beauty of our community and the warmth of her coworkers. "The team at Riverstone has been incredibly supportive throughout my training process, and I'm grateful to be surrounded by such helpful individuals," Ale shared.

Outside of work, Ale is in her final year at the University of Houston's Hilton College, pursuing a bachelor's degree in Global Hospitality with a minor in Wine and Beverage Studies. She has a passion for traveling internationally, enjoys indoor cycling, and loves going out for iced coffee with friends and family. Ale also has a unique connection to Irish culture, having lived in Ireland, and hopes to return there someday.

What sets Ale apart is her positive demeanor; she always wears a smile and genuinely enjoys connecting with and helping others. Ale wants all residents to know that she is here to assist and ensure everyone feels at home in our beautiful community.

Please join us in welcoming Ale Garcia to Riverstone HOA! We are thrilled to have her on board and look forward to the positive impact she will make in our community. If you see Ale around, be sure to give her a friendly hello!

## CALLING ALL VOLUNTEERS

*Every year, the Riverstone HOA Board invites enthusiastic resident volunteers to join various committees that focus on engaging areas of interest within our community.* This collaboration not only enhances our neighborhood but also fosters a sense of belonging and involvement among residents. By participating, volunteers can share their ideas, contributing to the vibrant fabric of Riverstone. Here are some of the committees that currently have open positions:

**Modification Subcommittee**—This vital team reviews applications for residential property modifications, working collaboratively to develop helpful policies and guidelines that enhance our neighborhood.

**Landscaping Committee**—Residents on this committee play a crucial role in suggesting and organizing landscaping projects to beautify our community. They partner with HOA staff to iden-

tify areas needing attention (like littering) and brainstorm creative solutions to foster our shared pride in Riverstone.

**Gated Neighborhood Committees**—These dedicated groups provide valuable recommendations on service levels and input on projects that enhance their respective gated neighborhoods, such as gate operations and landscaping. They also contribute to discussions on annual budget assessments.

If you're excited about serving on a committee in 2026 or would like to learn more about these wonderful opportunities, please reach out! You can contact us by calling our main office at 281.778.2222 or emailing [customer@riverstone.com](mailto:customer@riverstone.com).

Together, we can make Riverstone an even more amazing community through your active participation! We can't wait for you to join in the fun!
