RIVERSTONE COMMUNITY NEWS AND UPDATES

Exciting things are happening in the Riverstone community! The HOA is committed to keeping all residents informed about the latest updates and improvements. From the progress on the Pickleball Courts to recent enhancements in our volleyball and tennis facilities, there's a lot to share. We'll also discuss the opening of the Racquet Club and improvements to resident communication. Stay tuned for further details, including action items from recent Board Meetings, as we strive to keep our community engaged and informed. Let's celebrate our achievements together!

Progress and Delays on the Pickleball Courts

Earlier this year, the Board of Directors approved the construction of four new pickleball courts for the community. A contractor was awarded the project, and the necessary plans and documents for permitting were submitted to Fort Bend County for review and approval. Unfortunately, the initial plans were not approved by the county due to the proximity of the potential courts to utility easements in the area. The HOA, working closely with the contractor, has renegotiated the position of the courts to avoid any utility lines and easements. The updated plans have been resubmitted to the county and are currently awaiting approval. Once the necessary permits are gained, construction is expected to begin shortly after. We are excited that the new pickleball courts will soon be available for resident enjoyment.

Completion of Pickleball Striping Work on Tennis Courts

To accommodate residents while the pickleball facility is being built, the HOA has repainted courts 7 and 8, which serve as dual-purpose courts. These courts have been marked with new, vibrant pickleball lines to enhance visibility and make the game more enjoyable for players.

Exploration of Expansion Options for The Club at Riverstone

The HOA is currently working with contractors to assess the possibility of expanding The Club at Riverstone to include a larger fitness center and ballroom. The HOA is dedicated to enhancing the community experience and is excited about the possibilities that this project could bring.

The Racquet Club is Now Open!

We are excited to share that The Racquet Club is open for resident enjoyment. This clubhouse serves as a hub for racquet sports enthusiasts and non-players alike. In addition to serving as a community gathering space, The Racquet Club offers a curated selection of sports apparel and equipment for purchase. Please stop by The Racquet Club today and check out all it has to offer.

Improvements to the Volleyball Court

Earlier this year, the Board of Directors approved upgrades to the sand volleyball court located at The Club at Riverstone. Recently, the HOA introduced a play border to the perimeter of the court to improve aesthetics and promote better maintenance. Additional sand has also been added to the courts for extra cushioning during play. The final upgrade is expected soon with the addition of an overhead sports light, allowing residents to enjoy the courts into the evening hours.

Enhancements to the Tennis Courts

A project to further enhance the tennis courts at The Club at Riverstone was recently approved by the Board. Soon, the seating area between courts 4 and 5 will have an overhead shade structure and a water fountain. This addition to the courts will provide an excellent space for residents to cool down and refresh between matches.

Rose Rosette Disease

At a recent HOA Board meeting, residents provided feedback that some roses around the community have been affected by Rose Rosette disease. The HOA has contracted a professional landscaping service to address the spread of this disease in several areas of the community. This action was necessary due to the aggressive nature of the disease and our commitment to maintaining healthy and attractive landscaping.

For those interested in more in-depth information about Rose Rosette disease, please refer to the July edition of the Riverstone Reflections newsletter.

Updated Resident Welcome Packet

We are excited to announce that we have updated our Resident Welcome Packet to serve our community better, ensure a smooth transition for all new residents, and provide a comprehensive reference of information for existing residents. Residents can find the new welcome packet on the Riverstone website and app.

HOA Survey and Staff Available at Major Lifestyle Events

To enhance community engagement, the Board of Directors and HOA have created a resident survey, which is now available in the monthly newsletter, on all social media and official channels. HOA staff will also be present at major lifestyle events to assist with inquiries and gather feedback. If you see them at an event, stop by and say hello! Your feedback is important to us.

It's an exciting time for everyone in the Riverstone community! With all these updates and improvements underway, we hope you'll get involved, explore the new facilities, and share your thoughts. Thanks for being a part of what makes Riverstone such a great place to live!

COMMUNITY SPOTLIGHT

BUSINESS SPOTLIGHT

Whether it's English, math or preparing for the SATs, sometimes students need a helping hand. That's where TutorJack, a research-based tutoring center serving students in grades K through 12th grade, comes in.

Tutor Jack opened in Riverstone in May. Founded by Zack Robinson, the center is built on research about how students learn best, including focused one-on-one instruction, structured practice, and teaching concepts back to demonstrate mastery.

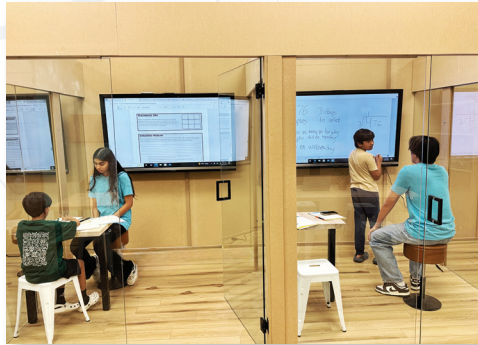

"Every session is designed to keep students engaged, confident, and making steady progress," said Shaheen Lakhani, Center Director for TutorJack Riverstone. "More than a tutoring center, we're a learning community committed to helping students become curious, confident learners who feel capable and excited about school again."

TutorJack supports students from kindergarten through 12th grade in core academic areas and test prep. For elementary and middle school students, they offer help with math, early reading, and English, as well as enrichment camps. High school students can receive assistance with algebra, geometry, calculus, and English. Test prep for STAAR, SAT, and ACT tests is also available.

The program is built around three powerful, evidence-backed principles: one-on-one instruction, mastery learning, and learning by teaching in a dynamic, supportive environment, including an innovative breakout pod structure.

"Breakout pods are part of a research-informed structure that maximizes the impact of one-on-one instruction," Lakhani said. "Each session begins with individualized teaching in a glass-enclosed pod, then transitions to guided practice in our main learning area, and ends back in the pod where students teach the concept back to the tutor to demonstrate mastery."

The session design supports a wide range of learning needs.

"We begin with an in-depth consultation with both the parent and student to understand learning goals, academic history, and any specific support needs," Lakhani said. "From there, we build a custom tutoring plan that incorporates strengths, accommodations, and strategies tailored to the student."

Additional support comes in the form of multi-modal tools like interactive displays, discussion, writing, and problem-solving to engage different parts of the brain and deepen understanding. Lessons are also chunked into smaller steps, which helps with processing and retention.

All tutors must have prior teaching or tutoring experience and are carefully selected for

their ability to explain concepts clearly and build strong relationships with students.

"Every tutor completes our proprietary training and certification program, with full background checks conducted prior to hire," Lakhani said. "For students preparing for the SAT or ACT, we match them with tutors who have demonstrated high performance on the exams themselves, ensuring your student is learning from someone who truly understands the test inside and out."

Lakhani has a master's in educational psychology, a background in teaching, and experience in business development.

Pricing varies depending on a child's grade level and whether students attend two or three days per week. There is month-to-month pricing with no long-term commitment. The end goal is to help children get a head by transforming how they learn.

"Our model isn't just effective, it's backed by decades of cognitive science, learning theory, and classroom-tested strategies," said Lakhani. "We care deeply about every child who walks through our doors."

For more information about TutorJack and to set up a free consultation, visit www.tutorjack.com.

JULY YARD OF THE MONTH WINNERS

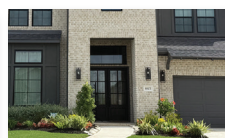

The goal of the Yard-of-the-Month Award is to recognize the efforts of Riverstone residents who take pride in their homes and landscaping, inspiring others to do the same.

BEAT THE HEAT AND STAY HYDRATED

As we approach the hottest days of the summer, staying hydrated is more important than ever. While drinking water is essential, it's only part of the equation—electrolytes like sodium, potassium, and magnesium also play a key role in keeping our muscles and nervous system functioning properly.

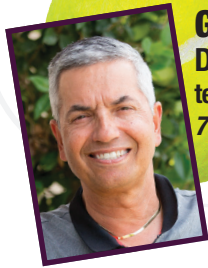

When we sweat, we lose both water and these vital minerals. Without replenishing them, we risk fatigue, muscle cramps, and trouble staying cool. So when heading out for a sunny day—whether it's a game, a hike, or a beach trip—be sure to bring water and electrolyte-rich snacks or drinks.

Simple options like bananas, oranges, leafy greens, coconut water, or electrolyte powders can help keep you energized and safe. However you spend your summer, make hydration a priority so you can enjoy every moment to the fullest!

Tennis Court Etiquette

- Talk quietly when standing near tennis courts that are in use so as not to disrupt players on adjacent courts.
- Never walk behind a court when a point is still in play. Wait until the point is over and then cross as fast as possible to get to your own court.
- When sending balls back to a neighboring court, roll them on to the back of the court.
- Never send them back while play is in progress. Also, if one of your balls rolls into an adjacent court, don't run after it, just wait for your neighboring court to return the ball when it's convenient.
- When reserving courts please be considerate to other residents by cancelling your reservation when you know that you will not be using it.

Tennis Court Reminders

- Please remember all tennis court reservations are now available through the Riverstone app only.
- Remember that court reservations will be forfeited after 15 minutes of not showing up for scheduled start time.
- Tennis courts are for the use of tennis or pickleball play only. Any other sports or equipment are strictly prohibited. For more information refer to rule #4 at the Resource Center under Community Info.
- Parking for use of Tennis Courts 9 & 10 is at the Riverstone Blvd Recreation Center. Please refrain from parking within the Parkside neighborhood.

OKTOBERFEST CAR SHOW

Got a ride that turns heads? We want to see it at our Oktoberfest Car Show! From classics and customs to hot rods and exotics, all are welcome. We're currently gauging interest for this exciting addition to our Oktoberfest celebration.

Saturday, September 20th • 11am–2pm

MELA: A DIWALI CELEBRATION

We're excited to celebrate the Festival of Lights with a vibrant and joy-filled Diwali event, and we're currently looking for entertainers, volunteers and performers to help make it truly unforgettable!

Saturday, October 4th • 5pm–8pm

You can reach out to your Lifestyle Director at solomond@riverstone.com if you are interested in participating in any of the above events.

SOCIAL CLUBS

Want to create a social group to share your favorite activity with your neighbors? Maybe you want to start a social group, or maybe you're looking to meet new people and try new things. If so, now is the perfect time! Reach out to your Director of Fun today to start a group.

Current Clubs

Mahjong Club • Hazel Kjos • filbertkjos@gmail.com

Moms Club • Shruti Desai • shrutim81@gmail.com

Tea Club • Chandni Kamnani • ckamnani@hotmail.com

New Club

Bridge Club • We're exploring the idea of starting a Bridge Club right here in the community. Whether you're a seasoned player or new to the game and eager to learn, we'd love to hear from you!

Interested? Email your Lifestyle Director at solomond@riverstone.com.

If there's enough interest, we'll kick things off with a casual Meet & Greet to connect and plan our first game night. *Let's deal you in!*

BLAST FROM THE PAST

What an unforgettable night at Riverstone's Red, White & Boom! Our community came together in true patriotic spirit to celebrate with an evening full of music, laughter, and spectacular fireworks. Families enjoyed festive fun, kids lit up with joy at the activities, and the crowd was dancing all night long thanks to the incredible live entertainment.

From delicious food trucks and refreshing treats to lawn games, face painting, bounce houses, and more—the energy was electric and the memories made were priceless. And of course, the dazzling fireworks show at 9:15 PM truly lit up the night sky and our hearts!

A big thank you to our amazing sponsors who helped make this event a booming success.

Until next year, Riverstone—thank you for celebrating with us!
