PACKING UP HOLIDAY CHEER

A Fresh Start for the New Year

As the holiday season comes to a close, it's time to start packing away the festive cheer! Remember to take down your holiday lights and decorations. This ensures a tidy and welcoming environment for the new year, while also adhering to community guidelines. Let's embrace a fresh start as we transition into a new season!

COMPLIANCE REMINDERS

Riverstone Compliance Department encourages all residents to take a few minutes and look over their property for any potential deed restriction issue that may result in a violation. Here are some helpful reminders:

- Any landscape modifications or additions to the front or rear yard require approval from the MSC.
- Please trim trees over the sidewalk and street so that it does not impact pedestrians and vehicles or block street signs.
- Remember to remove weeds from your landscaping beds and tree wells and to treat your lawn for weeds.
- Keep your trash and recycle bin out of public view on non-trash days. This includes any trash bags.
- Remove trees stakes if they are over 1 year old.
- Please do not park vehicles to block the sidewalk.
- Remove any dirt and/or mildew on the outside of the house.
- Portable basketball goals are not permitted in the front yard. They are permitted in the backyard of non-view lots but must receive MSC approval.
- Please pick up after your pets.

January–February—Optimal time to replace or plant new trees and/or landscaping. Use preemergent weed control if needed. Treat for fire ants. Fertilize with slow-release product as needed.

TOPPING TREES

Topping can remove 50 to 100 percent of a tree's leaf-bearing crown. Leaves are the food factories of a tree. Removing them can temporarily starve a tree and trigger various survival mechanisms.

- Leads to Decay Correct pruning cuts are made just beyond the branch collar at the point of attachment. However, cuts made along a limb between lateral branches create stubs with wounds that the tree may be unable to close. Causing the exposed wood tissues to begin to decay.
- Makes Trees Ugly The natural branching structure of a tree is a biological wonder. Topping removes the ends of the branches, often leaving ugly stubs. Topping destroys the natural form of a tree.
- It's Expensive Topping can lead to increased maintenance costs, Reduced property value, and increased liability potential.
- Alternatives to Topping Small branches should be removed back to their point of origin. If a larger limb must be shortened, it should be pruned back to a lateral branch large enough (at least one-third the diameter of the limb being removed) to assume the terminal role. This branch reduction method helps preserve the tree's natural form.

The Compliance Department appreciates your assistance in keeping Riverstone beautiful! Thank you for your support!

APPLY BEFORE YOU MODIFY

Did Santa bring a new basketball goal or playset? Or do you want to add to your house, or build a new shed, or fence in your backyard? Before you break out the miter saw, make sure you get your plans approved by Riverstone Homeowners Association's Modification Sub Committee. While it may seem arbitrary from an individual homeowners' standpoint, the Modification Sub Committee (MSC) looks out for the entire community. Aside from stopping residents from painting pink polka dots on their houses, the committee's job is to make sure that the size and style of the project, the type of building materials being used, and the overall look of the new structure adhere to the Association's design requirements. Not only does this keep the community looking cohesive, it also helps to keep property values up by preventing individual structures from standing out. It's also important to note that unapproved modifications might legally have to be removed at the owner's expense, so save yourself money and headaches by getting it approved first! Modification application forms can be found online at www.riverstone.com > Compliance Department and should be submitted to the HOA office. Any questions can be submitted directly to Erica Aguirre, Compliance Administrative Assistant, at ericaa@riverstone.com or by calling 281.778.2222. Please note all modifications must go through an approval process and that the Association staff will NOT give verbal approval of any modifications. We appreciate all the hard work residents put in to make their homes and this community beautiful—help us keep this Association looking great by keeping us in the loop of all your building projects.

FRESH FACES

MEET *Renda Summers*, YOUR NEW FRONT DESK ADMINISTRATOR

If you've stopped by the clubhouse recently, you may have already been greeted by the warm smile of Renda Summers, our new Front Desk Administrator. Renda joined us in October, and she's already winning the hearts of residents.

Renda is the go-to person for help with your gate and amenity cards. She's the person you will come in contact with when you phone the HOA office with a

question or send an email. She's also the friendly face you'll see when you walk through the door. However, you meet with her, she's here to make your day a little easier.

"I'm here to help in any way I can," Renda said. "I look forward to meeting those who come through the doors each day."

Renda comes to us with a wealth of experience, having worked as an admin and assistant property manager for a commercial real estate company before joining Riverstone. Her professional background gives her a sharp understanding of organization and problem-solving, but it's her love for connecting with people that really sets her apart.

She has already fallen in love with the Riverstone community.

"What I love is the camaraderie amongst everyone. Everyone has been so kind and welcoming," Renda said.

Outside of her role at the front desk, Renda enjoys spending time with her fiancé and their blended family of five children. From family adventures to quiet moments reading, she makes the most of her time away from work. Her ability to balance family, fun, and community shines through in everything she does.

If you haven't met Renda yet, we encourage you to stop by and give her a warm welcome!

INTRODUCING OUR NEW STAFF ACCOUNTANT, *Sunil Patel*

If you visit the Club at Riverstone, you might catch a glimpse of our new team member, Sunil Patel, who joined us in August 2025. With a commitment to maintaining accurate financial records for the association and supporting our Finance Director, Sunil is ready to make a positive impact.

Before joining Riverstone, Sunil dedicated 19 years to the Houston Housing Authority as an Accounting Supervisor.

This extensive experience has not only honed his technical skills but has also prepared him to embrace the new challenges at Riverstone. Seeking a change and new opportunities, he found the perfect fit with our team.

What does he enjoy most about working at Riverstone? "A friendly work environment and a committed team make every day enjoyable," he says. Sunil takes great pride in being part of one of the best-maintained communities in the Houston area, and this pride is reflected in his dedication to serving the residents.

When he's not crunching numbers, Sunil enjoys spending time with his spouse, two children, and three grandchildren. One of his favorite pastimes is watching Bollywood movies and TV shows, along with enjoying the outdoors in local parks.

What stands out about Sunil is his genuine dedication to getting things done on time and ensuring that every resident feels appreciated and supported. He truly cares about the community at RSHOA and wants everyone to feel comfortable reaching out with any questions they might have about the Finance Department. He's here to help!

If you haven't had the chance to meet Sunil yet, stop by the office and say hello! He is thrilled to be part of the Riverstone family and is eager to assist you.

- When sending balls back to a neighboring court, roll them on to the back of the court.
- Never send them back while play is in progress. Also, if one of your balls rolls into an adjacent court, don't run after it, just wait for your neighboring court to return the ball when it's convenient.
- When reserving courts please be considerate to other residents by cancelling your reservation when you know that you will not be using it.

Big Wheels & Bigger Smiles! Bring your kiddos to the Riverstone Touch-A-Truck event for a hands-on, family-friendly adventure! Explore trucks, construction vehicles, public safety equipment, and even a helicopter—each vehicle will have a driver to answer questions, let kids sit in the cab, and honk the horn.

Kids can also get creative at our car art station and enjoy a live caricature artist, food trucks, face painters, balloon twisters, bounce houses, and more. Bring your camera—you won't want to miss a moment!

BLAST FROM THE PAST

Touch-A-Truck

The Riverstone Touch-A-Truck event is a resident favorite, delighting families with the chance to explore towering fire engines and construction trucks. Kids eagerly climbed into vehicles, honked horns, and met friendly drivers.

With tasty food from trucks, face painting, balloon twisting, and bounce houses, there was something for everyone. It was a fun and educational day that showcased the important roles these vehicles play in our community.

We invite all residents to join us for this year's event! Bring your family and friends for a memorable day of adventure. Don't miss out—mark your calendars!
